

Headache.

Horsford Acid Phosphate.

Headache may arise from a disordered state of the stomach, or it may have a nervous origin. The Acid Phosphate, by its action in promoting digestion and as a nerve food, tends to prevent and alleviate the headache arising from either cause.

Dr. F. A. Roberts, Waterville, Me., says:

"Have found it of great benefit in nervous headache, nervous dyspepsia and neuralgia; and think it is giving great satisfaction when it is thoroughly tried."

Presiding Elders' Report

Cambridge District

To the Bishop and Members of the Delaware Annual Conference:
 Dear Fathers and Brethren:—I present to you the following as my first annual report of the Cambridge District. I was appointed to this district by Bishop C. D. Foss at the last session of the Delaware Conference, to succeed Brother E. E. Parker, who had completed his full term of six years, leaving the district in a very much improved condition. We have lost from our ranks by death, Rev. Daniel J. Waters, who was serving his third year on the Seaford charge, and very much beloved by his people. He died in peace August 5, 1899. Brother E. E. Rogers and wife sustained the loss of a little boy. Sister Rogers was in a helpless condition for several months, but has since greatly improved. Brother J. C. Banton lost his only child—a very promising boy of nine years. Brother D. W. Martin and wife mourn the loss of their oldest son, who had been afflicted for many years, and an infant daughter. It has been a year of many trials and perplexities, yet we have much to be thankful for to our Heavenly Father, who has enabled us to overcome and surmount many difficulties. Our success during the past year has not been all that we have desired, owing to the many hindrances which have confronted us. But after all, we are glad to say that the district has held its own along all lines, and several of the charges are far in the advance of previous years. The brethren have labored hard and faithfully in the face of many adverse circumstances, and the people whom we served have very largely responded, according to the limited means of many of them, they have done well.

The so-called camp-meetings during the summer and fall continue to greatly hinder the spiritual and financial progress of our churches. Local option and Prohibition prevails in most of our territory, and where these prevail the people are not so badly affected by strong drinks as a rule. We have urged upon the pastors and people the importance and necessity of the Twentieth Century Thank Offering collection and the two million souls for Jesus. We have urged also the observance of the week of prayer recommended by the Bishops.

The revival fires have been kindled and burning all along the line of our work, and 833 have professed conversion, and 636 have united with the church. We have on the district 26 Epworth League chapters, and 1064 members. Some of them are well organized, and are doing a good work; others are making slow progress for the want of better management and religious instruction, with 577 members. Many of our Sunday Schools are in a fair condition, and some are in excellent condition. The most of the schools are using the international lessons. Number of Sunday Schools, 57; whole number of scholars, 2857. One new church has been built this year, and three completed which had been previously commenced. Three new parsonages have been built and one remodeled.

RESOLUTIONS OF THANKS TO BISHOP WARREN—Read and adopted by rising vote.

Whereas, The thirty-seventh Annual Session of the Delaware Annual Conference of the M. E. Church in session in Zoar M. E. Church, Philadelphia, be it

Resolved, That we unite in cheerful and unhesitating recognition of the ability, courtesy and impartiality with which our presiding Bishop, the Rev. Dr. H. W. Warren, has conducted this session, and that we express our high appreciation of his instructive and stimulating addresses. 2. That we bear in unceasing remembrance of his many acts of kindness, and we pray that God may bless him in all his labors and abundantly reward him.

3. That this Conference takes great pleasure in extending to the past-tor and officials of Zoar M. E. Church, Philadelphia, an appreciation of Christian courtesy for the excellent provision made for the Conference, and for the great labor, wise forethought and kindly attention shown in carrying out the plans to entertain this Conference.

4. That we acknowledge our indebtedness to all those who have generously opened their homes or have otherwise provided.

APPOINTMENTS ANNOUNCED.—After the closing exercises the approval of the journal and the reading of the appointments by the Bishop, the Doxology was sung and the thirty-seventh session of the Delaware Conference was dismissed with benediction by the Bishop.

We have organized a society at Portsville, Del., with 23 members and probationers, and a Sunday school with 27 scholars. This mission has a prospect of rapid growth.

Circuits and Stations:

A new seven-room parsonage has been built, and five rooms of which are nicely finished. \$550 have been raised on the debt of churches and parsonage. The Benevolent collections raised in part. Quite a number have professed conversion and joined the church.

Beckwith, W. S. Brown, pastor. \$25 have been raised on the debt of parsonage and the payments kept up in the Building and Loan Association. There have been some conversions and accessions. The Benevolent collections are raised in part.

Berlin Station, L. W. Deakins, pastor. This charge is alive in every department—a good Sunday School and Epworth League. Several persons have been added to the church. Raised on church debt and improvements, \$158. Benevolent apportionments all full. Ministerial support all raised long before the end of the year.

The parsonage has been remodeled and nicely finished with a new, two-story front, six rooms and a front porch. Raised on debt of parsonage and churches, \$200. Benevolent collections raised in part.

Cambridge Station, A. L. Martin, pastor. Peace and harmony reign here. The spiritual and financial condition of the charge is excellent. Many have been added to the church; \$708.16 have been raised, wiping out the entire debt upon the church of \$1400 which had been standing for nine years, besides donating \$50 to the hospital, and collecting \$16 for the Twentieth Century Thank Offering. Benevolent collections all full, and ministerial support paid long before the close of the year. The Epworth League and Sunday School excellent.

Cambridge Circuit, E. Nichols, pastor. Quite a number have professed faith in Jesus. \$230 have been raised on debt of church and parsonage. Benevolent collections nearly full. Epworth League and Sunday Schools fair.

Church Creek, D. W. Martin, pastor. Benevolent collections all full. \$53 raised on church debts; a good number of conversions; Epworth League and Sunday schools in a fair condition.

One Epworth League and one Junior League, and the Sunday School are all in good condition.

Harrington, E. E. Rogers, pastor. \$109.68 has been raised on the debt of the church and the payments kept up in the Building and Loan Association. There has been quite an increase in the membership of the church. Benevolent collections are raised in part. The Sunday schools are in a fair condition.

Hurlock, J. C. Banton, pastor. The officials say this charge is in a better condition than it has been for years. \$345 have been raised on the debt of the churches and parsonage. Many have professed conversion and joined the church. Benevolent collections are all raised in full.

Laurel, P. M. Shelton, pastor. A good revival has been in progress; the spiritual condition good; the membership much increased; the benevolent collections are all full, and \$162 raised on the church debt. The Epworth League and Sunday school are in a fair condition.

Lewes, C. E. Davis, pastor. A very commodious, two-story, seven-room parsonage has been built, with a front porch. \$703.80 have been raised on the debt of the church and parsonage. Benevolent collections are raised in part. There have been a few accessions to the church. The League and Sunday Schools are in a fair condition.

Linkwood, J. S. Holly, pastor. The spiritual condition of this charge is good; the churches have had some increases. Benevolent collections raised in part. \$95 have been raised on debt of church and parsonage.

Madison, J. M. Whittington, pastor. These people have had a time of refreshing from the presence of the Lord, and many have been saved and added to the church. Two churches have been finished and the debts all paid. Four Leagues and the Sunday Schools are in good condition. \$231.83 raised on the debt of churches. The benevolent collections raised in part.

Mardella, A. W. Lowber, pastor. Quite a number have been added to this charge. The Benevolent collections are all raised in full, and \$135 have been raised on the debt of churches and parsonage. The Sunday Schools are in fair condition.

Milford, W. F. Cotton, pastor. Brother Cotton is winding up a very creditable and successful administration of five years, leaving one of the best and most substantial churches as a monument commemorative of his faithful work among those people. He leaves a host of friends, both colored and white, regretting that he can not stay longer. Quite a good revival has been in progress here, and several professed to be saved. Raised on the debt of the church, \$450.00. The Benevolent collections are raised in full. The Epworth League and Sunday School are in a fair condition.

Nassau and Rehoboth, F. J. Lee, pastor. There has been quite an ingathering at this point. Raised on the parsonage debt, \$125.00. Benevolent collections raised in part. The Sunday Schools are in a fair condition. The people say this charge is in a better condition than for many years.

Oak Grove, T. A. Johnson, pastor. Benevolent collections raised in full. There has been some revival work in this charge, with several accessions to the church.

Preston, J. A. Jeffers, pastor. Benevolent collections all raised in full. \$480.35 raised on debt of churches and parsonage. Two chapters of the League and the Sunday Schools are all in a fair condition. Ministerial support paid in full and a large ingathering of precious souls.

Seaford, W. J. Hudson, pastor, was appointed to fill out the unexpired term of Brother D. J. Waters, deceased. He has done what he could under the circumstances.

ANNUAL MINUTES OF THE

Vienna, J. S. Willis, Pastor. Owing to the failing health of the pastor, and the condition of the work at this point, but little has been done. \$50 raised on debt of parsonage and a small part of the Benevolent collections.

Warwick, J. W. Bowling, pastor. \$15 raised on debt of church; some conversions and accessions. Benevolent collections raised in part.

Whaleyville, J. W. Hall, pastor. This charge is weak, but is improving slowly. Benevolent collections raised in part. Quite a large number have been added to the church. Two chapters of the Epworth League and the Sunday Schools are improving. \$27 have been raised on

Raised on the district this Conference year for building and improving churches, parsonages, and old debts, \$5,530.06; raised for the Episcopal Fund, \$84; raised for Conference claimants, \$102; Twentieth Century Thank Offering collection for a teachers' home at Princess Anne Academy, \$94; raised for our regular benevolent collections, \$1,185.25.

Nearly all the charges have raised a thank offering collection for the teachers' home at Princess Anne besides what have been raised for building, improvements and old debts.

I have attended all the quarterly conferences during the year except two, and preached on an average of two and three times every Sunday. The work has been very harmonious between presiding elder, pastors and people. The motto inscribed on our banners is "Love to God and all mankind," and our watchword is "Onward to victory."

Respectfully submitted, L. Y. COX.

Centreville District

The Conference year just closed has been to the Centreville District one of earnest labor, the results of which are woven into history. Discouraged by no obstacle, disheartened by no defeat, appalled by no danger, many devoted and loyal men and women have wrought for God.

Our ranks have been broken. Death has visited us. On the 27th of May, 1899, Father Asbury Grinnage, a superannuated brother who had preached the word for more than fifty years, fell asleep in Jesus.

The Rev. C. H. Hutchins, pastor of Trappe Charge, on the morning of February 6th, 1900, suddenly departed from us to be present with the Lord, while his wife was lying seriously ill.

Brothers D. A. Ridout and John W. Bond were each bereaved of an infant son. Several other brethren and their families have suffered sore affliction.

REVIVALS.

This has been with us a revival year. Nearly every charge has been blessed with a number of conversions. Some of the notoriously wicked in several towns have been converted and the constables have lost much of their business. We are thankful to report 900 conversions and 753 accessions. The churches have hearkened to the trumpet call of the Bishop and have put forth strenuous efforts to help bring to Jesus as a Twentieth Century Thank Offering, two million souls. The fire is still burning on our altars. We believe in the Holy Ghost.

BENEVOLENT COLLECTIONS.

For the third successive year the district passes the one million and a half line for missions, with an advance over last year in this and several of the other collections. Nearly every charge has raised something as a Twentieth Century Thank Offering to be applied to Princess Anne Academy. The partial failure of the oyster industry, which furnishes occupation to many of our people, has made it difficult at many of the appointments to raise money, but by the loyal and sacrificing efforts of pastors and people, we are able to make a fair report.

