Presiding Elders' Report

CAMBRIDGE DISTRICT

Assembled as we are in this consecrated place to hold this session of the Delaware Conference, we beg to make this our sixth annual report of the condition of Cambridge District, and while

"Thanking God for mercies past,
We future good implore."

Death has visited our District, and on July 18, Rev. W. H. Woodlin, pastor at Harrington finished his labors and went home to his reward, we say, "Servant of God, well done." And on December 17, Sarah E. besay, "Servant of God, well done." And on December 20, after a long and severe illness, death came to the happy relief of Sister Lucinda Morris, wife of Rev. Noah Morris. Suitable memoirs will be read by Revs. Deakins, Hilton and J. E. Webb; also, Rev. Hilton mourns the loss of a mother, and Rev. J. W. Bowling the loss of a daughter.

The spiritual condition of the District is fairly good, though the extreme cold and continued disagreeable weather has had a very adverse effect on our services, and yet at several appointments the revival fire burns.

COLLECTIONS.

The necessity of taking benevolent collections in the early part of the year is a practical lesson that is hard to be learned by many of the pastors, and especially by our people, and having so many disagreeable Sundays our collections will fall some behind last year.

EPWORTH LEAGUE.

This branch of our church work must struggle hard to maintain its existence, as many of our older people are opposed to it and use their influence against it, saying it is a new fad brought in the church to do away with the good, old-time prayer meeting. Yet our young people, as they learn to know its worth, they learn to love its work.

This District, unlike some others of our Conference, being hemmed in on all sides, prevents us from adding much mission work or enlarging our territory. Yet the pastors show an ardent desire to take care of what is already committed to their charge.

APPOINTMENTS.

Airey, J. N. Waters, pastor, is doing fairly well, though lack of faith and energy has prevented them from finishing their much needed parsonage.

Beckwith, W. S. Brown, pastor, we think is holding its own, though in some respects it is peculiarly situated and suffers two very great drawbacks; in the summer, camp meetings take the people, and in the winter the bad roads keep the people from the church, both of which very much impedes their progress.

Berlin Station, J. E. Webb, pastor, is strong and substantially holding its own every way; large congregations, spiritual services, wide awake Sunday school and an active Epworth League. The pastor has worked hard and successful.

Berlin Circuit, W. E. Hilton, pastor, has been signally blessed with great spiritual awakening, adding about 100 members to the church. very much need a parsonage. If a contemplated change can be made, will help the charge very much.

Bridgeville, C. J. Hall, pastor, is in a fair condition; they are holding their own; inroads were attempted to be made among the people, but failed. The pastor having great faith in the power of prayer has found "When Christians pray, the devil runs."

Cambridge, A. L. Martin, pastor, has at last awakened from a long sleep; arose, dressed, and gone to work; 56 conversions, services well attended. Their nine year mortgage debt of \$900 has been reduced nearly fifty per cent., beside paying many old floating debts.

Cambridge Circuit, E. Nichols, pastor, has done a good year's work and is in fair condition. We have succeeded in securing a house and lot on South Pine street, where we have opened and connected with the charge a very promising mission, which is necessary to accommodate the very fast increasing section of the city.

Church Creek, S. T. Parker, pastor, is growing all the time and would have two strong congregations if they could only think so. Their parsonage needs some improvement but they do not see it, the church being about free from debt they feel that the most they have to do is to sing and shout.

Crapo, G. R. Williams, pastor. This charge has more preaching places and more miles of muddy roads to travel in order to reach them, than any appointment on the District, and yet the charge is what many preachers do not know, a place to make and save money. The church at Crapo is fully completed and beautified.

East New Market, L. W. Deakins, pastor. Numerically this is a strong charge, and with a little more hard drilling will do much better work for the Master than now.

Federalburg, J. H. Pearce, pastor, is doing fairly well, but a good revival would greatly inspire the people and help the work every way.

Frankford, C. L. Anderson, pastor, is steadily improving. What the charge most needs is a church and parsonage in Frankford, but the trouble is to get the people to see this necessity.

Harrington, I. H. White, pastor. This charge in the first of the year started off very promising, but the death of their pastor, Rev. W. H. Woodlin, caused a hitch in the work. I. H. White, who then took charge has done what he could to keep the work moving. There has been considerable good done.

Hurlock, E. E. Rodgers, pastor. This charge has bought a lot and built a two-story, four-room parsonage, which was very much needed. The charge is somewhat divided against itself and the pastor suffered the consequences.

Laurel, P. M. Shelton, pastor. This charge is growing in numbers and useful influence, and we predict that in a few years will be a full supporting station.

Lewes, C. E. Davis, pastor. This charge for some cause has not had a very successful year. We trust, however, a brighter day is near.

Lincoln, J. S. Willis, pastor, is doing some work, though they very much need a general spiritual awakening.

Linkwood, C. A. Horsey, pastor. It requires a great deal of hard work to keep this charge wide awake and doing something, and yet there is a ray of light ahead.

Madison, J. M. Whittington, pastor. This is one of our largest circuits, heavy roads, extremely hard to travel, and yet this pastor and his horse have stuck the closer to duty and some good has been accomplished.

Mardella, A. W. Lowber, pastor, has done a good year's work; many have been added to the church. This charge is improving every way, and is growing into a very healthy condition.

Milford, W. F. Cotton, pastor. This in many respects is the leading charge on the District, convenient for situation, beautiful in appearance, strong and imposing, true, loyal and self-sacrificing congregation, large Sunday school, Epworth League up-to-date, and choir to sing life and sunlight into your souls and at the same time entertain this session of Conference in such style as will challenge competition.

Nassau, J. H. B. Hubbard, pastor. This charge has turned over a new leaf in their church history, in improving their parsonage, renovating the old and building the new and consolidating the two into one. They have a house for commodity and convenience, is all they desire.

Oak Grove, J. A. Scott, pastor. The spiritual condition is fairly good. They very much need a parsonage. The spiritual condition is fairly good. They very much need a parsonage. This is a growing charge. They have bought a lot and built a mission church on the Dover road, and it promises to be a useful church. The work is developing along all lines.

Preston, J. A. Jeffers, pastor. This charge has taken on new life, although the pastor's health is feeble. The church was never in better condition, the people are happy and at work.

Seaford, D. J. Waters, pastor. This charge seems to have a struggle to maintain its existence. They labor under considerable disadvantage, and yet they are doing some good work.

Vienna, C. A. Norwood, pastor. This charge is far from being what it should be. I have done for them what I could; I now leave them in the hands of their God and my successor.

Warwick, J. W. Bowling, pastor. This charge is willing, but weak, hands of their God and my successor. Something should be done to relieve the situation. They are asking because they are in need.

Whaleyville, T. A. Johnson, pastor. While there may be some falling off in some features of the work, there is positive proof of real life and activity. Conversions, 653; accessions, 591; District Epworth Leagues, 1; local chapters, 29; membership, 1100.

There seems to be general satisfaction all over the District. The pastors and people are at work improving their church and parsonage property; building houses more comfortable for their pastors and churches more respectable and commodious in which to worship God.

In taking a retrospective view of the District we are glad to say at least something has been done during the six years just passed; there has been added to the District twelve parsonages, eighteen churches, and three new societies formed. The District has also contributed a full per cent. to the age of conversions, accessions, and collections. While there has been something done, it has only been accomplished by great sacrifice to the pastors and the liberal contributions of the people, and yet there remains much more to be done to place the church where it should be, and to plant the old battleflag on the hill-top of success. It can be done; it must be done; it shall be done; the ways and means are available.

"A firm resolve is the golden wedge That splits its knotty way Between the possible and the impossible."

And now, while praising God for his innumerable blessings and thanking the pastors and people for their kindness to me, all of which is faithfully submitted.

E. E. PARKER.

CENTREVILLE DISTRICT

Bishop and Brethren:—The year just closed has been remarkable for its severe weather, causing unusual hindrances to our work. Notwithstanding this District is situated in a rural territory that has suffered from short crops, low prices, and unusual storms, we have had fair success. God has been gracious to us. None of the pastors have fallen in the work. It is true several of the brethren and their families and many of our people have suffered sore afflictions. Bro. D. A. Ridout, besides a sick wife, was bereaved by death of a son, a promising boy of eight years.

SPIRITUAL WORK.

We are thankful to report 603 conversions and 523 accessions. Most of the pastors have been sowing by all waters, have been instant in season and out of season and have accomplished something as God's instrument for the salvation of souls, yet there remains much to be done. The work of building up strong, spiritual characters was never more needed than now. The pastors and pious laymen have been battling against the tide of worldliness which threatens to deluge the church. Against it they have lifted up the standard of the Lord, and been encouraged by the scripture that saith, "The battle is not yours, but God's."

CAMP MEETINGS.

There was some improvement at several places in conducting camp meetings. The Sabbath day was strictly observed, and an unusual fervor pervaded the meetings. A number of persons professed conversion and many believers were edified. I regret to have to report that at several other places where camp meetings were held the Lord's day was openly and shamefully desecrated under the authority of the churches and the connivance of the pastors. The booths for the sale of ice-cream, confections, cake, cigars, soft drinks and the like, were permitted to be open and to do business on the Sabbath day. This was done, notwithstanding, as I stated in my last annual report, every Quarterly Conference had adopted resolutions prohibiting such. I admonished both pastors and people where these violations were known to me, and endeavored in the spirit of meekness to restore them. What is known as the Wye camp meeting gave greatest trouble and required and received heroic treatment. This camp meeting generally is under the management of two charges. After arrangements had been made to hold this meeting without Sunday traffic, as directed by the Quarterly Conferences, the officials forming the camp meeting committee rebelled and determined as they could make more money with the Sunday traffic, they would have it. The pastors refused to have anything to do with the meeting and announced through the public press they were not directing it. This rebellious meeting held by our lay brethren was given a severe letting alone by all the pastors of this District. Only two pastors of this Conference could be obtained to take any part in this meeting, and I think they must have misunderstood the situation. The growing habit of disregarding the sanctity of the Sabbath and of making a picnic out of the once gracious and spiritual camp meeting is demoralizing to the churches and a disgrace to Christianity. If we mean to continue a spiritual force, we must not put our feet on any part of the decalogue. The moral law must be of permanent interest to us if we would have the divine favor. No amount of emotion can take the place of obedience. We must continue the fight against this giant evil with "a determination as deep as the sea and as firm as the mountains, but as calm as the heavens above us."

TEMPERANCE.

Notwithstanding prohibitory laws exist in all the election districts but two in the four counties comprising this District, King Alcohol is still our formidable foe. Our nearness to Baltimore City makes it comparatively easy to get strong drink, as boats from there for most of the year come daily. Hard cider and home-made wine have come in general use in some places and are debauching and degrading the people, both old and young. I have urged the preachers to attack this enemy and in the true spirit of Methodism to push the fight and give no quarter. The superintendents and teachers of the Sunday school, the presidents and Epworth League workers, the leaders of classes for religious instruction, have all been urged to help to teach the children the importance of total abstinence. All our people have been called upon to take a stand against strong drink and the illicit selling places, better known as "speak easies." Surely we must be up and a doing if we would be God's instruments for saving our people from the most abject slavery.

SUNDAY SCHOOLS.

An increased interest has been taken in Sunday schools. Conventions of Sunday school workers have been held in each county, and earnest efforts are being made throughout the District to improve the Sunday schools and reach young and old with Bible instruction. The literature of our own church is used in all the schools.

RELIGIOUS INSTRUCTION FOR CHILDREN

We have now 27 classes formed for the religious instruction of children, an increase of sixty per cent. over last year. But both pastors and people will have to quicken their pace if the children, even a majority of them, are to be reached with Christian instruction. Who can estimate the importance of the work of bringing the children to Him who said, "Suffer little children to come unto me and forbid them not; for of such is the kingdom of God?"

EPWORTH LEAGUES.

We have 27 Epworth League chapters, and 1024 members; 10 Junior Leagues and 304 members, and one District League; an increase over last year of 8 chapters, 356 members and 7 Junior Leagues. We held a District Convention at Easton, September 22, 1898. The result was highly satisfactory, giving inspiration to our League work throughout the District.

BENEVOLENT COLLECTIONS.

I have not failed to urge the importance of the benevolent enterprises and most of the pastors and people have rallied to their support. Again the District passes the one-million and a half line for missions and all the charges but two are in class first, and we have nearly held our own on all the other collections.

MINISTERIAL SUPPORT.

The experience of last winter should teach the folly of procrastinating in the matter of raising ministerial support, of allowing the greater part of the year to pass before making strenuous efforts to pay the preacher. I would that all our stewards should feel the importance of working the financial plan adopted by their respective charges in the summer as well as in the winter, and would see to it that their accounts with the pastors balance each quarter. Several charges raised all or the greater portion of their apportionment for ministerial support before the severe winter season set in. These are good examples for country charges. The deficiency for pastors' salaries for this District is painfully large.

APPOINTMENTS.

Carmichael Circuit with C. W. Moore, pastor, reports a gracious revival; 56 conversions. The benevolent collections are raised in full. Centreville maintains her record and leads the District for proportionate giving. The pastor proved himself a hero in doing what his conscience approved at the risk of his popularity and his salary in refusing to hold a camp meeting where a wholesale desecration of the Lord's day had been planned. He reports a new organ purchased for the church; the parsonage in part refurnished, 8 conversions, and 10 accessions. All the benevolent collections in full and all other claims fully met. J. R. Brinkley, pastor.

Chestertown, with D. A. Ridout, pastor, is well organized and drilled and has done fair work. The church has been lighted with electricity, the benevolent collections raised in full and the pastor paid.

Church Hill Circuit has built a new six-room parsonage, has had 50 conversions and 82 accessions. R. G. Riley, pastor. Coleman, supplied by W. J. L. Hughes, makes one of the best reports of her history. Conversions, 24; pastor paid in full and all the benevolent collections full to over-flowing.

ANNUAL MINUTES OF THE

Denton has reduced her mortgage debt; had 24 conversions and 28 accessions. Rev. R. G. Waters, pastor.

Easton, with J. W. Bond, pastor, has paid \$485 on old debt; had 36 conversions, and improved the Sunday school and the Epworth League. The whole work has been advanced.

Fairlee Circuit has renovated the church at Georgetown at a cost of over \$400 and has in bank \$100 towards building a new church at Sandy Bottom. A gracious revival blessed this circuit with 68 conversions. J. W. Jefferson, pastor.

Greensboro, supplied by D. W. Martin, reports 25 conversions and old debt slightly reduced.

Kent Island has advanced on all lines. Conversions, 21, and all claims fully met. L. H. Martin, pastor.

McDanieltown, with G. R. Hollis, pastor, has completed and dedicated a neat new church at Broad Creek, nearly free from debt.

Melitota reports 11 accessions and the benevolent collections raised in part. P. T. Scott, pastor.

Oxford Circuit, supplied by J. L. Davis, has fought a hard fight but has bright hope for the future.

Pomona Circuit reports the parsonage renovated and the church at Rock Hall repaired. 56 conversions; trustees have in bank \$125 to do further repairing and the stewards have in hand after all claims have been met, \$65. A. L. Henry, pastor.

Ridgely Circuit, supplied by N. D. Scott, has been blessed with 74 conversions. The debt of the circuit has been reduced and the benevolent collections are nearly in full.

On the Royal Oak Circuit a new church, costing \$700 has been completed free of debt at Coppersville. The Church Extension Society aided with a donation of \$100. All claims have been fully met. L. E. Toulson, pastor.

St. Michaels, with J. H. Nutter, pastor, reports 31 conversions; \$648 paid on old debt, and the benevolent collections all in full. Every department flourishes.

Skipton Circuit, supplied by J. H. Cooper, has had 15 conversions. Much earnest work has been done by the pastor in spite of opposition and under unfavorable circumstances.

Still Pond Circuit. The Fountain Church has greatly reduced her debt with the Church Extension Society. The parsonage has been repaired and the benevolent collections are in full. Abraham Chase, pastor.

Trappe, with J. E. A. D. Grigsby pastor, has reduced her floating debt and had 18 conversions.

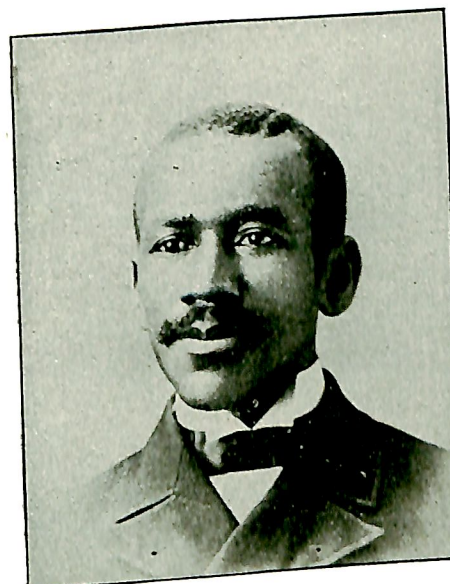

Williston Circuit has had another hard year but reports 7 conversions and the benevolent collections partly taken. William Hopkins, pastor.

Wittman charge, with A. S. Amos, pastor, reports six conversions and benevolent collections.

Woodland Circuit has more than held her own notwithstanding the pastor has had a sick wife. The circuit reports 28 conversions and the benevolent collections in advance of last year. I. D. Pitts, pastor.

I have held every Quarterly Conference of the year save one; likewise, preached at all the quarterly meetings and delivered a few lectures in the interest of the work. What has been accomplished is the product of God's grace and of much sacrifice, patience and persistent toil on the part of both pastors and people. Gratefully acknowledging the mercies of God, the cordial support and co-operation of my brethren, I submit this, my second annual report.

ST. PAUL M. E. CHURCH

Where the 36th Session of the Conference was held
This church was built during the administration of Rev. W. F. Cotton, A. M., who is now
acceptably serving his fifth year as pastor of this station.

PHILADELPHIA DISTRICT.

It is with sincere regret that I begin the record of my sixth and last year on the Philadelphia District by noting the death of one of our most efficient and best loved pastors: James A. Richardson, of Zoar. He returned from Conference last year deeply depressed with sorrow over the loss of a dear wife to meet unusual burdens in his church work, and after struggling with impaired health for some months he was compelled to cease active labor in September, and in January, almost a year after the death of his wife, he rejoined her in heaven.

In view of the general increase of the District work I find that all my "blizzard" excuses have been snowed under by the facts; and as I warned the pastors a year ago, the only ones left out in the cold on salary and benevolence were the men who failed to take their collections in the early part of the year. As long as men refuse to make hay while the sun shines, they may expect poor reports, but the fault is not altogether with the blizzard.

Our membership has increased to 3523, a gain of 238; probations, 424, a decrease of 33, but making our total membership 3947, a gain of 205 over last year. Whatever may be said of the decline of Methodism in certain quarters, it has no applicancy to the Philadelphia District, which can present a steady growth in membership, despite the most careful revision of our membership lists. Our Sunday school membership, including officers and teachers, is 4336, a gain of 438, while the discipline and efficiency of our work in this field has been increased immeasurably in recent years. All schools, even in our mission work, are using the Berean system of lessons, and in many charges can successfully challenge comparison with the best white Sunday schools near them. Our Epworth League work continues to grow in interest and in usefulness to the general work of the churches. The membership is 1981, distributed between 29 Senior and 15 Junior Leagues, a gain of 381 members and 11 Leagues. The District convention was held at St. Daniel's, Chester, and was largely attended. There are 28 classes of children formed for religious instruction, and there would be more, but for the fact that the Junior Leagues in most of the churches have made the religious care of the children a matter of particular moment. Up to this date about 500 conversions have been reported this year, and I am more dissatisfied with the small spiritual results of this year's labor at the altar than in any other direction.

The valuation of our church and parsonage property is \$171,025, an increase of \$9,975; the debt upon our property is \$46,205, an increase of \$3,463, caused by the erection of new buildings. We have raised for all purposes this year \$35,784, an average of over \$10 a member. Benevolent collections are in nearly every case ahead of last year. "Comparisons are odious things," when they are not in our favor, but I venture to make a few, when they are not in our favor, but I venture to make a few. Zoar leads in membership, followed by Bainbridge Street and St. Daniel's, Chester. In conversions, Montclair this year is in the lead, with Greenwich next and Little Hudson close behind. Bainbridge Street has the largest Sunday school enrollment, and the three next are in order, St. Daniel's, Zoar and Mt. Zion. Newark carries the Epworth League banner, leading Bainbridge Street, Zoar and Montclair. In the amount raised for all purposes Zoar is ahead, but Germantown stands next, with Bainbridge Street third. In the amount raised per member for all purposes, you will be surprised to know that Sing Sing, New York, leads the whole District, with an average of \$38 per member; Germantown comes next, with an average of \$21, and third, to our surprise, is Cape May, which has raised \$20 per member. I do not care to announce the charges giving the smallest amount, but advise a more careful study of our column of statistics to see where our ablest generals are located. Let me say that John Wesley Mission, Philadelphia, under a local preacher, ranks above 17 of our old charges in the average amount raised this year. Clearly, we cannot afford to neglect work which gives such substantial tokens of progress.