EPWORTH LEAGUE.

The Epworth League work is making some advancement but not as much as it ought to make. The spread of Epworth League literature will greatly help. We have 22 Epworth League chapters, and 943 members; 10 Junior Leagues and 495 members, and one District League. A District Convention was held at Denton June 22d, 1899 and proved profitable. Our classes for religious instruction are being merged into the Junior Leagues and effective work is being done. Many children are being brought to a saving knowledge of Jesus.

CAMP MEETINGS.

There were a few camp meetings held on this District, which proved a spiritual uplift. In every case the pastor and officials put forth earnest efforts to have the Sabbath strictly observed and the meetings spiritual and they reported a number of conversions. Several charges, however, seem slow to learn they cannot advance by disregarding the sanctity of the Sabbath. Trafficking on the Sabbath day to raise moneys for the church or any benevolent enterprise, is no more justifiable than stealing for the same purpose. It is God who says: "Remember the Sabbath day, to keep it holy." We must obey him. Partial obedience is displeasing to him. "Behold, to obey, is better than sacrifice." As lineal descendants of the old circuit riders—men who had convictions and the courage of their convictions, we cannot afford to hold our peace and give up the Lord's day at the demand of any set of men or women in or out of the church. We have a "Thus saith the Lord," and that should settle it for us.

No. We cannot retract. The church must teach by precept and example the Sabbath is not a holiday, but a holy day.

SUMMARY OF THE WORK.

Carmichael, C. W. Moore, pastor. This circuit was divided at the last Conference. It has now only two churches, but the wisdom of the change has been demonstrated by good work accomplished. The debt on the parsonage has been reduced, the benevolent collections raised in full and apportionments for ministerial support fully met.

Centreville has kept up her good record and reports 30 conversions. All her apportionments raised in full. W. J. Moore, pastor.

Centreville Circuit, a part of the old Carmichael charge, has completed the church at Corsica Neck, giving us at this point a neat and substantial structure. It was dedicated November 3d, 1899. Eighteen conversions and the churches flourishing in every department. Supplied by N. D. Scott.

Chestertown, D. A. Ridout, pastor, has done well and reports the benevolent collections in full and the claims for ministerial support fully met.

Church Hill Circuit has greatly reduced the debt on her parsonage and had fourteen accessions. J. E. A. D. Grigsby, pastor.

Coleman, with W. J. L. Hughes, pastor, more than holds her own and reports eighteen conversions, the largest Epworth League chapter on the district, and all apportionments fully met.

Denton has fought a good fight against great odds and reports an advance over last year in the benevolent collections. G. R. Hollis, pastor.

Easton has had a great revival and reports 137 conversions and 129 accessions, and the largest and most flourishing Sunday School on the district. J. W. Bond, pastor.

Fairlee Circuit, with J. W. Jefferson, pastor, reports her debt reduced and 28 conversions.

Greensboro Circuit though greatly embarrassed by her parsonage debt and the need of a new church at Greensboro has done well. She reports 33 conversions and an advance over last year in ministerial support and Benevolent collections. A. S. Amos, pastor.

Kent Island, with L. H. Martin, pastor, continues to advance and re-

ports 52 conversions and 40 accessions and one church repaired and all claims met.

McDanielstown. This circuit, though small, has undertaken and accomplished great things. They have built and furnished appropriately a fine seven-room parsonage and paid a large part of its cost.

Melitota, with P. T. Scott, pastor, has been greatly revived, and reports 53 conversions and 42 accessions, and the Mount Pisgah Church re-seated.

Oxford has had a revolution. Old debts amounting to \$215 have been paid. The Epworth League chapter has been resurrected, a Junior League formed, a parsonage purchased and a gracious revival; 100 conversions and 90 accessions. R. G. Riley, pastor.

Pomona, with A. L. Henry, pastor, has again done excellently. One church renovated at the cost of \$400 and paid for; a cemetery purchased, 40 conversions and all claims fully met partly tell the story of what has been wrought on this circuit.

Ridgely Circuit reports 52 conversions, her debt reduced and the collections in advance of last year. J. N. Waters, pastor.

Royal Oak Circuit, with L. E. Toulson, pastor, has had 63 conversions and 59 accessions. St. Paul Church has determined to build a new church, which is greatly needed. They have over \$600 in bank for the same. Three lots have been purchased at Bellevue to remove the St. Luke Church. I heartily endorse this movement as the settlement of people is at Bellevue.

St. Michaels is one of our strongest stations and continues to advance. She reports 61 conversions and \$426 paid on old debt. All collections raised in full. Here we have the largest and most flourishing Junior League on the district. J. R. Brinkley, pastor.

Skipton Circuit supplied by J. H. Cooper, has had 20 conversions and made an advance in benevolent collection over the last year.

Still Pond Circuit reports 15 conversions and continues in class first in both ministerial support and the Benevolent collections. Trappe Charge has done fair work. She received a great blow in sudden death of her pastor, the late Rev. C. H. Hutchins, who was succeeding grandly and would doubtless had her in class first, had he not received his summons to come up higher. The charge made a fair report of the Benevolent collections.

Williston Circuit, supplied by Samuel Coffman, reports one church repaired, debt on parsonage paid, 30 conversions and a great advance in the Benevolent collections over last year.

Wittman has repaired her parsonage and paid for the same and reports 15 conversions; an increase in all collections. R. H. Coleman pastor.

Woodland Circuit, with I. D. Pitts, pastor, has had a year of progress. She reports 61 conversions and increased Benevolent collections. These 24 appointments composing this district, have 55 churches; 3661 full members and 738 probationers, making a total of 4399 communicants, an increase over last year in members and probationers, 214. We have 56 Sunday Schools, 493 officers and teachers, and 252 scholars, valued at \$13,900. Our present indebtedness is \$5621. We have raised this year for building and improving, \$1940 and paid on old indebtedness \$2026. Raised for all benevolences and Conference collection, \$2074. an increase of \$240.

We have made an advance in ministerial support and added two parsonages. I have done what I could to advance the interest of the district on all lines. Grateful to God for innumerable blessings and thankful to pastors and people for hearty support and co-operation. I submit this, my third annual report.

JAMES H. SCOTT.

Philadelphia District

Dear Fathers and Brethren:—Another year is passed and we are face to face to recount the work done. My first report of the Philadelphia District shall be as short as the exigencies of the work will allow. My predecessors laid broad the foundation and commenced to build thereon with such earnest purpose, that generations yet unborn will reap larger benefits than the most sanguine may hope to realize. The work of the district for the most part is in a healthy condition. Peace prevails everywhere. Death has not entered our ranks; some of the brethren have been sorely afflicted. Brothers Blake and wife at Montclair, Dickerson at Magnolia, Johnson and wife at Salem Circuit, Waters at St. Paul and Grenloch, and Nutter and wife at Bainbridge Street, Dr. Monroe in the loss of a daughter; these have been all sorely tried, but the hand of the Lord has greatly sustained them and they all report again for work in the Lord's Vineyard. One good church has been secured, a number of missions organized and our indebtedness greatly reduced.

The most discouraging feature in the whole situation, is the deep rooted influence of the body debasing and soul damning liquor traffic. There is a little done to arrest this hydra-headed monster and enemy to all good, but my soul is sick and heart faint when I see the inroads that that form of iniquity is making upon our youth and maidens. Will the church stand still upon this awful crater and let the volcanic avalanche hurl the nation into the vortex of internal ruin? It will not come? Just as sure as Belshazzar was slain while leading a midnight debauch, something fearful will happen to this nation if the "grog-shop" is not stamped out. May the Lord save us from our worse enemy. The Epworth League work is being pushed with some vigor, and yet the results are meagre compared with the enthusiasm with which the work is carried on. The District Epworth League meeting at Montclair was a success in every point of view. The young people evince a growing interest in the spiritual work; the consensus of opinion is that this was one of the best meetings in the history of the League. This meeting certainly brought about a better understanding between our people in the lower and upper part of the district work and resulted in cementing together the coming church which will take hold of problems that are now somewhat perplexing and solve them without friction.

Germantown leads the district in the presentation and collecting the benevolence; 24 conversions, a good strong Epworth League and \$700 on old indebtedness. The spiritual interest greatly quickened.

Frankford has taken on new life under the magic spell of their good natured pastor who has served them faithfully for four years, and his return is greatly desired, that they may carry to completion a contemplated church building. Five converts, Benevolent apportionments full. From this rostrum the district banner floated last year, the charge reaching an average of ninety cents per member for Benevolences.

Some of the charges will be nearly 100 per cent. in advance of that in the next tabulated statement. An old Church Extension debt of long standing paid, and \$175.00 raised for building. Everybody is happy and join the pastor in praying the General Conference in its next session, to remove the time limit, so that he might stay on, at least till he hears the "billows roll."

The pastor at Delair and Waterloo met reverses at Waterloo, and had to retreat to the Jersey shore, from which he hopes to be removed to never come no more. Yet, despite the drawbacks the work at Delair has received a spiritual uplift, nine converts, and Benevolences raised.

The people at Haven think they have one of the greatest men in Philadelphia. The sweeping spiritual tide that passed over that part of the city, like a tidal wave of glory, brought 22 souls into the Master's kingdom. The old indebtedness has been reduced \$2246.17. This charge makes an excellent showing on all lines.

Bridgeton, the wheels dragged heavily the first of the year, but are now running smoothly, having been greased with the oil of kindness. Twelve persons have been converted, Benevolences provided for and the outlook for another year grand.

Salem. In this haven of peace pastor and people have moved steadily on, and victory has crowned their efforts. Five conversions, \$100 paid on old indebtedness and Benevolences provided for.

Salem Circuit is again taking on a new lease of life, harmony is being restored, pastor and people are looking forward to a more permanent work in the near future. Seven conversions, Benevolences looked after.

The work on Bridgeton Circuit received a mighty impetus through a tidal wave of religious fervor that passed over the whole circuit. Forty-two were converted and \$444 raised for improvement and old indebtedness, and the building occupied by the congregation in Bridgeton put upon permanent basis; at no distant day we will have a good station here equal to most of the stations in the district.

Merchantville has passed through a wonderful change. Many have asked cynically, "Can any good thing come out of Nazareth?" Philip's answer to Nathaniel has served these people well. Twenty-four came and saw and rejoiced in a personal Savior. Benevolences secured and \$102 paid on old indebtedness.

Cape May still survives the wreck of ages, although the breakers have beaten fearfully against the hull of the old ship, yet there is hope she will clear the breakers and sail out on the ocean of prosperity; here, too, the revival fire burned and 21 were added to the Lord's army.

Orange made an effort to pay off its entire indebtedness. The church members were to raise \$500; they secured \$318 and will finish up after the season opens. The church has been painted and everything looks promising for the future.

St. Daniels, Chester, is still looking toward Jerusalem, and the old apostolic fire burns on the altar. Twenty-two converts, all apportionments for benevolence raised; \$575 paid on improvement and old debts. Everybody is happy.

Grenloch and St. Pauls (St. Marks), has done the best years' work in its history, notwithstanding the pastor was sick for nearly two months. He reports Benevolence full; 12 converts. If a good site can be secured for St. Paul's Mission located now on Seventh Street near Walnut, in no distant day a good strong self-supporting church would be built up.

Mount Holly has covered herself with glory. Thirteen converted; \$155 paid on the old debt; Benevolences are full. This charge is in the race for the district banner. "They that run in a race run all, but one takes the prize."

Hudson. This church is located on Diamond Street, Hudson City, about 114 miles above New York City. Here we have a membership of 45, a fair church building, with no debt; a house along side of the church they propose to fix up for a parsonage. This would make Hudson a very desirable place. Here, if not too much engrossed with the things that weight you down, you may climb these beautiful mountain slopes, especially one peak that gives you a view into six states, just for turning; then over against you, you may look into the face of "Rip Van Winkle," carved in the fastnesses of the mountain. This would ravish any soul that has a mind to rise early enough to see "Old Sol" come up from behind the darkened chamber and dash his spray on the mountain side.

Bainbridge Street has had the most prosperous year for many. Revival fires rekindled on the altars; 31 conversions, the spiritual life of the members greatly quickened; \$1040 raised on improvements and old indebtedness. Benevolences full.

Sing Sing, N. Y. Here we have a membership of 21 worshipping in a church formerly used by the whites. It is offered to our people for \$3000. with a donation of \$1500. I think it would be a wise thing to secure the property for that struggling people. The site is worth what is asked for

it. What puzzles us is where to find the last \$1500. The pastor has had some success.

Chester, Siloam Memorial. Here we have had series of successes. The pastor took to himself a helpmate in the early part of the year. He has since bought a church on one of the main streets for \$3000, worth at least five, and paid on it \$600; then, as if to frown down obstacles, he finishes his course of theology at Drew with honors, being chosen to preach the closing sermon, in which he acquitted himself like a man. A bright future for the church and pastor if he keeps a plenty of ballast in the ship. Nine converts, Benevolences looked after.

Our new mission at New Haven, Conn., has done remarkably well. Fifteen converts; 24 added to the church, all Benevolences secure equal to apportionments. These people ought to have a church. A few hundred dollars would help them into a position that would greatly increase their usefulness.

The church at Atlantic City is making a heroic struggle to meet its financial obligations, with fine results. Six converts, five hundred dollars on the debt. Just now a large number of the members are very sick. They unanimously ask that the 38th session of the Delaware Annual Conference meet in that city, promising to give you a royal entertainment if you will only give them the opportunity.

The pastor at Rossville, N. Y., has worked hard, with meagre results, from the fact that this place is undergoing one of the most stringent financial conditions in forty years—attested by some of the oldest citizens. Our congregation here is small and the hope for immediate increase not very encouraging, yet we ought to keep this work going. It is located in greater New York and will be, I prophesy, within the next decade, thickly settled. The charge reports first class as to benevolences.

Zoar, the church in which we are assembled, has had remarkable success. \$1200 paid on improvements and old indebtedness. Present debt, \$11,500. This congregation has stood nobly with its pastor in making the brave fight to put the church on permanent financial basis. The crises are passed, and old Zoar has again unfurled her banner to the breeze of prosperity. These people deserve mention for their good taste in the renovation of the lecture room for our reception. On their behalf the most cordial welcome is extended to all visitors. All benevolent apportionments full.

St. Johns, Newark, N. J., is marching forward, peace prevails in its onward reach to permanent success. So far as the immediate church membership is concerned, there seems to be one aim and sturdy purpose; if a quietus could be put upon outside agitators a few years, in which the members of the church, who are working for the bettering the condition of the surrounding are not in sympathy, a very strong membership would be built up and the Lord would be glorified. Conversions, 7; \$380 for improvements and debt; the outlook is good.

Mount Clair, N. J., has had a prosperous year, notwithstanding the pastor's health was very poor. \$500 for indebtedness; all apportionments full.

Magnolia. This charge has had some success amidst of the pastor's very poor health, something raised on debts, and the connectional interest has not materially suffered. The showing indicates loyalty of purpose and unfaltering interest.

Harlem, N. Y. This mission has a bright future and if carefully fostered in the near future will become one of the leading churches in that great city.

John Wesley Mission, West Philadelphia, is doing a good work under very restricted circumstances. These people greatly need a church building; they have in hand about \$170 to buy as soon as an opportunity is offered. Quite a large number of our members are moving in that part of the city and settling permanently. The membership is about sixty; something collected on Benevolences.

Camden has done a good work by a special arrangement with the Church Extension Society, the debt has been conditionally reduced \$1880. New life has been infused in church life; pastor and people deserve special mention. Converts, 11; Benevolences looked after.

Number of full members, 3732; accessions, 482; number of probationers, 366; number of Epworth League chapters, 26; number of members, 1221. Raised for old indebtedness, \$9624.24; raised for improvements, \$2094.00; amount raised for Missions, \$817.00; present indebtedness, \$33,959.82.

We have mission work in Wood Street, Newark, N. J., that gives promise of usefulness; another above Montclair. Here the Methodists have kindly offered to allow us the use of their old church for our people; at least for the present. A local preacher has rendered good services at each of these places. Rev. Brother Lake, of the New Jersey Conference has kindly consented to give us a lot at Ocean City for a church building. We hope to get the house up before the season opens. Here is a splendid opportunity to do good work in summer for the present. There is a crying necessity for advanced missionary work on this district. Unless something is done to give church homes to the many hundreds of our church members that are settling in northern New Jersey, New York and Connecticut a very great many will be lost to our communion, in many cases to the church of Christ. There is a great opening for real work that will bring great results in the near future. If the Missionary Society can be induced to put a few thousand dollars in this field it would save to us the many hundreds that are leaving their homes in the south land, and look longingly for a Methodist Episcopal home, and, failing, sometimes drift entirely away. This Conference labors under many disadvantages that are not apparent to a casual observer. Our competition comes from within and without. Friends inadvertently do us a very great injustice by encroaching upon our bounds, and through their zeal to forward the cause that lies the closest to the end they have in view, represent their pet schemes, so as to impress others that the Delaware Conference is incompetent to take care of all the work that legitimately comes to it from its situation. I am sure that they do not mean to do us any injustice, but at the same time they rob us of our good name, the very richest thing that can come to a man, church or nation. The immortal words of Shakespeare never more fully express the feeling of an injured one than ours at this time, "He that steals my purse steals trash, but he that filches from me my good name robs me of that which ne'er enriches him but makes me poor indeed." Our situation is an unenviable one, not far enough south to get sympathy because of past conditions and church relations in the north peculiar to our condition is very greatly misunderstood, I fear, by the most enthusiastic advocate of equal advantages to all. Splendid theory, but those who know patient endurance, persistent effort and earnest work by those who have the same our people as no one who can know them except one who has the same blood coursing through his veins, is absolutely necessary to keep the race in an onward course. This work is committed to the Methodist Episcopal Church. I see the hand of the Lord shaping her course as clearly as she was seen in the van guard in the emancipation. I feel greatly indebted to the brethren of the district for their very kind consideration during this year, and pray earnestly that their lot may always be cast in pleasant places. I cannot close this report without referring to the increased interest of the sisters in the various phases of Missionary work and ask for them your hearty endorsement of the work that lies so close to their hearts, also your aid in their effort to organize and sustain the Woman's Home Missionary Society in connection with a Deaconess' Home. No more laudable enterprise was ever contemplated among us. May the Lord graciously sustain and guide you. A. R. SHOCKLY.

Salisbury District

In presenting this, my first annual report of the work of the Salisbury District, I desire to say that much credit is due my predecessor. I found the work well organized and in good condition. I was received most cordially by both pastors and people, and from the beginning to the end we have worked harmoniously together. The God of love and peace has been with us, and we can truly say that He has been our comforter by day and our song in the night; our hope, our salvation, our All. Nevertheless, while we have had our mornings of joy, we have had our nights of sadness.

The silent messenger of death has entered our ranks. Another link in the chain has been broken. On the tenth day of January, Brother Jas. H. Mason, pastor of Fruitland charge, was called from labor to his reward. Brother Mason had been ill for a long while, but never gave up; but labored and preached within a week of his death. It can be said of him that he died in the harness. He died in great peace. Brother M. H. Horsey will read the memoir. With this exception the life and health of the pastors and their families has been spared. But we pause again to note the sad death of Mrs. Portia E. Bird, widow of the late Prof. B. O. Bird, of Princess Anne Academy. Mrs. Bird was a grand woman. She was devoted to the educational work of the race, and all of her time and talent was spent in this direction, from the establishment of the academy in 1886 until the day of her death. The sadness of this death will appear when we say that she left nine children to mourn her loss, not one of them having as yet reached the majority of life. It would be a manifestation of sympathy if this Conference could by some means do something to help these children. Brother J. C. Dunn will read a suitable memoir.

The possibilities of the Salisbury District are great. I have remarked several times that it should be—and I say—it must be, the banner district of the eighteen colored Conferences in the Methodist Episcopal Church. We have a large, loyal membership numbering 5,132, with 1,037 probationers. The battle cry of the district in the start was a thousand converts. Thank God our cry was heard, and our prayers have been answered. It was thought by some that we were asking too largely, but we felt that we were only honoring God by asking largely, and He opened the very windows of heaven and poured out such blessings as we have never witnessed before in all the days of our life. 1047 have been turned from darkness to light; they have grounded the weapons of their rebellion, and have volunteered in the service in the army of the living God. They are now being drilled, and after the usual six months training we will have a force of about six thousand. With these we expect to march to the front, drive back the enemy and plant the old blood-stained banner on the very ramparts of hell. The powers of hell must be overthrown, and we, as Christian ministers and true followers of the Lord Jesus Christ, mean to conquer though we die.

BENEVOLENT COLLECTIONS.

My plan is to invite all the members of the church to attend the quarterly conference. The invitation is generally accepted, and many of our conferences are as largely attended as the Sunday services. This gives me an opportunity to talk to the people on the subject of Benevolences, and explain the work of each society. I find that this method is productive of much good. The collections are being taken with a great deal more ease. We have raised this year according to the reports of the pastors, for all benevolent purposes \$2,805.00, which is about \$650 increase over last year. Had it not been for the destruction of our church at Snow Hill, which made it impossible for the people to do anything scarcely for benevolent purposes, the increase would have been not less than \$750. At the same time we have raised for building and improving

ANNUAL MINUTES OF THE

church and parsonage property, \$5,840.00, which is an increase of \$4,928.00 over last year.

EPWORTH LEAGUE.

Our Epworth League work is moving along very nicely, especially in the towns. We held a very successful District Convention at Fairmount in the month of June. It was very largely attended, nearly every charge on the district being represented. Seven members of the District Convention attended the International Convention held at Indianapolis last July. The district has 30 chapters, with 1215 members.

EDUCATIONAL WORK.

A good year's work has been done at Princess Anne Academy. Dr. P. O'Connell, his efficient wife, and Prof. J. C. Dunn, are untiring in their labors to make the school what it should be in every particular. While thoroughness is required in literary work, special attention has been given to the spiritual and moral training of the students. The tidal wave of converting power which swept over the district found its way into the academy and during the month of January ten students were happily converted to God. The number of students enrolled this year was 82. The industrial department work is of a most gratifying character. Several young men in the printing department are doing good work. The new suits of clothes have been made this year by the students in the tailoring department. In carpentry they are making such things as bookcases, picture frames, and keeping up all the repairs around the academy. Great ability is also shown in shoe making and blacksmithing. The young women are being trained in cooking, in drafting dress patterns and practical sewing.