Unless some heroic measures are taken to reduce our obligations to the Church Extension Society a crash is sure to come. Just now, a baptism of conscience as to unpaid interest on the part of pastors and people, would be a blessing to them and to the work of the society. An imperative need of the work is a District parsonage. I have paid out over \$2000 in rent since my appointment to the New Jersey District, seven years ago, money which might have been as well paid on property to belong to the District. My successor will be seriously embarrassed at the start, if, in addition to the long and expensive travel of a District reaching from Cape May to Hudson, N. Y., and New Haven, Conn., he has to provide for and assume the responsibility of a home for his family.

SUMMARY OF THE WORK.

Atlantic City. This point, under F. H. Butler, has reached at last its desire in the erection of a beautiful edifice in the latest style, completed, without debt other than the amount loaned by the Church Extension Society. The new church has put new life in our people, and increased very much the respect for our denomination in Atlantic City.

Bridgeton. J. E. A. Johns has completed another year of success at this small charge. A new organ has been purchased and paid for, and there is a universal desire for the pastor's return.

Burlington. This charge this year has achieved the distinction of making about the poorest record on the District and the smallest mission we have had a church and parsonage given them by others.

Camden. This charge, E. H. Webb, pastor, has had an unusually hard year in its local conditions, as well as the severe illness of some of its most earnest workers, but it deserves great praise for the results obtained.

Cape May. This point was made a station at the request of the people, but against my judgment, and while its report is a remarkable one under the circumstances, it was clearly apparent that the strain could bear.

Bro. Wilson and his large family was more than this people could bear. St. Daniel's, Chester. This charge, under N. B. Snowden, sends up such an excellent report, that it is clear to my mind that if the local discontent and friction was removed, no charge on the District would excel it. Bro. Snowden has worked faithfully, and all that is needed now is a revival thunderstorm to clear the atmosphere.

Siloam, Chester. This charge is still dwelling in a rented house. Its promise for the future is bright. A brave little band, taking care of a minister, paying rent, raising benevolence in full, and putting away \$156 this year toward buying a lot.

Delair and Waterloo Street. This charge has done but little this year to change the verdict of failure pronounced against it last year. Delair seems never to have recovered from the death of Bro. Tunnell, while Waterloo Street has never shown any appreciation of the generosity of the Philadelphia City Missionary Society in finding them a home. The same money wasted at Waterloo Street, placed in West Philadelphia at John Wesley, or at St. Mark's in the southern part of the city, would have resulted in strong, self-supporting charges in less than three years.

Greenwich, N. J., has had a glorious year, and a sweeping revival in Bridgeton changed our feeble mission of fourteen souls into a strong society of 57 members and 35 probationers. This makes John Wesley the largest point on the circuit, and by united action the Quarterly Conference asks for a change of name to Bridgeton Circuit, and for the return of G. T. Fields as pastor.

Grenloch and St. Mark's, A. F. Ennels, pastor, has been hampered very much by the selling of the property occupied by the mission on Sixth street, but has maintained its high standing for genuine missionary work in the slum districts of Philadelphia. This work needs the support and sympathy of all Methodists, for it reaches a class of people who never

come within the circle touched by the large churches. The Sunday school and League work at Grenloch deserves special mention.

Hudson, N. Y. W. A. C. Hughes was transferred from the Washington Conference and sent here. A gracious revival has blessed his efforts, resulting in 28 conversions, and a membership increased to 56 from 37. Everything in fine condition; monies raised in full.

Merchantville, L. Y. Cox, pastor, has not equalled its excellent record of a year ago, and while a faithful minister has labored hard, there has been a lack of appreciation which has hindered success.

Montclair, under J. H. Blake, has had one of the most successful years of its existence. The church has been made alive, the spiritual fires revived by a gracious revival and pastor and people are in harmony.

Mount Holly, C. S. Sörög in charge, seemingly started out this year to make a bad record and succeeded beyond a doubt. The good work done the year before under the same pastor makes this failure more conspicuous, but it is useful as an example of spasmodic effort compared with steady, systematic labor.

Mount Zion, W. C. Dickerson, pastor, has had a year of all-around success. One of the best Sunday schools on the District is here, and all that is needed at this grand old charge is a more liberal view of the requirements of modern church work.

Newark, W. J. Moore, makes a very creditable showing considering the opposition encountered, and if some old discords could be forever buried, there is not a charge in the Conference would have a more promising future.

Orange, T. H. Johnson, pastor, reports collections in full, and the inauguration of a plan to pay off entirely the \$1300 balance due on their beautiful edifice.

Bainbridge Street, Philadelphia. Dr. O'Connell closes four years of successful labor at this important point, leaving both the church and the community better for his service. Philadelphia regrets the necessity which removes him from the pastorate to take charge of so important an educational work as Princess Anne Academy, but recognizes fully the value of such a man in the intellectual and moral training of our young people. All collections in full, Epworth League and Sunday school of the best.

Frankford, under the successful generalship of T. M. Hubbard again reports everything full, and the church in the very best financial and spiritual condition. His return is urgently desired.

Germantown is the sweetest, happiest point in the Conference, for the desire of long years has been accomplished in the erection of a neat, chaste, and beautiful stone structure, dedicated November 20th by Bishop Foss. This result was made possible by the active co-operation of a building committee from the First M. E. Church, Germantown; by generous donations from pastor and members of said church, reinforced by \$1000 from the Church Extension Society; our own people gave so liberally that the cost of building was provided for up to the limit of \$4000 allowed to remain on mortgage against the property. Bro. J. F. Molock and his people deserve the good fortune which has come to them and it is a happy omen that no sooner were the doors of the new church thrown open than revival fires began to burn on the altar.

Haven, Philadelphia, W. T. Hemsley, pastor, has had one of the brightest years known in its history. \$300 paid on church extension debt, a good revival, Sunday school and League built up and new life everywhere.

Zoar, Philadelphia, has had the great misfortune to lose a dearly beloved pastor this year, who was only able to fill the pulpit six months. The remainder of the time the church has been in the charge of the presiding elder, and the pulpit served by him and the city pastors. Yet the dear old church has marched on through the year with undiminished congregations.

gations, and the work in all departments kept up at its usual high standard. The novelty of a revival continuing through the "blizzard" weather, resulting in the conversion of 24 souls, was experienced, and over \$4000 was raised for all purposes. The benevolent collections were taken in full, or nearly so, but owing to the pastor's illness and death, the vouchers could not be found, nor could proper credit be given to all the causes.

Rossville, Staten Island, N. Y. I. H. White took charge of this work in the commencement of the year, but was transferred to Harrington, after the death of Bro. Woodlin. A. Gaither, local preacher, has done good service. An opportunity is now opening for better developing this work by holding services in Tottenville, the terminus of the railroad, where no other colored church exists.

Salem, J. H. Winters, pastor, has had an uneventful year with moderate success. Something raised along all lines.

Salem Circuit, A. J. Wallace, pastor, has had hard times, but reports victory. All collections in full, because the pastor was wise enough to take them in June.

Sing Sing, N. Y. S. E. Maloney, has done heroic work and their beautiful lot on Broadway has been paid for with the exception of \$250.

White Plains has not done so well this year. Like Waterloo Street and Burlington it is a case of a church provided without cost to themselves, and consequently but little appreciated. We have a great future in this section, if the right man be found for this missionary field.

New Haven, Conn. S. S. Jolly has made considerable advancement this year despite the opposition. The Epworth League is the largest and most influential gathering of colored young people in the city, and our only need there is a suitable building for this active, aggressive band of Christians.

DISTRICT MISSION WORK.

We are supporting four District Missions:

Harlem, N. Y., under W. L. Butler, is crowded out for lack of room. Its remarkable success in a quarter of the city where it is the only society of colored people of our denomination in a radius of four miles entitles it to a more generous recognition. It has a great future before it.

John Wesley, 715 W. Forty-fifth street, Philadelphia, W. T. Purnell, pastor, has steadily grown amid the favorable surroundings in West Philadelphia, until it bids fair to be a rival of some of our older work. The members unaided are raising money for the purchase of a lot on which to build, in the near future. They deserve sympathy and aid.

Somerville, W. H. Dobson, pastor, is another work well placed and showing great signs of future good. They have secured a beautiful lot in an excellent location, and have made some progress in paying for it.

Cape May Circuit has been under the care of J. W. Hall, and has raised considerable for the improvement of the property at Mt. Zion, while each department of the church work at both points is in advance of former years.

I desire to thank pastors and people for the respect and willing co-operation which I have received from them during the past seven years, and earnestly pray that still greater success may await the one who may be appointed in my stead.

H. A. MONROE.

SALISBURY DISTRICT.

Dear Fathers and Brothers:—I present to you my sixth annual report of the work done on the Salisbury District with a sigh of relief. These years have been checkered. Dark shadows have flittered amidst the sunshine; sorrow has stalked out, bereavements have followed us in the sacred chambers of retreat and snatched from us our loved and best; nothing is left us here except the recollection that we once had them, but their departure ties us to the invisible with the strongest anticipation of a reunion in glory. Bro. D. T. Brown, of Salisbury Circuit, passed away

quietly May 13. Some have followed with sad hearts loving companions to their last resting place, namely: Bros. S. F. Ward and J. S. Coulbourn. Bro. J. Raymond Brown's home was saddened by the death of a beautiful little boy; the Saviour claimed him and the angels bore him away on their pinions. This has been a year of draw-backs. Some of the causes for not reaching the place so ardently desired seem to have been quadrupled; berries failed in Maryland, potatoes in Virginia. A ray of hope was centered in the oyster crop, here the elements seemed to fight against them so that a very little time could be put in; then the very earth appeared to join the array and belch out the quag-mire and quicksand; many roads for months were simply impassable; notwithstanding all these drawbacks, the District will make a fair showing in most of the benevolences. The Epworth League work is far from what it ought to be, yet there have been some new Leagues organized and some old ones revived. I earnestly trust that this work will receive greater impetus and our young men will be successfully reached. While the temperance sentiment is increasing in Maryland, and the enemy of all civilization seems to retreat, he has only stepped over the line in Virginia, and his diabolical work is gaining a greater hold upon nearly all classes of people. Unless there is some strong agency or powerful influence brought to bear to arrest the increase of liquor saloons the Eastern Shore is doomed; there will be, what is left of them, a race of imbeciles and paupers. Lord, arrest the demon.

Lemont has done fairly well under adverse circumstances. Bro. John-son labored hard to make the mark, but has only partially succeeded. A gracious revival prevailed here, and 40 were converted. One hundred and twenty-five dollars on parsonage debt. The work at Nanticoke has been pushed with considerable vigor. A beautiful grove of three acres has been purchased for camp ground; \$25 were raised on parsonage debt; twenty-three converts and the benevolences nearly full. Bro. Bean believes in keeping the old flag afloat wherever he goes.

Bro. Holly, at Fruitland, worked arduously to make the charge what it ought to be, but if some of the self-constituted leaders could get a chance to mount the chariot for the upper world, I think much better showing might be made here. Converts, 22; some benevolence raised.

The people at Marion are shouting happy. The thing that seems to disturb them most now is a little fear that their pastor will not be returned to them. Every interest is usually conserved where Bro. I. J. Elbert fills the rostrum, and he is able to fill it in every point of view. Conversions, 10.

Bro. Lee at Deals Island had uphill work all the year. Notwithstanding the pernicious influences exerted in the beginning of the year, a good work has been done. The spiritual work has been greatly strengthened. Converts, 36. All the causes for failure numerated in the introduction of this report were inherited at Deals Island, and yet the benevolences will compare favorably with last year.

Kingston, under the pastorate of Bro. Charles Earle, a supply, yet there is not a more indefatigable worker in the District; he was heir to all the ills heretofore numerated; these fully account for any shortage that may be in the benevolent apportionments. A tidal wave of spiritual uplift swept over his entire work. Fifty-eight professed conversion.

The pastor at Quantico, J. R. Hayward, finishes up his fifth year with a fair showing. \$102 paid on old indebtedness and something on benevolences.

Princess Anne, Bro. Townsend, pastor, has struggled through discouragement to overcome the greatest obstacle to spiritual progress—a big debt. Something has been done toward its cancellation; the benevolences will fall a little behind last year. 12 converts.

Pocomoke City. In many respects I think the greatest work has been accomplished here this year in the history of this society. The church begun a few years ago has been completed, at a cost of about \$4800. \$872

ANNUAL MINUTES OF THE

raised and paid this year. The pastor is shouting happy, and doubts that there is another man in Conference can fill his place. 26 converts and benevolent apportionments nearly full.

Bro. Cook, at Parsonsburg, displays the same sagacity in pushing the work, of former years. His peculiar characteristics are visible in whatever he touches. Nothing daunted, always hopeful, yet his most sanguine expectations fade away like the mist of the morning. Very little done on benevolence. 30 converts.

Bro. Ward, of Puncheon Landing, lost his wife last June, which was a great drawback to him in his work. Something done towards benevolence. A few converts.

Salisbury, F. C. Wright, pastor. Some advance has been obtained all along the line. The parsonage debt has been reduced. 34 conversions. The benevolent collections greatly advanced.

Unionville, under the care of Bro. L. T. Robbins, has done something toward raising the benevolence and reports \$279 raised on old indebtedness. 14 conversions.

Fairmount still retains its old place under the pastorate of N. W. Moore. The revival during the fall greatly quickened the church and brought into the fold 56. Benevolences full.

Oak Hall, J. W. Waters, pastor, suffered greatly on account of the small-pox scare. Churches were shut up for some time. Something has been done to push the general interest of the charge with some success. A few conversions.

Jamestown charge has been under the pastoral care of Bro. McKenny for three years; each year a spiritual uplift has been perceptible; result of last revival, 55 converts, mostly young men. Every interest has been carefully looked after. The migratory condition of these people greatly retards the best efforts of any pastor. Benevolence not quite up to last year.

Oriole charge has been watched over by Bro. T. B. H. Coleman. A very good work has been done on the line of benevolence. Very few converts. Outlook much better for another year.

The work at Wattsville has succeeded fairly well. Something collected on old debt. Benevolences not quite full. J. R. Holland pastor.

Hopewell. The old Wesley church of this circuit has been replaced with a beautiful, neat little church at a cost of about \$1800. Something raised on benevolence. A few converts.

Bro. J. C. Banton has taken care of Fair Oak charge. His health has been poor and not very much progress has been made on any line. Some benevolence raised.

Crisfield, under the pastorate of Bro. Brown, has done a fair work. The pastor's health has been materially affected from the damp air. Notwithstanding, his return is greatly desired. A tidal wave of spiritual power swept over the whole charge and many of our enemy's best emissaries were captured. The benevolences are in good shape.

Union, T. H. Kiah, a supply. This charge spent all of its energies to raise an old church extension debt. Very little else has been done.

The pastor of Salisbury Circuit died soon after last Conference; did not preach once after returning to his work. A young man was secured, by name Young; filled the unexpired time. A small mission has been remodelled and something raised for benevolence. Ten converts reported.

Bro. Coulbourn, of White Haven charge, has had a very hard year of it. His wife was sick for a long time. Her end came July 5th, a happy end, but to him a very sad bereavement. Four little boys were the result of their union. He has assumed the additional care of mother for these motherless little ones. God bless Bro. Coulbourn in his struggles. A lot for parsonage has been secured and something in hand to commence the building. Benevolence some behind last year. Fifty-six converts were some of the results of a gracious revival that swept over that community.

Bro. Pullett has pulled Snow Hill beyond anything in her history. The

revival work has been grand; fifty-eight converts; benevolences full. Widgeon seems to have been wedged in between the water edge and the hemmed pocket. I want to say frankly I think the best thing every pastor can do is to take his hands off a charge as soon as his assignment is made to another. I have reasons to fear this has not been done in this case. Very little has been done here.

MISSION WORK.

The mission work has done remarkably well. A church has been finished at Chincoteague, Va., at a cost of \$700. All provided for except about \$85. The missionary, J. W. Fenderson, deserves great credit for the heroic work and the sacrifice made to make the work a success. Self help this year, \$231. Members, 22. East Side Mission, T. H. Winters, missionary. This is hard work; that is to say it is so situated that it seems impossible to put it into such shape that a man can get support. Some work has been done here, but results are meager. Members and probationers, 55. Self help, \$170.

ACADEMY.

Our educational work has done fairly. The number enrolled not quite as large as former years. The impression that Dr. O'Connell will take charge of our educational interest here another year is hailed with joy by both laymen and preachers. It is earnestly hoped by the advocates of this arrangement that every lover of the highest intellectual manhood will rally to the support of this institution, for here the basal structure for an advance is laid. Number of students, 63; No. of graduates, for 1898, 11; whole number of graduates, 69; number of teachers, 10.

These six years' work have been years of anxiety and care; indeed, our fondest hopes have not been fully realized in results, and yet the Lord has wonderfully blessed us. Seven churches have been built and five re-modeled, at a cost of more than \$12,000. Parsonage property, consisting of eight neat buildings, has been added; cost, over \$4,000. Accessions a little over 3000 by probation. Here is where we need strength, in receiving and caring for probationers. Many pastors fail to emphasize the sacredness of church membership, whether receiving on probation or into full membership. These facts cannot be too well fixed in the minds of those who receive our communion. If emphasis be omitted at the door, those who receive are too apt to regard their reception as of little importance. Who ever forgets his reception as a full member in the Annual Conference? Number of Epworth League chapters, 31; members,

Many changes have taken place since my assignment to this District. Some joyous, some sad, and some atrocious. It pains me, in closing this report, to chronicle another of those fiendish scenes which makes the blood of every self-respecting man in America tingle, and his cheek grow pale when thinking of the far-reaching consequences. A colored lad fatally shot a white man in a scrimmage at Allen, Wicomico county, Md., and he was lodged in Salisbury jail to await trial. A mob took him out and brutally murdered him. This murder will blight the otherwise fair name of Wicomico county, in general, and Salisbury in particular, forever. For as sure as there is a God, some day reason will get a hearing, then justice will sit on the bench and fair play will plead at the bar; then the secret service will find out the murderers, whether committed by a mob under cover of the night, or by the more respectful human fiend who has the courage to strike his victim in the light. A government that cannot assure its humblest subject that law is supreme, is a gigantic failure. A community that will wink at mob law is sowing the seed of dissolution. "The mills of the gods grind slow" but be ye assured that every man will get back the results of his own grain put in the mill.

Brothers, the coming 20th century is bringing us face to face with some of the greatest problems that ever confronted a world. How are we going

to meet them? Have we the key to their solution? Yes. Do you ask where is it? Wake up the dormant intellects; break the cord in the brain of the young Websters at fourteen, and let them define the many thousand words that are yet to be added to the most flexible language ever spoken; get the Calhouns and Clays and Douglasses; assemble your Toussaints, Overtures and Grants and Maceos; bring every boy that can learn the speaker's art, the lawyer's acuteness, the judge's wisdom; last but not least, find the boy that can learn the science of farming; hunt up the girls who have the ability to learn the dexterous art of making the future homes happy. Bring all of these that can in any way be spared and place them under the care of skilled teachers who are bent on probing these subjects that are so closely interwoven with the solution of all the perplexing problems that confront us; then go yourself and do your very best to raise the \$20,000,000 asked for by the bishops, then the door may be opened. I have no word to express my thanks to the brethren who have seconded every movement suggested to advance the interest of the District. Allow me to assure you, my brothers, as our present relation severs, the cord of love that has bound us together is stronger. I do earnestly trust that nothing here nor hereafter will sever it. "God be with you till we meet again."

A. R. SHOCKLY.

WILMINGTON DISTRICT.

In presenting this, my last annual report of the work of the Wilmington District, I desire to render my deepest gratitude to our heavenly Father for the many blessings which have been bestowed upon us. Six years ago Bishop Walden organized this little District out of the charges taken from three other Districts of the Conference. He said it was only to try an experiment; if it succeeded, well; if not, it would go back from whence it was taken. I am thankful to be able to say that from my humble judgment it is a decided success and I will turn it over to my successor in good condition. While there is plenty of room for improvements I believe, with all things equal, it is second to none in the Conference. In many respects this year has been the most eventful than any in its short history. While there has been much sickness and a great many deaths among the laity of the church, the life and health of the pastors has been preserved in a most remarkable manner. We have not lost by death any pastor or any member of any of their families this year. Bro. J. H. Mason, pastor of Smyrna, has been in feeble health during the greater part of the year, but not so ill as to prevent him from attending to his work for the most of the time. We have come through a very severe winter, and many of the pastors and people have had a hard struggle to keep their families above want. The fact is, some of them have suffered for the actual necessities of life.

"But out of all the Lord
Hath brought us by His love;
And still He doth His help afford
And hides our life above."

The spiritual condition of the District is not what it should be owing to a lack of zeal on the part of the officials and members of the church. Too many of them depend almost absolutely upon the efforts of the pastors in revival work. All of the churches are asking for evangelistic preachers that the work of saving sinners might go on; but do not seem to think for a single moment that anything depends upon their own efforts in this most important work of the church. We have tried to impress upon them the duty of their entering upon the work with the pastor to the end that a revival of religion be the chief object all the year round. We thank God that we have seen some fruits of labor along this line. There has been a great spiritual awakening in many places where we have inaugurated a hand to hand battle against sin and iniquity. By persistent efforts we have

won many victories over the enemy, and claimed more than five hundred received into full connection, with a probation list of over four hundred and eighty, making nearly a thousand souls brought into the fold of the blessed Christ.