APPOINTMENTS.

Chincoteague. This appointment is strictly a mission, and should not be classed as a regular charge. The membership is small. J. W. Fenderson, the pastor, deserves great credit for the work done. He has attended this work and pursued the course of study in Morgan College, in which he will graduate this year. He is greatly beloved and enjoys the confidence of all the people, both white and colored.

Crisfield. This is one of the best appointments on the district. Brother J. Emory Webb, the pastor, has done exceedingly well. While there has been a year of depression owing to the scarcity of oysters—the principal industry of the people—he reports the collections in advance of last year, with 17 converts.

Dames Quarter. David H. Hargis, the pastor, like Brother Fenderson, has attended Morgan College and served the people so well that they do not want any one else. Brother Hargis is one of our coming young men. He has raised all of his apportionments and a glorious revival has been enjoyed resulting in the conversion of 47 precious souls.

Deals Island. J. A. Scott, the pastor, has done well under adverse circumstances. He is beloved by the people and brings a splendid report to the Conference.

Exmoor. This charge is in North Hampton county, Va., at the extreme southern end of the Conference. There is a good deal of missionary work to be done here before it will become self supporting. S. F. Ward has supplied this charge and has done fairly well.

Fairmount, well known to us as one of the best charges on the whole Conference. C. W. Pullett, the pastor, is a strong man, a workman that needeth not be ashamed. He has had to struggle through the hardest year almost, in the history of the place, owing to the failure of the men to only livelihood of the people, which caused nearly all of the men to leave home and go in every direction, some as far as North Carolina, in search of work. Brother Pullett followed his people and I do not believe any one could have done more than his report will show.

Fair Oaks. Charles Earle has supplied this work this year, and I can

say for him and his people, a good year's work has been done. About 50 have been converted and the collections are full.

Fruitland. Since the death of the pastor, Brother Charles Pullett has supplied the work, and notwithstanding he is one of the oldest members of the Conference he has done exceedingly well. The new church in course of erection, which was nearly completed before the death of Brother Mason, will remain a lasting monument to his memory. The people are loyal and true to the church. Father Pullett has collected nearly all of the apportionments and reports 17 converts.

Hopewell, E. D. Havens, pastor. Another man of intellectual ability and not lacking in other qualifications necessary to the success of the ministry. Like Crisfield and Fairmount, this charge suffered on account of the oyster famine, yet I think it will be seen from the report of the pastor the average year's work has been accomplished.

Jamestown. C. E. Henry, the pastor, is greatly beloved by all the people, and brings a splendid report. The Benevolences good and 20 converts.

Kingston, I. H. Johnson, pastor. The trustees at Curtis' Chapel have purchased a piece of land adjoining the church property containing about five acres and partly paid for the same. This is a strong circuit and if properly managed will be second to none.

Leemont. J. H. B. Hubbard, the pastor, and his people have done a year's work of a most gratifying character. The pastor's report will be among the very best of the district.

Marion. I. J. Elbert, the pastor, is a success. The word failure is not found in his vocabulary. Collections good, 35 accessions. The parsonage has been remodeled by the building of additional rooms.

Nanticoke. Martin Luther McKenny, the pastor, is the right man in the right place. This charge has been full of spiritual life the whole year. A great revival resulted in the conversion of 82. The benevolent collections all raised three months before Conference.

Oak Hall. After Martin Luther, comes John Wesley. This charge was supplied this year by John Wesley Waters. Something very remarkable occurred under his administration. On his arrival he found a most degrading state of immorality existing. He made a canvass and found twelve couple living together without being married. He declared that this would not be tolerated. He then put forth strenuous efforts to bring these people to account. He succeeded in causing every one of them to procure license, and while he could not perform the ceremony, not being a deacon, he had it done. Now John Wesley comes to the Conference with a good record and a grand report.

Oriole. T. B. H. Coleman, the pastor, has succeeded in paying off an old mortgage of long standing against the parsonage. The Benevolent collections are good; number of converts, 17.

Parsonburg. J. W. Cook, the pastor, will be heard when he reports. He is a planner and a worker, and will make the very best report ever made from this charge. Good revivals and collections all full.

Pocomoke City. J. H. Johnson, the pastor, was never known to fail. He is a good pastor. His people love him. The statistics will show a large sum of money paid on the debt of the new church. Benevolent collections will be full and the church flourishing.

Princess Anne has been resurrected. N. B. Snowden is a phenomenal success. This charge has been in great financial distress for years, but, thank God, the burden has been lifted to that extent that the people are encouraged. More than \$1600 has been raised for all purposes. Benevolent collections full and a glorious revival has crowned their labors, resulting in thirty-five converts.

Puncheon Landing. W. C. Bowland, the pastor, and his people, have worked harmoniously together. They have succeeded in building a much needed parsonage, conveniently located near the center church of the circuit. The charge is in good condition both spiritually and financially.

Quantico. J. S. Coulbourn, the pastor, and his people have been blessed with a wonderful out pouring of the Spirit of God. One hundred and ten have been added to the church, such as we trust shall be eternally saved. The collections are all full.

Salisbury. F. C. Wright, the pastor, is closing his third year very pleasantly. The church has enjoyed a year of prosperity; 21 have been converted, and they have had 30 accessions. The Benevolent collections have increased over last year.

Salisbury Circuit. B. W. Berry, pastor. To describe this man I will have to say what Sidney Smith said of Daniel Webster, that he is a steam engine in breeches. Brother Berry has done a marvelous work. He has increased the Benevolent collections more than three hundred per cent. over last year; had 15 converts, and his people can scarcely spare him to come to Conference.

Snow Hill. The people of this place were thrown into a state of consternation when, on the 16th of May, a severe storm swept over and the church was struck by lightning and totally destroyed. The pastor has worked hard to keep the people together. A new church is being built, which for strength and beauty will be among the finest in the Conference. \$1,420.00 has been raised on the new building.

Stockton. R. H. Boggs is closing his fifth year as a supply of this circuit. The church at Stockton has been remodeled. It has a vestibule, a recess pulpit and has been thoroughly renovated, and the church at Coldspring has also undergone repairs. He is a success.

Union. T. H. Kiah, the pastor, has served this charge in an acceptable manner, and at the same time attended the Princess Anne Academy. The reports from this appointment are good. The people all love their pastor, and are sorry to part with him, but he desires to be left without an appointment in order to take a course in theology in Morgan College.

Unionville. W. I. Bean, the pastor, has looked after every interest of the church. A debt on one of the churches, which has been a source of a great deal of uneasiness, has been so adjusted that it can be managed with perfect satisfaction to all concerned. The collections are in advance of last year. Number of converts, 10.

Wattsville. J. R. Holland, the pastor, has enjoyed the very best year in the history of this place. Both churches on this charge have been treated to a coat of paint and thoroughly renovated, rendering them as good as new. We held our Annual District Meeting at this place, at which time a glorious revival broke out, and continued until 63 were converted. Everything is brimming full.

White Haven. J. R. Hayward, the pastor, has done a splendid year's work. A parsonage of six rooms has been built, and the people have followed their pastor. This place has had the greatest revival of the district; 184 have been converted and the fire still burns upon the altars. The collections are raised in full.

Widgeon. C. E. Hemsley, the pastor, reports a good year's work along all lines. One of the best parsonages on the district has been built this year and is now occupied by the pastor. The return of the pastor is greatly desired by the people.

The East Side Mission, supplied by T. H. Winters, is in good condition and will soon be among the appointments if the work continues to grow as it has done this year.

This ends my report, and in closing I would say,

Forever let my grateful heart
In boundless grace adore,
Who gives ten thousand blessings now,
And bids me hope for more.

Respectfully submitted,

JOSEPH R. WATERS.

Wilmington District

With profound reverence and gratitude, we bow in acknowledgement of the blessing of Almighty God during this Conference year. It has not been one of continued sunshine. The gloom of death and the pallor of sickness, have added to the sorrows arising from other ills, common to all who struggle against the powers of sin. Death has thrice visited the home of Rev. S. W. Waters. He mourns the loss of a beloved wife, a babe, and a housekeeper. January 27th, this year, our hearts were made sad by the death of Rev. John W. Lankford, pastor of Whatcoat Church, Dover, Del. The entire community mourned with his wife the loss of her beloved. Suitable memoirs are prepared. The mortality of the district has exceeded that of last year. Deaths as follows: Old folks, 63; middle-aged, 26; children, 61; total, 150. These figures are in spite of the fact that our people are becoming more practical in the science of health. Social condition is entitled to but little apology, and is not irremediable. The remedy is in the hands of those who control public affairs, and our people themselves.

TEMPERANCE.

There is a sentiment among our people against the saloon, and if prayer alone were sufficient to remove the monster alcohol and its deadly work, its existence would be of short duration, but it is to be feared that the means necessary to create a sentiment sufficient to prohibit gambling, the use of intoxicants and other pernicious vices practiced among our people is sadly wanting. Temperance organizations are too few on the district. Committees have not been active in their line of work. It is with horror we note the diabolical effect of intemperance upon our boys and girls, which promises, if not checked, a generation of sots, imbeciles and libertines. My prayer is that we may be saved from this curse. I plead that the pulpit shall be more pronounced against intemperance, that the church shall rally to the aid of the pulpit in condemning, denouncing and dethroning this hydra-headed monster, give to Christ the right of way and lift a gain-said race from the depth of misery and shame to the heights of a pure moral atmosphere and prosperity.

CAMP MEETINGS.

Camp meetings are as much a menace as they are numerous. Conference resolutions and legislations with a view to their discontinuance has

had a result something like that of the ox feet upon the seeds scattered in the Jordan Valley. There is a remedy for camp meetings, that, in the end, will bring better results than the repeated attempts at extermination. At any rate, it is more within our reach. That is, a combined effort on the part of ministers and officials of all denominations to govern them strictly according to the rules of Sabbath observance and religious worship. It is best to govern, at least, what you can not stop.

MEMBERSHIP.

The unwelcome tidings of a decrease in membership of the Methodist Episcopal Church have caused us to search diligently the records of membership for the cause. Much is due, we find, to the careless and unofficial disposition too often made, of members. In order to avoid excessive taxation, or an over estimation of the strength of a church, leaders have assumed to eliminate from their books those who, in their judgment, are of little or no good to the church. While this is too small to be anything like the main cause, it is certainly an effective feature of that cause. Another cause that affects our rural membership is the constant emigration of the young folks to the cities to find society and work. Except these conditions, our church suffers not at all, in comparison with other churches in the same territory.

EPWORTH LEAGUE.

Epworth League work on the district is growing in interest and strength. Some of the hindrances to this most indispensable institution are slowly vanishing. The older members are coming to look upon it as a necessity, while the younger ones are regarding it as a pleasant service.

EDUCATIONAL WORK.

Educational facilities are on the increase in the state of Delaware. The standard fixed by the commissioners is a safeguard against the intrusion of inefficient teachers. The schools are open eight months in a year. The Delaware State College, of which Prof. W. C. Jason is president, the Howard School in Wilmington, are the principal centres of education. Cultured brains and fettered hands make a condition the result of which is seen in the idleness of our boys and girls after coming out of school. Booker T. Washington is not far out of the way in his plea for the training of the hand.