BENEVOLENCES.

Those acquainted with the difficulties over which we have had to climb during these years, will know best how to appreciate what has been done. Ezion, the leading charge on the District, was a blank for three years. By these three years of failure the benevolences in the aggregate are about \$1500 less than they would have been. Last year and this are the only years in which this charge has reported its collections in full. Mt. Joy, another important charge, reported but little if any for two years. Notwithstanding these discouraging features, we are profoundly grateful that we can report an advance in nearly all of the collections. The missionary collection has increased nearly twenty per cent. over the reports made by the same appointments six years ago. We have raised for all benevolent purposes more than \$8000.

BUILDING AND IMPROVEMENTS.

Five new churches have been built, including a mission chapel at Hockessin, Del., where we have a growing membership, with a bright outlook for the future. The church in course of erection at Middletown, when completed, will be one of the best churches on the District in every particular. The accomplishments of the other three have been given in former reports. Nine churches have been remodeled, and eight others thoroughly renovated, making them almost as good as new. For these improvements we have raised more than \$9000. Have also raised an old indebtedness on church and parsonage property, \$15,500, and more than \$67,000 for salaries. We have tried to instill into our people the spirit of self-reliance that they might become more self-supporting. Pursuant to this I have strenuously protested against their making applications for donations and loans without knowing where to meet the requirements. It is very gratifying to know that not a single debt has been created by us to the Board of Church Extension. When appointed to this work we found several long standing claims and we are glad to say that something has been paid on every one of them.

EPWORTH LEAGUES.

There are many places where we have not been able to organize Epworth League chapters, especially in the more sparsely settled sections, but in the cities and towns the work is constantly growing in interest. We have several model chapters in which every department is exerting an influence for good.

EDUCATION.

The advantages for an education in the state of Delaware are better than ever before; the schools are open for eight months in the year; teachers are paid better salaries; this will be an inducement for a more competent class to come into the state. By act of legislature, W. C. Jason, president of the Delaware State College for Colored Students, has been appointed a member of the State Board of Education, with authority in matters pertaining to colored schools. This secures a more thorough supervision of the educational interest among our people.

APPOINTMENTS.

Barclay, under the administration of the pastor, J. E. Cook, who is now closing his third year. He has had to labor under many disadvantages, owing to a failure on the part of the trustees at Ingleside to comply with the requirements of the Board of Church Extension, which had granted them a loan of \$450.

Camden. A good circuit, and I believe that with proper care it might

be made one of the strongest on the District. I. H. Johnson, the pastor, has done the best he could under embarrassing circumstances.

Catlin. There is not a more faithful man in the work than the pastor, G. W. Downs. The benevolences are all reported in full. Arrangements are made to buy a parsonage, which is much needed. The people all desire the return of the pastor.

Chesterville. B. F. Lowber has supplied this year, and much credit is due him for the splendid condition of the work. The church at Chesterville has been remodeled by adding several feet to its length and a recess pulpit. The benevolences are about full and the spiritual condition quite encouraging.

Cheswold. P. W. Price has suffered for the lack of co-operation upon the part of the officials and some of the members. Nevertheless he has done remarkably well, and reports the work in class first.

Crumpton. This charge has not done what we think it should. The appointment was a mistake. We did not know that we were sending the pastor among his own people, where a prophet has no honor; we might say, however, that under the circumstances, Bro. Hutchins has done nobly.

Delaware City. E. O. Parker, pastor, has won the confidence and esteem of all with whom he has come in contact. The church at Delaware City has been thoroughly renovated inside and out, much of the work being done by the pastor's own hands. All the people are anxious to have him returned for another year.

Dover. Under the skillful management of the pastor, J. W. Lankford, this church was never in better condition than at the present time. The spiritual interest is good. More than \$500 has been raised by the trustees, the church has been beautifully carpeted, and gas, with incandescent burners, has been put in place of oil lamps. These improvements add much to the attractiveness of the interior. All other interest of the work has been carefully looked after.

Galena. C. E. Henry, the pastor, has done a good work this year, both spiritually and temporally. He has been in the midst of a glorious revival, resulting in the conversion of more than thirty souls, including the very worst characters in the community. The charge has one of the most flourishing Epworth League chapters on the District. The debt to the Board of Church Extension has been greatly reduced, leaving a small balance which is being provided for.

Kirkwood. This charge, on account of some influences which were brought to bear by the former administration, had many drawbacks in the early part of the year, but the pastor, S. W. Waters, has done everything that could be reasonably expected.

Marydel. One of our best circuits, is in good condition under the pastorate of J. K. Adams, who has been incessant in labors, fervent in spirit, serving the Lord.

Middletown. M. H. Horsey, the pastor; the right man in the right place. More work accomplished than any year previous. The church in course of erection, when completed, will reflect credit upon any people. Nearly \$800 has been raised and paid on the new building. The pastor and people are enthusiastic, as they hope soon to move from the old, dilapidated church into the new edifice. Bro. Horsey raised every dollar for missions as early as June. This is what we have always instructed the brethren to do; to raise the benevolences the first thing after Conference.

Millington. G. B. Coleman, pastor, has done exceedingly well. A great revival has been enjoyed, resulting in many conversions. The benevolences are raised in full and all other interests of the work faithfully looked after. Much credit is due to both pastor and people.

New Castle. There is a brighter future for this little city on the Delaware. The iron works which have been closed for several years, will soon open up in full force, and return to the men their livelihood, which we hope will lift the cloud that has over-shadowed them during these years of

depression. J. H. Harman has succeeded admirably well against many oppositions. The church has had a great spiritual uplift. The charge remains in class first.

Newport. R. H. Coleman is closing his fourth year. This year has been one of great sacrifice on his part. He has lived on a very small salary to enable the people to finish paying for a cemetery, and a beautiful camp-meeting grove of eight acres. This grove is conveniently located, being within a stone's throw of the church. It is now entirely free from debt. This, together with an increase of attendance upon church services, renders the work very satisfactory and reflects much credit upon the pastor.

Port Deposit. The spiritual status of this work is good. The church has lost by death some of its very best members, the loss of whose influence and support is greatly felt. The pastor, W. E. Waters, has done everything in his power to bring up a good report. He has succeeded in raising and paying something on the long standing debt to the Church Extension Society against the church at Cokesbury.

Sassafras. Supplied by S. A. Earls, who has done a commendable work. A wonderful outpouring of the spirit of the Lord has been enjoyed and many have been added to the church. Collections good. A very desirable house and lot adjoining the church property has been purchased for a parsonage at a cost of \$400.

Smyrna. J. H. Mason, the pastor, has been sick for the greater part of the year, nevertheless he has done a good work, both spiritually and financially. The membership is small but they are true and loyal to the church, and make great sacrifices for its every interest. The pastor reports the charge in class first.

Odessa. Bro. Daniel R. Dunn, the pastor, is one of three who have been on the District from the beginning, and has acted the part of a loving father in the gospel. He has been eminently successful in every charge where he has served. He knows no failure; greatly beloved by all the people and is closing another year of usual success.

Townsend. W. H. Johnson is a decided success. Every department of the work has been carefully managed, and the circuit is in advance of any previous year. The pastor is well beloved and there is an unanimous request for his return.

Ezion has been in the midst of a revival all the year. Ninety have been received on probation and more than one hundred into full connection. Financially, this has been a prosperous year. The floors have been newly carpeted and some very desirable alterations about the pulpit and choir have been made at a cost of about \$500. The trustees have collected more than \$2000. This church has an Epworth League chapter with a membership of 204, and a flourishing Sunday school with 680 scholars. The benevolences are raised in full. C. A. Tindley, the pastor, is a popular preacher, great orator, poet, and an all-round man, is much beloved by all the people.

Haven has **taken on new life**. J. W. W. Cox has proved just the right man for the place. This church has had a year of great peace and prosperity. The reports are very encouraging. The interest in the Sunday school and Epworth League work was never better.

Mt. Joy. Notwithstanding the heavy indebtedness of the church, the people have stood up well under the burden and have accomplished a creditable work. D. J. Brittingham, is pastor.

Hockessin Mission has done excellent work under the care of Bro. Sam. Coffman, who has supplied it this year. A neat little chapel has been erected. The people seem much encouraged. The future is very bright.

In closing this report I desire to thank the brethren who are now on the District, and those who have been at some time during these years, for their hearty co-operation, confidence, esteem and many acts of kindness which they have manifested toward me; also the officials and members of the churches who have at all times extended me a cordial welcome. Our

relation has been congenial and brotherly, even to a man. and no sacrifice has been too great upon their part for my comfort and support. We have mutually shared the sunshine and shadows. We must now bid adieu to the work which we have tried to nourish in its infancy and have learned to love so well, with my best wishes for its future prosperity.

"The past hath done its work—How well,
How ill, it matters not to say;
For lo! Upon our ears doth swell
The summons of To-day."

Respectfully submitted,

JOSEPH R. WATERS.

Memoirs

D. T. BROWN.

Rev. D. T. Brown first saw the light of day about 29 years ago near Damascus, Montgomery county, Ind.

On leaving home to fight the battle of life, he came to Baltimore City, and feeling the need of an education, he entered Morgan College, where his manly habits and true Christian character soon brought him into prominence with the students of that institution. Among the many good traits of his character he was signally noted for his ambition, indefatigable perseverance and untiring zeal. Quiet and unassuming, yet ready, at all times to make a sacrifice in order to enhance the pleasure of those with whom he was associated. As a student he was earnest, honest, and gentlemanly, winning his way to the hearts of men by true manliness.

He was appointed to the Salisbury Circuit by Bishop W. X. Ninde in 1897. He entered upon his work buoyant with the hope of accomplishing much for Christ and his church, but on the second Sunday in his new field, he preached three soul-stirring sermons, after which he had a hemorrhage, from the effects of which he never wholly recovered. Though physically weak for twelve months he worked with true Christian zeal, fostering and forwarding the great cause he had espoused. On September 29, 1897, he was joined in holy wedlock to Miss Cecilia J. Johnson, of Baltimore, Md. This sacred union lasted only eight months, for on the 13th day of May, 1898, he heard the summons from on high, and folding his hands across his breast, he said, "I must die," and with the assurance that God was with him, he passed the mystic river and entered into the great beyond, where his joy is complete and hope blooms in full fruition. He awaits the coming of the members of the Delaware Conference.

F. C. WRIGHT.

JAMES A. RICHARDSON.

Rev. James A. Richardson was mustered out of earthly service Monday, January 2, at 12.40 P. M. He was born in Thornbury, Pa., July 11th, 1860. He received a common school education and being of a studious turn of mind, he added to his stock, until his store house was well filled.