A mind that's trained should have command
Of a body strong and sound,
With equal training for the hand,
Complete and all around.
But educated hand and mind
With all that's great imbued,
Will go for naught, if they can't find
Some suitable work to do.

To free the mind and tie the hand,
The like result would bring,
As when a bird, uncaged, a plan
Is fixed to tie its wings.
We plead for every girl and boy
A liberal education;
A chance to all their skill employ
Without a limitation.

APPOINTMENTS.

Barclay, under the administration of Rev. William H. Hopkins, has had an exceedingly hard year. The want of harmony between pastor and

people has militated somewhat against the success of the work. The pastor, nevertheless, has worked hard, and has accomplished some things. Camden, Del. Rev. D. R. Dunn has had a year of marvelous success. All of the departments of the church are harmoniously working toward one chief and worthy end. He reports the charge clear of debt, a glorious revival resulting in 30 conversions, and Benevolences in advance of last year.

Catlin. This charge has sturdily held its own against many oppositions. The pastor has been in feeble health most of the year. In spite of all, he has kept unbroken his well earned record for solid and progressive work. A new parsonage has been built, which makes the point much more desirable and convenient. Benevolences are not full.

Chesterville has done well this year. One church has been repaired at a cost of \$175. The debt on another one has been greatly reduced. Benevolences are nearly full. Rev. B. F. Lowber is pastor.

Cheswold. This charge has been on the upgrade during the entire year. One church has been repaired, and all the debts paid. Sixty-seven souls were converted, church greatly strengthened, Benevolences not full, but in advance of last year. C. A. Norwood is pastor.

Crumpton. Here what seemed impossible has been done—a new parsonage, that would do credit to some of our larger churches, has been built, and partly paid for. Conversions, 30; Benevolences in advance of last year. L. T. Robbins, pastor.

Delaware City. This charge is a specimen of too many in our Conference, where the work is not able to support a minister and his family. It has a membership of only 26. The report from that place will be the result of unusually hard toiling and self sacrifice. C. L. Davis, pastor.

Dover. Here the night of death overtook a brave workman, while in great earnest to accomplish the work of his charge. Though sick all the year, he heeded no advice to cease work, but toiled on until he sank in the grave. His foot prints are still seen in the path of duty, his touch is yet being felt by the church.

Like the sun at eve,
When sinking behind the hills,
The glory which he leaves
Is shining brightly still.

Bishop Foss was consulted, and Prof. W. C. Jason, president of Dover State College, was asked to take charge of the work. Notwithstanding the fact that the pastor with plans all laid for the completion of the work was called from the field just about two months before Conference, leaving his flock shocked and hopeless, Rev. Jason brings up a report which is beyond all expectation, and what is more glorious, he has served the church without any compensation, for the purpose of allowing the stewards to pay to the widow the balance of the salary due her husband for the Conference year.

Galena. This charge is thoroughly alive. The old debt has been reduced, and all the apportionments paid in full. Conversions, 10. G. T. Townsend, pastor.

Kirkwood. Here success has been defeated by disagreements in small matters, and failure to make use of opportunities. The pastor has been very anxious and has done well under the circumstances. Conversions, 51. Benevolences not full. S. W. Waters, pastor.

Marydel. This charge has more than held its own. Old debts all paid, 35 conversions, and Benevolences in advance of last year. J. K. Adams is pastor.

Middletown. This charge has risen from ordinary to extraordinary. A new church has been built at a cost of \$3000. It has a seating capacity for 300 people. \$2100 have been paid, and a balance of \$900 is fixed on easy yearly installment. A glorious revival began last January, and 60

were converted. The church is spiritually alive. Benevolences not full. M. H. Horsey pastor.

Millington. The people of this place were badly disappointed in not getting the return of their pastor for another year, and felt disinclined toward his successor. A hard struggle at the beginning of the year was the result. The pastor is a strong man, and by the help of God, was able to overcome. He brings to this Conference a good report. The people, true to the past record, united early in the year to accomplish the work done. Benevolent collections are not as the pastor desired, but something has been done. Ten persons have been converted, and the church is revived. A. J. Wallace is pastor.

New Castle. This charge has taken on new life. Early in the Conference year, much needed improvements were begun on the church building. The interior was beautifully renovated at a cost of \$222.40, the most of which has been paid. A wonderful revival swept over the whole town. Fifty-one souls were converted and the church is alive from the pulpit to the door. Benevolences and salary are not full, owing to the closing of mills and factories. A. F. Ennels is pastor.

Newport. This charge has done well this year. The pastor has excelled his former record. Benevolences are in advance and the church is much strengthened. P. W. Price is pastor.

Odessa has kept pace with other years, and in some respects, excelled. The debts are well under control, Benevolences are in advance of last year; \$225 have been paid on old debt; conversions, 3. C. J. Hall is pastor.

Port Deposit. A creditable work has been done here this year, under very unfavorable circumstances. The pastor has worked hard. Benevolences are not full. W. E. Waters is pastor.

Sassafras. A good year's work has been done. The pastor is a successful man. A good parsonage has been secured; something raised on all the benevolent apportionments; old debt has been reduced. S. A. Earl is pastor.

Smyrna. This charge has done well under the circumstances. A long standing debt has discouraged the people, a good work has been done, as reports will show. The pastor, J. E. Cook is full of zeal and asks for a chance.

Townsend. A great work has been done at this place. Revival fires were kindled in the beginning of the year, and are still burning. The pastor is a true man, and always succeeds. Benevolences are nearly all full. Conversions, 53. Wm. H. Johnson is pastor.

Ezion. This Gibraltar of Methodism has not gone back one inch. The success this year has been marvelous. The church is thoroughly organized. The old debt has been reduced \$1000. Benevolences all full. The pastor, J. R. Brown, is a strong preacher and a good man. His return is asked for.

Haven. Here is demonstrated the potency of silent forces. Without much noise this church has held its own in the western part of Wilmington. The people are well organized, and are alive to all the interests of the church. Benevolences in advance of last year. Conversions, 32. J. W. Cox, the pastor, is a strong man and a good preacher.

Mount Joy. If during the last eight years the name of this church has been a misnomer, it is not so now. A complete revolution has taken place. The people are united, the church is crowded, and the Holy Spirit is filling His temple. Thirty-two have been converted; \$376 have been paid on old debt; Benevolences are all full. J. H. Winters is a power such as South Wilmington needs.

Hockessin. This mission, at the beginning of the Conference year, showed signs of hasty consumption. It soon began, however, to take on new life, and reports a wonderful success. From a membership of 11, the records show 42. The foundation for a new church is laid, all the debts paid, and \$25 in bank. They raised in all, \$410; conversions, 11.

William H. Turner, a local preacher, has supplied the work this year. All the people of the place ask for his return.

My predecessor is worthy of praise for the plan of the work he submitted at the close of the last Conference year. The harvest tells that he sowed well. I am just from the jungles of a six-year old district; the difficulty of finding my way whither I had not before traveled, has been greater than I can tell. From the heating confusions of a thousand perplexities and burdens that require a strength herculean, I step forward to wave to you a palm of victorious triumph in the name of the mighty God of Jacob. From the wiles of the devil we have taken for God 670 souls. We have laid upon the altar for Benevolences \$1601; for old debts, \$2854.71; for improvements, \$1254.71; for all purposes \$20,773.29.

We are indebted to the pastors, their wives and the people of the district for kindest treatment this year. We have found them loyal and liberal. God leads and the Wilmington District follows. Faithfully submitted,

CHARLES ALBERT TINDLEY.

Dunn read a touching tribute to the memory of Mrs. Portia Bird, formerly principal of Princess Anne Academy. The following made remarks on the life and services of the deceased: M. H. Horsey, on Asbury Grinnage; W. C. Jason, on John W. Lankford.

Memoirs

CHARLES H. HUTCHINS.

Charles H. Hutchins was born in Queen Anne county, Md., May 1, 1842. On the first Sunday in May, 1863, in the Roseville M. E. Church, he was happily converted.

When this country was in danger of dismemberment, Charles H. Hutchins was one of the stalwart sons of Ham whose patriotism prompted him to put his life at the country's disposal, for the preservation of the Union. He found his place in the 39th Maryland Regiment, U. S. Colored Troops, and for two years—'64 and '65—served the cause of union and liberty.

In 1866, October 25, he was united in wedlock to Miss Frances A. Winchester. This was a very happy union, and was blest with six boys and three girls. In 1896 Mrs. Frances Hutchins was taken to her reward. September 21, 1897, Bro. Hutchins led Mrs. Mollie Gordon to the altar, who, with two children, survives him.

He began his ministry in the A. M. E. Church, but in 1881 he joined the Delaware Conference, and has filled most acceptably the following charges: Pomona, Millington, Church Hill, Berlin, Greensboro, Still Pond, Smyrna, East New Market, Deal's Island, Crumpton and Trappe.

The circumstances surrounding the demise of this noble workman were very distressing. Mrs. Hutchins lay desperately ill. The doctor, despairing of her life, requested Bro. Hutchins to accompany him to his office for a remedy. The physician found it necessary to leave the office for a moment, and on his return, found the prostrate form of our brother prone upon the floor. Remedies were applied, but of no avail. The messenger had come. He had finished his course, kept the faith, and the time of his departure was at hand. He quickly and easily breathed his last.

Brother Hutchins was an earnest, painstaking and effective preacher; a progressive and faithful worker. He studied, believed and preached the Bible as the Word of God. He was genial and kind in disposition, devoted to the improvement, and thoroughly alive to the interests of his children. He was unassuming and gentle in manner—a thorough gentleman, a devoted Christian. Short was the summons, but we believe it found him ready.

Servant of God, well done;
Thy glorious warfare's past.
The battle's fought, the race is won,
And thou art crowned at last.

JAMES H. MASON.

The son of Thomas and Hester Mason, was born near Fredrica, Kent county, Delaware, in the year of 1842, and worked with his father, who was connected with the "underground railroad," on the farm. Afterward he lived in Philadelphia and held his membership in the A. M. E. Church, the church of his father's choice, and was class leader for many years.

He was married to Miss Hankins, who preceded him about one year. After some years he entered the ministry of the A. M. E. Church, where he worked faithfully for several years. He joined the Delaware Conference at its session held in Cambridge, Maryland, July, 1879. He was ordained Deacon at Snow Hill, by Bishop W. L. Harris, and having finished the course of study, was ordained Elder, at Ezion, Wilmington, in 1883, by Bishop Andrews. He faithfully filled the following charges: 1879-81, Townsend; 1882-83, Odessa; 1884-86, Still Pond; Easton, Md.; 1887-89, Chestertown; 1890-91, Pocomoke City; 1892-98, Smyrna, Del.; 1898-99, he went to Fruitland, where he closed his work on earth, on the 10th of January, 1900, leaving two adopted daughters. Just before he died he called his family around him and asked them to pray and sing. He called Elder Waters and said, "Don't you see the angels in this room? They are all around me." And, looking, he said, "Tell the boys to preach the Gospel. Tell them I say not Paul, but Mason, says, 'I have fought a good fight. I am now ready. That is all I have to say,' and in a few minutes passed away.

JOHN W. LANKFORD.

Rev. John W. Lankford, the son of Easter and Smith Lankford, was born in Green Hill, Somerset county, Md., in the year 1863.