For some years he was engaged in school teaching, barbering and store keeping, respectively, on the eastern shore of Maryland. December 27th, 1882, he was united in holy wedlock to Miss Hattie E. Gillis, of Fairmount, Md. She, being a Godly woman, gave the invitation "Come with us and we will do you good, for the Lord hath spoken good concerning Israel." He accepted, and gave God his heart. The Spirit later indicated to him a call to preach.

In 1887 he was appointed to supply Cape May Circuit, where he was compelled to endure hardness as a good soldier of Jesus Christ, and like Paul, he ever afterwards had a thorn in the flesh. The next year he was received into the Delaware Conference on trial, at Dover, Del. He was

DELAWARE CONFERENCE.

then appointed to New Castle, which included South Wilmington. The following year, the circuit being divided, he was placed at South Wilmington, where he built Mt. Joy Church. In 1890 he was admitted into full connection, and ordained deacon at Zoar. He was then appointed pastor of St. Daniel Church, Chester, Pa., where he served one year. He next served Mt. Holly, 2 years; Snow Hill, 2 years, and next we find him at Zoar, where he served 3 years, 9 months, and some weeks. He filled many responsible positions, such as president of Conference Board of Church Extension, statistical secretary, for six years, and assistant secretary the four years preceding; for four years past he has been the Conference vice-president of the Second General Conference District Epworth League.

The funeral services were held in Zoar Church, Thursday, January 5. The services were in charge of Rev. H. A. Monroe, D.D., Presiding Elder Philadelphia District, assisted by Presiding Elders Parker and Scott, of the Delaware Conference; Drs. W. H. Brooks, of New York; S. W. Thomas, of Philadelphia; P. O'Connell, of Delaware Conference; Roberts and Palmer, of A. M. E. Church; Revs. L. Y. Cox, F. H. Butler, I. H. White.

Bro Richardson leaves five children to mourn his loss. He was a burning and a shining light and we rejoiced in that light. If any would seek his monument go to Zoar and look around. He was a loving husband and a kind father. His wife had been an invalid for a number of years, and he relieved her of most of the burden of housekeeping. After preaching to thronging multitudes on Sunday morning, he would go home, help prepare dinner and get the children ready for Sunday school. Some of his most soul-stirring sermons were written with a sick child on his knee. Rank nor position never spoiled him, for he never forgot his most insignificant friend. His wife contributed largely to his success in every place. Richardson without his wife, did not seem like Richardson. The social side of his life was most charming. The cheerfulness and brightness of his spirit was so constant and genuine that he bound his friends to him as with cords of steel. The great crowning point of his life was his purity. He believed in it and he preached it. He was a firm believer in revivals and he had them, and was an evangelist himself of the first magnitude. He preached as if he knew tomorrow was to be judgment day. His every movement was an "woe is me if I preach not the gospel." His sermons were not mere compilations, but he climbed the tree, shook the nuts, and cracked them for himself. He was mighty in prayer, mounting up as it were on eagles' wings, and taking heaven by violence. He was conservative, and yet progressive. He was cautious, but not captious. Highly spiritual but not fanatical. Unyielding where principle was involved, a well poised character, a refined life, a great planner, and a great worker; no one but God can count the souls he led into the kingdom.

WILLIAM H. WOODLIN.

Rev. William Henry Woodlin, son of James and Leah Woodlin, was born in Queen Anne county, Md., more than fifty years ago. He entered the work of the ministry in the Delaware Conference, under the late Rev. W. J. Parker, then Presiding Elder of the Chestertown District.

Bro. Woodlin was a marked success. Every charge he served made marked improvement. He was a trusty man, so much so, that he could travel on the train anywhere he was known, whether he had money or ticket or not. Brother Woodlin was greatly respected among both white and colored. The better informed brethren wondered how he made such an impression on all classes; his white friends would ask why he was not made presiding elder. He filled the following appointments: Sassafras, Md., 2 years; Delaware City, Del., 2 years; Aireys, Md., 2 years; Oak Grove, Md., 2 years; Beckwith, Md., 2 years.

ANNUAL MINUTES OF THE

Went to Harrington, Del., April, 1898, and stayed there until the Master removed him to his eternal home, July 18th, 1898, at 10.26 P. M. He closed his eyes on earth to open them in heaven.

Vital spark of heavenly flame
Quit, O quit, this mortal frame.
Trembling, hoping, lingering, flying,
O, the pain, the bliss of dying.
Cease, fond nature, cease thy strife,
And let me languish into life.

L. W. DEAKINS.

ELIZABETH ANDERSON.

Elizabeth Anderson, the beloved wife of Rev. C. L. Anderson, was born in the year 1860. Her early life was spent with her parents, Alfred and Mary Watson, near Milford, Del. She was converted to God and joined the Methodist Episcopal Church at the age of fourteen, and lived a consistent Christian until December 17, 1898, when she answered the roll call on high, and went up to receive her reward.

She was married to Rev. C. L. Anderson in 1878 and was twice blessed with the joys of motherhood; a son and a daughter graced their little home, Clarence and Florence. Clarence still survives to mourn the loss of a loving mother, but Florence is not, for the Lord hath taken her.

Bro. Anderson joined the Delaware Conference in 1894, and Sister Anderson went cheerfully with him to the following charges: Cambridge Circuit, 2 years; Warwick, 2 years; and Frankford. They were closing up their third year at Frankford when the Master came and called for her. It can truthfully be said she was quiet, unassuming and slow to speak, nevertheless she was true, honest and devoted to her family and the work of the Christian ministry in which her husband was engaged. She seemed to say with the poet:

Not so in haste, my heart,
Have faith in God, and wait;
Although he lingers long,
He never comes too late.

The funeral services were in charge of Presiding Elder Parker, who, with W. W. Johnson and W. E. Hilton, paid tributes to the memory of the deceased. Her remains rest in Scoot's Cemetery, Townsend, Del., to await the resurrection of the just.

W. E. HILTON.

MRS. GEORGANA COULBOURNE.

Mrs. Georgana Colbourne, the wife of Rev. J. S. Coulbourne, daughter of Levi and Ellen Robinson, was born on Deal's Island, Somerset county, Md., April 2, 1869. After a few years she was taken to the city of Baltimore to live with her sister, and was converted in John Wesley M. E. Church at the age of 14 years, and, though young, it was said by those that knew her that she lived a consistent life. She was married to John S. Coulbourne, April 24th, 1887. She was the mother of four dear little boys. She did all she could to train them up in fear of the Lord, but her health began to fail her after a few years of her married life. She would say to her husband, "John, I cannot stay with you much longer. I want you to take care of the children." In June it was seen by her friends that her days were nearly numbered. She had some knowledge of the same and her faith grew stronger and stronger in God, and her last words were, "On Christ, the solid rock, I stand; all other ground is sinking sand." On July 5th, 1898, she fell asleep in Jesus, and it can be well said that she is not dead, but sleepeth.

DELAWARE CONFERENCE

MRS. ROSA JOHNS.

Baltimore, Md., March 30, 1899.

To the members of the Delaware Conference:—

Sister Rosa Johns, the widow of Rev. Stevens Johns, departed this life September 1st, 1898. She was a member of the Asbury M. E. Church, Baltimore, Md., and died in full triumph of faith, saying to her sister, "My work is done."

Her funeral sermon was preached by Rev. A. Young; text, 2 Tim. 4:7. Services at her late residence, 318 North Ann street, and her remains were buried in the Laurel Cemetery, to wait the resurrection of the dead.

A. YOUNG, Pastor.

Servant of God, well done!

MRS. LUCINDA MORRIS.

Sister Lucinda Morris, the beloved wife of Rev. N. Morris, of the Delaware Conference, after a lingering illness of several months, departed this transitory life on Tuesday, the 20th of December, 1898, about 11 o'clock A. M.

She was born in Northampton county, Va., on December 10th, 1828, consequently, she was 70 years and 10 days old when she died. She was united in marriage to Rev. N. Morris, August the 2d, 1846. She embraced religion during the watch night services that were held in the Ebenezer M. E. Church at Snow Hill, Md., in 1867, while her husband was pastor of the Snow Hill Circuit. She lived a Christian life until the day of her death. She always made the preachers of the gospel of Christ welcome to her home and spared no pains to make them comfortable and happy. She and her husband lived happily together 52 years. The Lord blessed their home with several children, but all except one son died when they were young. The son went away several years ago and has not been seen or heard of since.

She served with her husband on the following charges: Snow Hill, Md., 2 years; Church Creek, 2 years; Drummondtown, Va., 3 years; Port Deposit, Md., 2 years; Middletown, Del., 1 year; Mt. Zion, N. J., 2 years; Bridgeton, N. J., 2 years; John Wesley, Philadelphia, Pa., 2 years; Chester, Pa., 17 months; Haven Mission, Philadelphia, Pa., 7 months; Milford, Del., 2 years; Crisfield, Md., 1 year; Horntown, Va., 3 years; Burlington, N. J., 1 year; Goshen, N. J., 2 years.

On Friday preceding her death, Rev. J. E. Webb asked her, "Are you resigned to the will of your Saviour?" Her reply was, "Yes." "Are you willing to leave all?" Her reply was, "I have got to go; it is very hard to leave Morris, we have been together so long." While tears were running down her cheeks, she said, "It is awful, it is awful hard, I thought to have gotten well and walk about with him again, but I have given up now. The Lord is precious to my soul. I want everybody to come to Jesus." She cast her eyes toward her husband, and exclaimed, "The warfare is almost over!" and in a few minutes more she passed quietly away to her heavenly home.

Asleep in Jesus; far from thee
Thy kindred and their graves may be;
But thine is still a blessed sleep,
From which none ever wakes to weep.

MRS. ANNE M. WARD.

Sister Annie M. Ward, the beloved wife of Rev. Samuel F. Ward, was born in Worcester county, Md., 1841; was married January 4th, 1860. She was an affectionate wife, a loving mother, and a peaceable neighbor. She was converted to God in 1864, and lived a consistent Christian life.

ANNUAL MINUTES OF THE

She was dutiful and kind, always ready to do the best thing for the comfort of her family. Sister Ward had great respect for the ministers of the gospel. She was always ready and willing to help them. Her house was their home. June 18th, 1898, in the afternoon, while doing her domestic work, seemingly some one whispered and said "The Master is come, and calleth for thee," and in ten minutes she was gone. Servant of God, well done.

BIBLE.

We, your committee, beg leave to submit the following:
We are strongly convinced that the Bible is a revelation from God to mankind. It is the masterpiece of all the literature of the world. Homer has insurmountable flights which Virgil was not able to reach, but carefully perusing this inspired narrative you will find that this book excels Homer, Virgil or any of the greatest poets, beautifying the world with touches of spiritual life.

Resolved, That we preach each year to our people throughout this broad land, the subject of reading God's word, and that we recommend it in every home and also take the collection as it is prescribed in the Discipline of our church.

J. W. LANKFORD,
J. K. ADAMS.

Resolved, That there be five ministers and five laymen whose terms of service shall expire annually by two each, in order as they are elected, the above to be known as the Conference Bible and Tract Society, whose duty it shall be to inquire into the needs, secure and distribute Bibles in the homes and societies of our people; who shall also, as our Conference covers many states, secure in its treasury, by action of the Conference, a part of the collection for Bibles to supply neglected work, providing a suitable portion to go to the American and Maryland Bible Society, provided also that 50 per cent. of the tract collection shall be used in buying, printing, and distributing tracts among our people.

FREEDMEN'S AID AND SOUTHERN EDUCATION.

We, your committee, submit the following report:
We again express our deep sympathy with the Freedmen's Aid and Southern Education Society in the heavy indebtedness which restrains her endeavors to lift our race. While we are loyal to the schools in our midst, Morgan College and its branches, we heartily endorse Dr. Mason's New Century Thank Offering for the debt. We note with pleasure that many of the brethren have subscribed liberally to this plan, and have paid

DELAWARE CONFERENCE.

a fair share of that which they have subscribed. We earnestly urge the brethren to support Dr. Mason, for his success will benefit us in time, in many important ways, it will reduce the society's debt, and it will show the church that we appreciate the confidence reposed in the ability of our men to handle great interests as shown in the election of Dr. Mason to the responsible position which he holds.

Touching the work within our own borders, while we are pleased to note that the collections for our schools last year exceeded that of the year '97 by the amount of \$151, yet this is too small from our large membership. The ratio per capita of this amount is only a little more than four cents. Our people are able, and ought to be sufficiently interested in the education of our youth, to give at least ten cents per member, which would give our schools \$2,000.

We have made demands on the trustees for a change in the administration of the affairs of Princess Anne Academy, and they have granted our requests. We promised on our part, through our representatives, the advisory board, to give the Academy the heartiest support by both urging the people to send their children to the school, and leading them to greater liberality in their gifts to the Freedmen's Aid collection. We would also call the attention of the brethren to the fact that many of our young people seeking higher education go to schools of other denominations, while our own Morgan College, admittedly the equal of any school of similar grade in curriculum, high moral purpose, Christian spirit and administration, is poorly attended. We must present the excellencies of this most useful institution to our young people; we must reinforce this presentation by appeals to the loyalty and gratitude of the people. We owe it to the noble men and the great church which maintain this worthy institution to send our children to it, to disseminate information concerning it, and to give in the measure of our ability to its support. Brethren, let us once more insist that Christian education is the only power that can lift and establish us in the position of honor and power which we, with all right-minded men, desire to occupy. Our duty, then, is plain. We should pray God's blessing on our schools; preach on the subject and exhort the people till they are afire with zeal for knowledge of the truth as it is in Jesus.

PERIODICALS.

Your committee on periodicals beg leave to report the following:
After careful examination we find no purer or more healthful literature than that published by our Book Concern, and in its mechanical work will compare more than favorably with any publishing house in the land; therefore,

Resolved, That we give them the preference over all others in our purchases, and urge our churches, Sunday schools, Epworth Leagues and young people's societies to do the same.

Resolved, That we commend all the periodicals published by our Book Concern as worthy of the patronage of our people. The Methodist Review, edited by the Rev. W. V. Kelly, D.D., is pronounced by competent judges to be superior to any religious reviews in our country, and it should be taken and read by all our ministers and intelligent laymen. The Christian Advocate, under the able and scholarly management of the Rev. J. M. Buckley, D.D., commends itself to the whole Methodist church.

DELAWARE CONFERENCE.

The South Western Christian Advocate, of which Rev. I. B. Scott, D.D., is the editor. Dr. Scott is a man of marked ability and has made the South Western Christian Advocate a commendable paper, and it should have a large circulation among our people. The Epworth Herald is worthy of a place in every home and should be used in every Epworth League. For missionary intelligence we recommend the Gospel in All Lands and World-Wide Missions.

MORGAN COLLEGE AND PRINCESS ANNE ACADEMY.

Dear Bishop and Conference:—We, your committee appointed to visit Morgan College and Princess Anne Academy, beg leave to submit the following report:

We visited each institution in March, and were very much pleased with the work that is being done. The Industrial Building at Princess Anne, 17x35 feet, is nearing completion. It is a magnificent structure. The classes in algebra and physiology were visited and seemed able to master their studies. There were fifty students present. At Morgan College we found 17 theological students preparing for the ministry, some of whom are from the West Indies. The college is furnished with church papers free. It also has a library of 3000 volumes. There were 71 students present. A summer school will be opened at Morgan College from June 12 to July 28, 1899, for the benefit of teachers and others desiring instruction. Special attention will be given candidates for teachers' certificates.

CHURCH EXTENSION.

We, the committee on church extension, ask to make our report:
This work has made great progress; from 1866, when this work began, to March 1, 1899, the Board collected and disbursed \$6,264,000.00. This amount was derived chiefly from collections and personal gifts for frontier churches, \$250 each, and mountain fund specials \$100 each, all for use by donations to churches has aggregated \$4,025,000.00. The loan fund has a permanent capital of \$1,046,000.00, and churches borrowing have returned \$1,193,000.00, giving for use by loans, \$2,230,000.00, making the aggregate above given, \$6,264,000.00; with this the Board aided 10,824 churches. More than one-third of churches owned by our denomination. Our Conference has shared in this as follows: The collections taken in our churches from the beginning of this work in 1866 to November 1, 1898, the close of the last fiscal year, aggregate \$10,362.30; the collections for this year we have not got the figures. Churches within our bounds have received aid up to November 1st, 1898, by donations, \$22,232.02, and by loans, \$27,905. Now, the part our Conference is asked to take, both in giving and receiving, is \$1000; our needy churches may on application receive \$1000; therefore,

Resolved, We, the members of Delaware Conference, do all we can to raise the amount asked, so we may receive the amount promised.

RESOLUTIONS CONCERNING MISSIONS IN CUBA, ETC.

Whereas, It has been suggested that the Methodist Episcopal Church should leave the evangelization of Cuba to Methodist bodies already on the ground, and

Whereas, These bodies are founded on race distinction, which we believe to be contrary to the gospel of Christ and detrimental to the advancement of his kingdom, and

Whereas, Our own church has striven to realize the gospel ideal of the fatherhood of God and the brotherhood of man; therefore, be it

Resolved, That no considerations of denominational fraternity can justify the Missionary Society in leaving Cuba or any of the newly acquired territories to be taught by those who hold views so manifestly opposed to the spirit and teaching of Christ; and that we request the Society to place on the ground such of our own men as in their judgment are best fitted for the work of elevating the people through the gospel of Christ.

Resolved, That a copy of these resolutions be forwarded to the secretary of the Missionary Society.

EDUCATION.

To the president and members of the Delaware Conference: No less now than in the past, but rather, more, do we need that the importance and the necessity for mental training should be continually set before our people. Increased opportunity brings added responsibility. More is expected of us now than ever before. We have peculiar and pressing needs, especially in that part of our territory comprising the peninsular. Facilities for elementary instruction are painfully meager. Inadequate buildings, short terms and incompetent teachers are too often the rule. The health and morals of our children should concern the preacher even more than their mental culture. We therefore urge upon all our pastors to take personal interest in the public schools on their several charges, to visit them, and by all proper means co-operate with the teachers in raising the standard of excellence. We should be conversant with the school laws of Maryland and Delaware and insist upon the exercise of such powers as are granted to us, and also upon the right use of the school funds. We should call the attention of parents and young people to the institutions of more advanced grade, especially those of our own church, and urge attendance upon them wherever practicable. We commend the president and management of Morgan College, who have given us an institution of incalculable value to our people. Alumni and even undergraduates from this college have taken front rank among our race workers. We congratulate Princess Anne Academy upon the election of Dr. P. O'Connell as principal, and we congratulate him upon this splendid opportunity to imbue the youth of our church with his spirit of culture and progress. We may properly expect large results from his efforts. In these schools, so easily accessible to our people, a normal, a preparatory, or a collegiate course may be pursued at an expense merely nominal. They have been of great service already, and will be more appreciated as the years go on. The State College for Colored Students, in charge of a member of this Conference, gives an opportunity to many Delaware students who would not otherwise be able to secure the advantages of any training beyond the public school; we therefore advise our people to acquaint themselves with the facilities of this institution and utilize them when found to their interests so to do.

We believe the Christian school to be second only to the Christian church in power for good. It is an indispensable auxiliary to the church in the production of useful citizens. The young men who are to enter the ministry should be encouraged to make the best possible preparation for the work; inspired to form lofty ideals and directed to all available sources of help.

The Board of Education is doing a great work for the church at large, and in helping to educate men for the work of our own Conference. This Board aided six of our young men last year to the amount of \$216.00. As this is but a continuation of favors by which nearly all the money contributed by our Conference to this cause has been returned to us with interest, therefore, we must insist that the Disciplinary requirements in respect to the education of our young men be strictly enforced.

Resolved, That we will carry out the Disciplinary requirements in respect to this Board; that we will observe Children's Day in every Sunday school, and take a collection for the Sunday school children's fund and that we will faithfully guard this collection, so that it shall go as the law directs, undivided and undiverted, entirely to the Board of Education.

We commend the movement for the establishment of a summer school of theology, under the auspices of the Washington and Delaware Conferences, and ask that our preachers co-operate with the officers of this organization in the effort to provide a stimulus to greater scholarly attainment and a means for its acquirement.

EPWORTH LEAGUE.

EPWORTH LEAGUE.

We believe that there were indeed great movements successfully generated in the history of Methodism, the church which at every point of its contact with men has exerted a peculiar and talismanic influence upon them. Some have established their historicity by their intrinsic worth; others because of their astounding and majestic results. But when Susanna Wesley congregated her children about her knee, expounded to them truth and some of its many ramifications, she left a historical basis in that Epworth home, the eternal fires which began to glow, a prophecy of the future, and wherever the Epworth League exists, it is a confluence of heat radiated from that glorious home of years ago. It is and must be a burden upon the heart of every Christian minister,, that the best results possible shall obtain and be obtained. We note with pleasure the fact that there are over 125 chapters and 7000 members in our midst, yet we want to augment these statistics and fix a certainty of result. We therefore recommend, first, that there be a committee consisting of the Presiding Elders and one pastor and one layman from each District to arrange for a convention of the Leagues of the Conference, for we believe that in this a greater zeal in the exact tenets and working of the society may be created and crystalized. We further recommend that the pastors see to it that each local chapter elect one or more delegates to be sent to the fourth international convention at Indianapolis, and that the pastors go and encourage to go as many others as can possibly do so. We further recommend that every pastor strive not only to have the meetings of the Leagues, but to prosecute as far as possible the actual work required in its constitution in order that devotion to it may be less transient and more strenuously actual. We further recommend that lest our people secularize too extensively, that our pastors deepen the spiritual work and mission of Leagues at every point, for our only object is to make pious, devoted Methodists, men and women. We recommend further that all literature for the use of the Leagues be purchased from the assistant secretary, S. G. Renn, or that he be informed of such purchases, that we may receive credit for the same. We further recommend that our annual anniversary at Conference be held in the week, either in the afternoon or at night, for we fail to secure what we believe to be the best results at the hour hitherto designated.