He entered the public school at an early age, and soon gave evidence of a strong mind and a desire to obtain an education. He steadily advanced, step by step, and year by year, until he soon found himself at the head of the highest class in the school, and went out to do proficient work as a teacher in the day school. He was converted to God and joined the Methodist Episcopal Church. He was soon licensed as an exhorter by the late H. T. Rich, and a local preacher by the late Abraham Brown, and having a desire to better prepare himself for the work of the church to which he felt divinely called, he entered the Centenary Biblical Institute, now Morgan College.

While in the Institute he bade fair, and gave signs to become a great preacher and often preached in many of the largest churches in Baltimore City. He was received into the Delaware Conference in 1884, and served acceptably the following charges: Chincoteague Island, Seaford, Laurel, Smyrna, Germantown, Frankford, Cambridge, Wilmington, Haven and Dover, where, on the 27th of January, 1900, he fell asleep in the arms of Jesus and went up to answer the roll-call on high.

Bro. Lankford was twice married, and leaves a widow and two children to mourn his loss. He was a devoted husband, a kind and loving father. His church, family and home, were the objects for which he seemed to live. Truly a Prince hath fallen in Israel.

Who are these arrayed in white,
Brighter than the noon-day sun,
Foremost of the sons of light,
Nearest the eternal throne?
These are they that love the cross,
Nobly for their Master stood;
Sufferers in his righteous cause,
Followers of the dying God.
W. E. HILTON.

ASBURY GRINNAGE.

Asbury Grinnage, the son of Jesse and Queen Morocco Grinnage, was born on Kent Island, Queen Anne county, Md., October 15th, 1819. The old circuit riders passed through this part of the country, preached the gospel, and the boy Asbury heard the glad tidings and was converted. Dark as was the time of his youth, great as were the obstacles in the way of his learning, he rested not until he was able to read the Bible and the

Methodist Hymn Book. He stored his mind with passages of scripture and verses of hymns, and these he had at his fingers end.

When but a young man he hearkened to the voice of God and began to preach. This soon became his only business—to preach Christ and Him crucified. With great delight he went as a local preacher proclaiming the gospel, and holding religious meetings among his people wherever a door opened. So earnest and faithful was he for more than fifty years preaching and beseeching men, in Christ's stead, to be reconciled to God, that he became one of the best known and revered preachers of African descent in the larger part of Eastern Shore, Maryland.

In 1866, two years after its organization, he was received on trial in the Delaware Annual Conference, and has served the following appointments: Friendship, 3 years; Hillsboro, 2 years; Greensboro, 3 years; Fairlee, 3 years; Marydel, 2 years; Talbot Circuit (comprised of what is now called Woodland and Royal Oak Circuit), 3 years; Crumpton, 1 year; Skipton, 2 years; Sassafras, 1 year. In 1888 he asked and was granted a superannuated relation.

The twenty-two years of his life as a pastor and effective member of the Conference were crowned with noted success. He was a soul winner; great revivals swept over the charges he served. God blessed his ministration. Remarkable as a preacher, having a great memory and being a good reasoner, he was very acceptable. He preached for the churches at the request of pastors, three times a Sunday almost to the time of his death. He was constant in demand. He carried sunshine in his face and in his life. His brethren, both old and young, were glad to have him around. They had no fears that he would do or say anything to their detriment.

He was twice married, his first wife, Milly Heath, with whom he lived twelve years, departed forty-five years ahead of him for the better land, leaving two children, who survive her. His second wife, Phoebe Jones, with whom he lived 44 years, mourns his loss. At home he was pleasant and cheerful, and to know him best was to tarry with him there.

On the morning of May 27th, 1899, Asbury Grinnage, who had been traveling for more than sixty years towards the heavenly country, reached home—home at last. Oh, the blessed comfort of fellowship with Jesus; realization of the inheritance of the saints in light.

DANIEL JAMES WATERS.

This hero fought well and conquered.

Daniel James Waters, the son of Joshua and Leah Waters, was born at Fairmount, Somerset county, Maryland, in the year of our Lord, 1824. He died in the triumph of faith August 5th, 1899, at 7 o'clock P. M. He was converted at the age of 18, and he immediately attached himself to the Methodist Episcopal Church, where he remained a faithful member until he was called to his reward above.

He was united in holy matrimony with that elect lady, Fanny Fountain, at the age of 21 years, in 1845. This was one of the finest unions in marriage of the nineteenth century, for all of us who knew them will say this woman was given to him by the Lord. She bore him ten children, which composed the union of one of the most interesting Christian families in Methodism. Blessed is that man that ever heard the singing of that family around the family altar. Seven of those precious children preceded mother and father in reaching the glory land.

Early in life young Daniel became an example amongst the young men of his class, and it was by the fortitude of this man and others, that the local option law was established in Fairmount, Md.

The gifts of God to him, sanctified by grace, caused him to be licensed a local preacher, and although deprived of an education in early life, he became a good reader, and a very acceptable preacher. In 1870 we became acquainted with him, being appointed pastor of Fairmount that

year. He made application for admission into the traveling connection, and was received into the Delaware Conference in 1872 and ordained by Bishop Levi Scott. He served with dignity, and great acceptability the following appointments: Millington, Md., 3 years; Centreville, 3 years; Milford, 3 years; Trappe, 3 years; Odessa, Del., 2 years; Milford, (second time), 2 years; East New Market, Md., 2 years; Madison, Md., 4 years; Bridgeville, 3 years; Seaford, Del., 2 years and 4 months.

To know Daniel J. Waters was to love him. His Christian character and untiring zeal for the cause of Christ won all persons to him. Mr. Hamilton, of Fairmount, Md., who in 1864 to 1876 had about 350 persons employed, said to me, "That man can do more work and do more preaching than any man I ever knew." Therefore, all the people loved him. His home was a palace. The pulpit was his throne, and all of his life work was the extension of the kingdom of Christ. The Rev. R. R. Stephenson, pastor of the M. E. Church (white), in Seaford, Del., was a constant visitor at his bedside during his last illness, and on every visit he told him how it was with him, rejoicing in the Lord. "He died as he lived," said his son, and that was in Christ. Brothers of the Delaware Conference, and Church of the living God, as we stand under the shadow of the cross, watching the chariot that has borne him away, and as he drops the mantle and fades out of sight, may we pray God that it may fall upon that son which, or was, the apple of his eye, and that we may all be in that reunion above.

MRS. PORTIA E. BIRD.

Two years ago the writer of this sketch prepared and read a paper touching the life and character of one well known and much loved by all of the members of this Conference, indeed by all that knew him—B. O. Bird. "The other half of his soul" has joined him in that school, higher and larger than that in which they labored here fitting boys and girls to be men and women of worth.

Portia E. Bird was born near Perryville, Clarke county, Va., February 10, 1859. Her early life was spent on a farm, where, among the hills and valleys, she listened to the songs of the birds, till she could surpass them in the sweetness of song. She gained a love of nature by listening to its teaching, that ever followed her.

Her parents being anxious to give her an education, entered her as a student at Storer College, Harper's Ferry, W. Va., as soon as she was old enough to remain from home. She accordingly graduated very young. After graduation she spent a few years teaching in Rockingham county, Virginia, but most of the years prior to her marriage were spent singing with a company to secure money to build one of the halls now standing at Storer College.

September 29, 1880, Miss Lovett was united in marriage to the late Prof. B. O. Bird. This sacred union lasted for nearly seventeen years. Their nine children survive to cherish the memory of the most affectionate and indulgent of mothers. There never was a happier union.

Mrs. Bird was a model wife and mother. Her husband received her hearty co-operation in all of his efforts. When he was ordered to a new, untried field, and difficulties, even poverty, stared them in the face, she never faltered or murmured. Conscious of her husband's pure motives, he led, helping him with all of her energy. As a teacher, she excelled, always making clear the subject in hand. As an instructor in special subjects, as physiology and elocution, her equal is rare. She will always be remembered for her work in these departments. What impressed her pupils most was the sincerity of her character and the dignity of her womanhood. She was a born queen, withal a woman. Her interest in the students never ceased. She was their personal friend all of the time. No human power can estimate the influence which this queenly little

woman has wielded and now wields in the homes, school houses and churches within the bounds of this Conference. Her advice and counsel were sought upon all subjects, and always freely and wisely given.

It has not been our pleasure to meet a woman more widely read than was Mrs. Bird. She kept herself well informed upon all the topics of the day. She was an ardent student, finding great pleasure in keeping her mind ever on the alert for the untried and difficult.

She was a soprano singer of rare accomplishment. Until advised to forbear by her physician, she was an efficient member of the choir of her church, and in her home often delighted her friends by the sweetest of music.

Born of Episcopal parents, she was a member of that church until her marriage, when she united herself with the Methodist Episcopal Church of which she was a faithful member until her demise.

Her last days were bright and peaceful. She bore her sickness bravely. She was not conscious of the end, but when asked about her hope replied, "I attended to that matter years ago." She has often been heard to say, "I have no concern about death, it is all important to live well."

At 4.25 P. M., Saturday, November 25, 1899, "She was not, for God took her." The funeral service was held in the Metropolitan Church, Princess Anne. Addresses were delivered by Reys. F. J. Wagner, D.D., S. S. Jolly, P. O'Connell, Ph.D., and W. J. Moore. Suitable resolutions were read on behalf of the Alumni Association by D. H. Hargis.

Any analysis of Mrs. Bird's character would be incomplete that did not mention her benevolence. No one in Princess Anne mourns her loss quite as much as the aged and poor. Her well filled basket was often at the door of some one in need. She was an exalted type of the Christian woman, refined, polite and loved by all who knew her well.

ARTICLE III. Membership.

Sec. 1. All members and probationers of the Delaware Conference may become members of this Society by the payment of One Dollar (\$1.00) membership fee to the secretary.

Sec. 2. Supplies engaged in the regular work, and who have been employed by the Presiding Elder for at least two years previous, can become members on the above conditions.

Sec. 3. No application will be received from any preacher while under medical treatment and confined to his room. (Adopted 1897, Easton, Md.)

ARTICLE IV. Officers.

Sec. 1. The officers of this Society shall consist of a President, one Vice-President from each Presiding Elder's district; Secretary and Treasurer, and these officers, in connection with the Presiding Elders of the Delaware Conference, shall constitute a Board of Control.

Sec. 2. The President, Vice-Presidents, Secretary and Treasurer, shall be elected at the Annual Meeting, and shall serve for one year, or until their successors are duly elected and qualified.

Sec. 3. Vacancies in any office caused by death, resignation, forfeiture of membership or inability to perform the duties thereof, may be filled by the Board of Control in the interval between the Annual Conference sessions.

Sec. 4. The president shall preside at the Annual Meetings of the Society, and the meetings of the Board of Control, and shall have power to call a special meeting of the latter body, when in the judgment of five of its members, it is imperatively needed. He shall perform the usual functions of a presiding officer, sign all official papers, except notices issued by the Secretary, all orders on the Treasurer, and shall make a written report to the Society at its Annual Meeting.

Sec. 5. The Vice-Presidents shall secure and be responsible for the correct mailing addresses of the members of the Society situated on the district represented by them, and send the same to the secretary within

thirty days after the close of the Annual Conference session. A Vice-President whose appointment removes him to another district, shall serve in the interest of the district he was appointed from, until the next session of the Conference. He shall preside over the meetings in the absence of the President, and in the event of the President's inability to discharge the duties of the office, one of the Vice-Presidents shall exercise the same, when designated by a majority of the Board of Control. He shall perform all the duties assigned to a Presiding Elder on his district, when said Presiding Elder is not a member of the Society, or is unable or unwilling to perform the same.

Sec. 6. The Secretary shall keep a correct account of the proceedings, membership, accounts, etc., of the Society, and prepare a report of the same for incorporation in the Annual Report of the President. He shall issue all notices required, and sign all orders on the Treasurer when authorized by the President; issue certificates of membership, and perform such other clerical duties as are required by the Board of Control. He shall collect and turn over to the Treasurer all membership fees, funeral dues, and assessments, within ten (10) days after their receipt, and take the Treasurer's acknowledgement for the same.

Sec. 7. The Treasurer shall receive all moneys from the secretary and keep and accurate and separate account of the same, as well as of all moneys paid out, and shall present a detailed report to the Society at its Annual Meeting. He shall only pay out money on orders properly signed by the President and Secretary, or in special cases when ordered by a majority of the Board of Control.

Sec. 8. The Board of Control shall have general oversight of the affairs of the Society, with power to fill vacancies in official positions in the interval between conference sessions. They may make any rules for their guidance not inconsistent with the Constitution and By-Laws of the Society, and shall have power in cases of extreme need, during illness of a member, to order a draft on the Reserved Fund of not more than Ten Dollars (\$10.00), in any one case, and not more than fifty per cent. of the whole amount in reserve.

ARTICLE V. Meetings.

Sec. 1. This Society shall hold its annual meeting at the seat of the Delaware Conference on the afternoon of the second day's session, at which time officers shall be elected, reports read and such other business attended to, as may properly come before the meeting. If the time above stated is otherwise occupied, it shall be lawful for the Board of Control to arrange for a meeting at another time during the Annual Conference session.

Sec. 2. The Board of Control shall hold its Annual Session at the same place, one hour before the regular meeting of the Society. All action of the Board of Control taken in the interval of the Conference session, must be presented to the Society through the President's report for approval at the Annual Meeting of the Society which follows.

Sec. 3. Special meetings of the Board of Control may be called when necessary, at the request of five members of the Board.

ARTICLE VI. Fees and Assessments.

Sec. 1. Membership Fees are placed at One Dollar (\$1.00), for each person, and must be paid to the secretary before enrolling the name. In return, the secretary shall issue a certificate of membership in the Society to the applicant.

Sec. 2. In the event of the death of a member of the Society, it shall be the duty of the Presiding Elder of the District to immediately notify the Secretary of the same, and if the Reserve Fund is less than One Hundred and Fifty Dollars (\$150), (See Sec. 3, Article VIII), the Secretary shall issue at once the regular assessment notice to every surviving member of the Society, which notice calls for the payment of One Dollar (\$1)

within twenty days after the date of the notice, to be forwarded to the Secretary, who will give individual receipts for the same.

Sec. 3. Twenty-one days after the issuing of the call, the Secretary shall report to the Treasurer and President the exact amount of money collected by the assessment, and a draft for the entire amount, less Ten Per Cent. shall be made by the President and signed by the Secretary, upon the Treasurer, and this draft shall be forwarded to the Presiding Elder of the district where the deceased resided, who shall collect the same and pay it over to the legal representatives of the deceased, provided, that decent and respectable burial has been accorded the remains of the deceased member, and there is reasonable guarantee that the money given by the Society shall be applied to the discharge of the funeral expenses first.

Sec. 4. In case of doubt as to securing proper interment for a deceased member, or the proper use of the money appropriated toward the same, it shall be required of the Presiding Elder (or if he is unable, the District Vice-President), that he should assume direction of and responsibility for the same, provided that the Society shall not be responsible for more than the amount due the deceased, according to Article VII, Section 1.

Sec. 5. In cases of extreme necessity or urgent demand, it shall be lawful for the president, upon the request of the Presiding Elder and District Vice-President, to issue a draft for not more than Fifty Per Cent. of the probable amount accruing from an assessment (judged from the number of members in good standing, and the standing of the deceased), and such draft may be made payable at sight, out of such funds as are in the Treasury, provided, that said amount advanced be replaced in the Reserve Fund immediately after the receipts from the assessment have been collected.

Sec. 6. All claims against the Society for death benefits shall terminate in ninety (90) days after the issuing of the first call for assessment due, and final settlements of the amount lawfully due beneficiaries must be made by that time. Payments on account of assessment after that date are placed in the Reserve Fund, as having lapsed. (Adopted 1899, at Milford, Del.)

ARTICLE VII. Forfeitures.

Sec. 1. Any member refusing or neglecting to pay the assessment calls made by the Secretary, will forfeit his right to aid from the Society, in the following proportion:

Failing to pay one assessment, one-fourth of the amount due from the assessment made at his death.

Failing to pay two assessments, one-half of the amount due from the assessment made at his death.

Failing to pay three assessments, three-fourths of the amount due from the assessment made at his death.

Failing to pay four assessments, will result in entire forfeiture of membership and all privileges thereafter.

Sec. 2. Any member forfeiting membership by refusing to pay his assessments, can only be reinstated by making a new application for membership, and in addition to his membership fee, paying in full the four assessments uncollected.

Sec. 3. Suspension of a member by, or expulsion from, his Conference for immoral conduct, or withdrawal from his Conference under charges, shall work forfeiture of all rights and privileges of membership, but location, or transfer to another Conference shall not affect membership in this Society, provided that probationers discontinued, or supplies dropped from the regular work, forfeit their membership unless they retain and use a Local Preacher's license in the Methodist Episcopal Church.

Sec. 4. Inasmuch as the whole life of this Society depends upon the collection of assessments from every member of it, it shall not be lawful for the Society to change the plan of payment to delinquent members in

Section 1 of this Article, nor to relax the penalties provided for in Section 1, 2, and 3 of this Article.

ARTICLE VIII. Reserve Fund.

Sec. 1. A Reserve Fund shall be formed out of the surplus accruing from membership fees, forfeitures, etc., after paying the expenses of administration, such as postage, printing, etc., which shall be held by the Treasurer to be applied at the discretion of the Society, as follows: Under Section 5 of Article VII where advance payments are loaned in cases of urgent necessity, and secondly, in cases of extreme need, (occurring in the illness of members in full standing, only), to pay out, by vote of a majority of the Board of Control, on request of the Presiding Elder of the District, or the District Vice-President, sums of not more than \$10 to any one case, provided the amount donated shall not exceed Fifty Per Cent. of the entire Fund.

Sec. 2. No draft upon Reserve Fund shall be honored except for causes above stated, and only for a member in full standing, nor for any other cause than extreme illness and consequent financial suffering.

Sec. 3. Whenever the Reserve Fund shall reach the sum of One Hundred and Fifty Dollars (\$150), the Secretary shall notify the President of the fact before sending out the assessment notices for the next death, and it shall be lawful for the President and Secretary to issue a draft upon the Treasurer for as many dollars as there are members in full standing (less Ten Per Cent. of the whole number), and have the same paid to the Presiding Elder to be applied as specified in Article VI, Sections 3 and 4. Whenever the condition of the Reserve Fund allows this to be done, no assessment shall be levied upon the members.

ARTICLE IX. Amendments.

Sec. 1. This Constitution and By-Laws can be amended by a two-thirds vote of the Board of Control, subject to the approval of the next Annual Meeting of the Society, but no By-Law shall be enacted altering the terms of membership so as to admit Local Preachers or Laymen, other than as specified in Article II, Section 2. Also, no alteration of the Reserve Fund plan shall be made, nor any extension of its aid given to cases other than those specified in Article VIII.

Sec. 2. Nothing in this Constitution shall be so construed as to prevent the Society from establishing a separate plan for Sick Relief and Burial Benefits, provided, that this present plan for Burial Benefits be maintained intact, and that under no circumstances shall funds be diverted from one branch of the Society to the other.

ARTICLE X. Salaries.

Sec. 1. No salaries are to be paid the officers or members of this Society except in the case of the Secretary, who shall receive \$10 per year.

Sec. 2. All other expenses incurred in the service of the Society, strictly, shall be paid out of the Ten Per Cent. deducted from each assessment, and any excess which this fails to meet, out of the Reserve Fund.

Sec. 3. Bills must be approved by the President, Secretary and at least two members of the Board of Control before they can be paid by the Treasurer.

STATE OF THE CHURCH.

Out of the burden of groans about the apparent decline in our church, we find a consolation in the fact that our own conference has lent no contribution to this defection. Not that we have failed to weed out the useless portion of the membership, as required, but that success came through the earnest, continuous appeal to men to "flee from the wrath to come." Everywhere, even in places where there has been an obdurate coldness, there have been ever glorious awakenings. The pulpit has not yielded to the pressure of modern scholasticism which evidences itself in higher criticism, theological pendency and the like, but there has been a conscious ardor for and devotion to the fact that there is power in the "glorious gospel of the blessed God." These revivals have not been empty enthusiasm, much less sordid fanaticism, but it has been where men were compelled to feel that "their hearts were strangely warmed." Far better results would obtain if our brethren would not have a period for revival, where people knowing the thing, expect it thus having their devotions degenerate often into customary action, where it is hard to move them from the same rut. We ought, then, to be always anxious and ever busy that men be saved.

Our increased liberality in deference to benevolences is a clear indication of broadening ideas, and open hearts.

A new and more efficient co-operation of the laymen in the management of the churches has brought about a larger payment of debt in such a way that it does not now often drag and annoy.

Let the twentieth century find us perpetuating every interest that tends

to the glory of God through the instrument of his church, touching individuals, and lifting masses to be like their Savior.

CHURCH EXTENSION SOCIETY.

We, the Committee on Church Extension, beg leave to present the following report:

This cause has made great progress. From 1866, when this work was effected, to January 1, 1900, the Board collected and disbursed, \$6,587,867.42. This amount, derived chiefly from collections, personal gifts for frontier churches, \$250 each, and mountain fund specials of \$100 each, all for use by donations to churches, has aggregated \$4,212,936.62. The Loan Fund has a permanent capital of \$1,090,456.54; and churches borrowing have returned \$1,284,474.26. Giving for use by loans, \$2,374,930.80; making the aggregate above given, \$6,587,867.42. With this the Board aided 11,364 churches, more than one-third of the entire number owned by our denomination. Our Conference has shared in this work as follows: The collections taken in our churches, from the beginning, to November 1st, 1899, the close of the last fiscal year of the Board, aggregated \$10,996.60; the collections for this year we have not got the figures; 171 churches within our bounds have received aid up to November 1st, 1899, by donations, \$24,182.02, and by loans of \$31,505. The part our Conference is to take, in both giving and receiving, is definitely fixed, under provision of Discipline, by the General Committee from year to year. For the ensuing year our Conference is asked to raise by collections, \$1000. Our needy churches may, on approved applications, receive \$1000. Therefore,

Resolved, We, the members of the Delaware Conference do all we can to raise the amount asked, so we may receive the amount promised. Therefore, we recommend for adoption the following resolutions:

1. We heartily congratulate the Board of Church Extension, and the church at large, on the remarkable success of this work through a period of thirty-two years.

2. That our country, being new, with rapidly increasing population and new territorial additions, will continue to need Church Extension in the future as in the past, and that our church, by fostering and strengthening this work, will increase its own power to do the larger work now thrown upon it.

3. That we, as a Conference, will not be content with anything less than a full response to the call of the General Committee for our proper share in Church Extension, until, everywhere, in communities now destitute, the people shall have opportunity to "enter His courts with praise."

4. That we, as a Conference, will co-operate with the Board of Church Extension in securing within the ensuing three years, Twentieth Century Thank Offerings for Church Extension to the amount of \$1,000,000.

5. That our Presiding Elders be requested to apportion, with care, the full amount asked for Church Extension, to the several districts and pastoral charges for collection; and that, availing ourselves of the helps provided by the Board, and especially "Christianity in Earnest" and "Glad Tidings" we will present this cause in all our churches, and endeavor to secure, at least, the amount asked, in accordance with the plan of our Discipline.

By order of the Committee,

J. H. WINTERS,
I. D. PITTS,
L. E. TOULSON.

TEMPERANCE.

Whereas, we, the Christian ministers and dispersers of the gospel of Christ for the conversion of the world, and for the uplift of the Redeemer's kingdom, and,

Whereas, the liquor traffic in this country from year to year is challenging our effort to succeed with this grand and all-important cause, therefore, be it

Resolved, (1) That we, as ministers of the Lord Jesus Christ, should stand united to fight this formidable foe upon every possible hand.

Resolved, (2) That we should not only preach it from our pulpits, but in the homes as well, with all its power and prestige.

Resolved, (3) That we heartily co-operate with every work that leads in this direction, whether temporal or spiritual.

Resolved, (4) That we condemn the unmitigated evil in whatever form it may present itself.

Resolved, (5) That we adopt the request of Bishop Mallalieu, of March the first, 1900, relative to the observing of that most historic day, the 4th of July, and that so far as practicable make a special effort to have our congregations, Sunday schools, Epworth Leagues, and all religious societies of whatever name, observe the same each year as a day consecrated to the promotion of the temperance reform; that we will especially seek to interest our children and young people in this movement; that with songs, music, speeches and various services in our churches, public halls, or groves, strive to promote the proper and Christian celebration of the birthday of the nation in the cultivation of a sound temperance revival, to save our nation from the curse of drink.

EDUCATION.

To the President and Members of the Delaware Conference:—The gospel of education is second only to the gospel of salvation. The closing scenes of the nineteenth century bring to us multiplied opportunities for active service. These opportunities place upon us multiplied responsibilities. We should avail ourselves of every opportunity to diffuse the gospel of education among all classes and conditions of people. We urge all our pastors to take deeper interest in the public schools in their respective charges. We highly commend the very excellent work that is being done by Morgan College, and its branches at Princess Anne, Md., and Lynchburg, Va.; also the Delaware State College for colored students near Dover, Del., of which one of the members of our Conference is the honored president. We urge all the ministers of this Conference to

impress upon our people the importance of Christian education, since there can not be an intelligent Christianity without a well developed Christian education.

We therefore appeal to the pastors of our Conference to take renewed interest in soliciting students for our institutions of learning. The terms to students in these schools are so reasonable that no industrious, bright minded boy or girl need to go without at least a common education. It has simply come to the whosoever will, may come. We urge all the pastors of our Conference to begin early in the Conference year and take their apportionments for educational purposes and more, if possible, so that no deficiencies along this line will appear in our annual minutes of 1901.

We especially commend the industrial work being done at our Princess Anne Seminary, by which the boys are taught useful trades, and our girls all domestic duties. We would recommend as visitors to Morgan College, the following ministers: A. L. Martin, R. G. Riley, F. H. Butler, M. L. McKenny, and M. H. Horsey. We recommend as visitors to Princess Anne Academy: W. E. Hilton, J. W. Bond, S. S. Jolly and W. E. Waters.

Drew Theological Seminary.—We believe this institution is doing a good work in the education of young men who are preparing for the sacred Christian ministry. We are assured that the students who attend this school will be safely and surely trained in the doctrines of our beloved Methodism. We are convinced that we cannot build too securely in preparing men to lead the world to God.

The Educational Society of our church is to be cherished and fostered, as it aids so many of our young people in all our schools in securing an education, fitting them for educational work, and the broad and inviting fields of the Christian missions. We commend the "Christian Student," the organ of this society, to the generous attention of all our brothers in the ministry.

Recommendation.—We recommend the appointment of the Presiding Elders of the Delaware Conference as a permanent committee on the Twentieth Century Thank Offering.

W. C. JASON,
C. W. PULLETT,
ABRAHAM CHASE.

FREEDMEN'S AID AND SOUTHERN EDUCATION.

We highly appreciate the noble work of this Society in the education and moral uplift of our people. We greatly rejoice in the fact that the debt that was crushing the life out of this society has been so arranged as to lighten the excessive burden that impaired the highest usefulness of the Freedmen's Aid.

We commend the earnest work of the secretaries, Drs. Hamilton and Mason, who have labored so successfully and achieved so grandly.

We recommend the "Christian Educator," published by this Society, as a valuable help in understanding the work of the Freedmen's Aid.

J. EMORY WEBB,
JAS. A. SCOTT,
P. O'CONNELL.

SANCTITY OF THE SABBATH.

We, your Committee on Sanctity of the Sabbath submit the following report:

Whereas, we note with interest the growing sentiment upon this, one of the greatest issues of the present time, that strenuous efforts are being made to overthrow the religious privileges and liberties of this nation by introduction of a secular Sunday and in further view of the fact that issues

are joined on the introduction of European Sabbath; being confident of the purpose of the Christian denominations of this country to maintain the attitude of our fathers on this subject, and sustain the divine law, we must protest against any evil that tends to bring a reproach, by stirring the zeal of Methodism upon this momentous subject. We also feel it incumbent upon us as well as a pleasant Christian duty, to do all in our power to protect the sanctity of the Lord's day.

Resolved, further, that we condemn the practice of unnecessary Sunday travel and traffic, and endorse any managers of religious and other outdoor Sabbath meetings who strive and will maintain the sanctity of the Lord's day, and we declare, when this day is disregarded in the conduct of such meetings, we will not be present ourselves, nor participate in such services.

Resolved, further, that at least one Sunday in the year that a sermon will be preached from each pulpit, on this important subject.

Resolved, further, that we therefore take courage and go forward by personal examples, fervent preaching, fearless efforts; let us do better than we have done, the future then will be brighter than the present, as the present is brighter than the past.

Respectfully submitted,

J. H. JOHNSON,
A. L. HENRY,
A. S. AMOS.

AUDITING PRESIDING ELDERS' ACCOUNTS.

We, the Committee appointed to examine the reports and vouchers of the Presiding Elders of the Delaware Conference, beg leave to state that after a careful examination of the same, find them correct.

T. M. HUBBARD,
J. H. HARMAN,
J. W. JEFFERSON,
C. W. POLLITT,
W. S. BROWN.

BIBLE.

Whereas, the Bible, which is the word of God, is becoming of such great power in the Christian progress of the world, and through the missionary spirit of the age is being printed in the languages of all nationality, and since the Spanish-American war has opened to us new fields, we pray that the time has come when this blessed and inspired word of God through the agency of the missionary may be carried into every home of this priest-ridden, ignorant and superstitious people, and that it may be read by these people and preached by these missionaries until they shall learn of the Fatherhood of God and Brotherhood of man. Therefore,

Resolved, That each pastor preach a sermon or two each year on the necessity of study of the Bible, and take the collection as directed by the Discipline of our church.

M. A. HORSEY,
J. K. ADAMS,
P. W. PRICE.

PERIODICALS.

We, the committee on periodicals, beg leave to report the following: After careful examination we find no purer or more healthful literature than that published by our Book Concern, and in its mechanical work will compare more than favorably with any publishing in the land, therefore,

Resolved, That we give them the preference over all others in our pur-

chases, and urge our churches, Sunday Schools, Epworth Leagues and young people's societies to do the same.

Resolved, That we commend all the periodicals published by our Book Concern as worthy of the patronage of our people. The Methodist Review, edited by the Rev. W. V. Kelly, D.D., is pronounced by competent judges to be superior to any religious reviews in our country, and it should be taken and read by all our intelligent ministers and laymen. The Christian Advocate, under the able and scholarly management of the Rev. J. M. Buckley, D.D., commends itself to the whole Methodist Church. The South-Western Christian Advocate, of which Rev. I. B. Scott, D.D., is the editor. Dr. Scott is a man of marked ability and has made the South-Western Christian Advocate a commendable paper, and it should have a large circulation among our people. The Epworth Herald is worthy of a place in every home and should be used in every Epworth League. For missionary intelligence we recommend the Gospel In All Lands, and World-Wide Missions.

We also recommend the Christian Educator for information concerning educational work, and carried on by Freedmen's Aid and Southern Educational Society, and Christianity In Eareast for the work of the Church Extension.

We further recommend the Philadelphia Methodist, edited by Rev. S. W. Thomas, D.D., of the Philadelphia Conference, who is and has always been, so closely allied to our cause.

We also hope and plead for a paper published by the Delaware Conference, for the benefit of our own immediate work.

E. H. WEBB,
T. M. HUBBARD,
J. W. BOND,
G. B. COLEMAN.

TRACTS.

Whereas, the tract in many instances has been the forerunner of the Bible in sowing the seed of light and truth among all nations, first, because it is a convenient periodical and can be carried in the pocket, and all classes of men can obtain them—the sailor, the farmer, the miner, even those dwelling in the wilds of South Africa, and

Whereas, It has been instrumental in this country in helping the missionaries in their work in the western territory,

Resolved, That we preach a sermon on "tract" annually, and take a collection in behalf of the cause.

Faithfully submitted,

M. H. HORSEY,
J. K. ADAMS,
P. W. PRICE.

SUNDAY SCHOOL.

Whereas, The Sabbath School is the nursery of the church, and the stream which is continually pouring into this great body the proper material for the kingdom of God, and

Whereas, the earnest and faithful Bishop Francis Asbury, in the earliest days of American Methodism gave new life to the new movement of Robert Raikes by encouraging the organization of such institutions in the new world, and

Whereas, Our great Methodist Church upon whose dominion the light of the Sun is always seen has always recognized and sanctioned this great movement from the earliest dawn of the eighteenth century, and

Whereas, The Delaware Annual Conference, one of the eighteen colored Conferences, and one of the 131 Conferences in the whole Methodist

Episcopal Church, representing in last year's report 269 Sunday Schools, 2344 officers and teachers, and nearly 16500 scholars, therefore,

Resolved (1) That the children scattered over the vast territory of our Conference be early looked after and trained in the nurture and admonition of the Lord.

Resolved, (2) That to insure the proper and highest training of our youths let our teachers and workers diligently study the divine word so as to intelligently instruct their pupils for usefulness and righteousness.

Resolved, (3) That we recommend all prerequisites necessary for the use of schools to be obtained from the Methodist Book Concern and its branches.

Resolved (4) That children of the poorest and most unfavored parents be encouraged to attend our schools side by side with the children whose parents are in better circumstances, and that to encourage this object let one or more be appointed by the pastors to do mission work by looking up the parents whose children are not in the Sabbath Schools, but are to be found doing on the Lord's day that which does not tend to the knowledge and glory of God.