ANNUAL MINUTES OF THE LYNCH LAW IN THE SOUTH.

We learned during the fall of this Conference year from reliable sources, of the occurrence of violent political and racial disturbances in Illinois and the Carolinas. As a body of ministers of Christ, we recognize the rights of all men and believe in the supremacy of the law to maintain those rights. For the furtherance of the interests of the commonwealth and for the assurance of peace and the pursuit of life, liberty and happiness, we insist that every community must uphold those principles of a republican form of government which will promote the development of that sentiment, believing in the majesty of the judicial tribunal under every consideration and circumstance.

The disturbances in North and South Carolina demand our serious consideration. They were of the most violent type; a blot upon the names of those states and a disgrace to the civilization of the century.

We believe in the rights of humanity. We believe that if the American commonwealth allows such violent disturbances to occur without a murmur of protest, this republic will share the fate of every other country that has not practiced the life involved in the text, "Righteousness exalteth a nation, but sin is a reproach to any people." We regret that so much indifference has been manifested on the part of the national administration at Washington in reference to these outrageous violations of the precepts of constitutional law, and warn those in authority that if steps are not taken to the prevention of such, the moral structure of our government will be undermined and totter and fall.

We commend the decision of the supreme court in reference to the Baker murder at Lake City, South Carolina, and are grateful to those who have been instrumental in the bringing about of these results.

We commend the action of the Philadelphia Preachers' Meeting and other religious bodies and the religious and secular press that have spoken decidedly against these outrages.

We deprecate the action of the governor of Illinois in the race riots at Pana, Ill., as unsafe, unjust, and un-Christian, for we believe that those poor victims of violence had as much right to earn bread there as anywhere else in the world.

We enter our solemn and earnest protest against the toleration of lynch law in any section of this great country, and implore those in high authority in our land to exercise every power at their command to blot out of existence forever this debasing, outrageous and inhuman practice which denies to men that privilege which should be the unchallenged possession of every citizen—the right of a trial by jury.

We beseech with all earnestness the religious and secular press, and last but not least, the Christian pulpit to raise its voice in no uncertain language, in the name of justice, humanity, and almighty God against these crimes so shocking to our sense of morality.

PROTEST AGAINST CONGRESSMAN ROBERTS, OF UTAH.

Whereas, Brigham H. Roberts, congressman-elect from Utah, is an avowed polygamist, having at least three wives, and living with them in violation of law and solemn promises and the sense of morality; and, Whereas, The practice of polygamy is not only an offence to the morals of the nation, but has been the subject of special legislation and condemnation in connection with the state of Utah, by the pledges and assurances given by its people,

Resolved, That upon such a grave issue as is herein involved, every true American citizen will expect the House of Representatives to stand uncompromisingly for law, for morality and for the Christian home, by seeing to it that Brigham H. Roberts is promptly expelled from the fifty-sixth congress.

Resolved, That we earnestly call upon the representatives of our congressional districts to use their utmost endeavors to secure action by the fifty-sixth congress, proposing an amendment to the national constitution and submitting the same to the state legislatures, making polygamy, under whatever pretence, a crime against the United States, punishable by severe penalties, including disqualification to vote or to hold any office of honor, or trust emolument under the United States or any state or territory therein.

The secretary is directed to forward a copy of these resolutions to each member of the House of Representatives within the bounds of the Delaware Conference, and also to the Honorable Thomas B. Reed, speaker of the house.

SANCTITY OF THE SABBATH.

We, your Committee on the Sanctity of the Sabbath, submit the following report:

Believing the Sabbath to be an institution of God for the benefit of man's physical, mental and spiritual faculties, we can but tremble and protest against the spirit of indifference and desecration which seems to prevail.

Resolved, That we will refrain from holding or attending any camp or other meetings where there is Sunday traffic or any other desecration of the Lord's day under the authority of the church holding it.

The observance of the Sabbath as a day of rest and religious services is based upon the word of God, which is the foundation of civil and the moral law. To rob it of its sacredness is, therefore, to strike at the physical and spiritual happiness of man. Whereas, It is the duty of all Christians to strictly observe God's commandments and,

Whereas, Our Heavenly Father has command us to keep the Sabbath day holy. Therefore,

Resolved, That we, as ministers of the Gospel, will do all in our power by precept and example to prevent these forms of secularization of the Lord's day.

J. H. JOHNSON,
A. L. HENRY,
A. S. AMOS.

SUNDAY SCHOOLS.

Since we believe the Sunday School to be an important auxiliary to the growth of the church; and that it has for its object the training of young and old in the study of the Bible and the formation of religious character.

Resolved, (1) That great care be exercised in the selection of teachers who are earnest in their religious experience, intelligent in mind, apt to teach and godly in their lives.

Resolved, (2) That normal classes be formed in our Sunday Schools for the better training of teachers.

DELAWARE CONFERENCE.

Resolved, (3) That we recommend the purchasing of the literature for schools, lesson helps, periodicals and libraries for Sunday Schools from our own publishing houses.

Resolved, That the parents be requested to see that children study the lessons at home and use the Bible.

Resolved, That, whenever necessary, a Home Department be organized to care for those unable to attend the sessions of the school.

W. S. BROWN,
I. J. ELBERT,
Committee.

STATE OF THE CHURCH.

The church is the kingdom of God in the world vested in the hearts, and minds and actions of mankind; built upon the great foundation, God's word, Jesus Christ its corner stone. It is going forth over-running the land, curtailing the influence of evil, warning against wrong in all its forms, transforming this old world out of its serpent-beguiled portions and shaping and moulding it into the image of the Christ; and even now the wilderness and solitary place are being made glad for them, and the once great desert of wilds and ignorance, are blossoming into the dragon of Christian intelligence and godly manhood. Yet the prowling and the hissing serpent makes, if possible, a leaking place in folds of the curtains of the most holy place, and will wear any form of righteousness under which to hide his venomous sting, to poison the influence and sap the life of the church. But our God is a great God. He is mighty to save and strong to deliver. His kingdom is an everlasting kingdom, and His reign shall know no end.

The M. E. Church is an eye on this great stone, a window in this great ark, a part of this great kingdom. We, members and ministers of the M. E. church, must push the work for the Master and line in the spirit of the singer:

I love thy kingdom Lord,
The house of thine abode;
The church our blessed Redeemer saved,
With his own precious blood.

SOUTHWESTERN ADVOCATE.

Whereas, We recognize the necessity of a church organ to present the interests of the Methodist Episcopal Church, and since the Southwestern Advocate has been established by the General Conference and so admirably meets this need, therefore be it

Resolved, That we hereby adopt it as the official organ of this Conference.

Resolved, That we hereby express our hearty appreciation for the able manner in which Dr. I. B. Scott edits the paper, and hereby commend his work as meeting our strongest endorsement.

Resolved, That on the adoption of this resolution each member of this Conference hereby subscribe for the said paper.

Resolved, That we will present this paper to our people and secure at least 500 cash subscribers during the year.

DELAWARE CONFERENCE.

TEMPERANCE.

Whereas, We, as Christian ministers of the Delaware Conference, and dispersers of the Gospel of Christ for the conversion of the world; and

Whereas, The time has come when every possible effort should be put forth for the betterment of fallen humanity and the advancement of our Redeemer's kingdom; and

Whereas, The present evils of the liquor traffic in this country from year to year are challenging our effort to succeed with this grand and all-important cause; therefore be it

Resolved, 1. That we, as men of God, should stand united to fight this formidable foe upon every possible hand,

Resolved, 2. That we should instill it into the people of our respective charges and preach it with power from our pulpits.

Resolved, 3. That we heartily co-operate with every work that leads in this direction, whether temporal or spiritual.

Resolved, 4. That we condemn the unmitigated evil in whatever form it may present itself.

Resolved, That so far as practicable we will make a special effort to have our congregations and Sunday Schools observe the 4th of July, of each year, as a day consecrated to the promotion of the temperance reform; that we will especially seek to interest our children and young people in this movement; that, with songs, music, speeches and various services in our churches, public halls, or groves, we will strive to promote the proper and Christian celebration of the birthday of the nation in the cultivation of a sound temperance revival; and, finally, that we invite the co-operation of all religious bodies, temperance organizations, Young People's Societies of whatever name, and all churches, Sunday Schools, pastors, patriots and philanthropists, in this effort to save our nation from the curse of drink.

J. W. W. COX,
P. M. SHELTON,
W. H. JOHNSON.
Committee.

TWENTIETH CENTURY MOVEMENT.

At a meeting of the trustees of Morgan College, the Presiding Elders of the Washington and Delaware Conferences and the Preachers' Meetings, of Baltimore and Washington, the following resolutions were unanimously and enthusiastically adopted:

Whereas, The Methodist Episcopal Church has been called upon to make a "Twentieth Century Thank Offering," of not less than \$20,000,000, as an expression of gratitude to Almighty God for the mercies of the past, and as indicating the greater responsibilities of the century just at hand;

Whereas, It has been thought wise and best that \$10,000,000 should be contributed, independent of the regular collections, to strengthen the Educational Institutions of the church, that they may be fully prepared to meet the increasing demands that confront them; and

Whereas, The broadest and most thorough Christian culture is needed to equip successfully, workers in the cause of God; and

Whereas, Morgan College is so thoroughly justifying our hopes, and is so nobly aiding us to meet these demands, so far as its limited resources will allow; therefore be it

Resolved, That we call upon the members of the four patronizing conferences, the Delaware, Washington, Wilmington and Baltimore in particular, and their friends in general, to set apart and contribute not less than \$100,000, to be used for the endowment of Morgan College and its branches, the payment of the debt, the building of a girls' dormitory at Baltimore, a boy's dormitory at Lynchburg, and a teachers' home at Princess Anne.

ANNUAL MINUTES OF THE

Resolved, That we pledge ourselves to support this effort, and co-operate with it to the extent of our ability, and we ask the Conferences to devise such methods as they shall deem wise to secure the desired results.

Resolved, That in the Delaware Conference we pledge ourselves, preachers and presiding elders, if spared for the coming three years, to do all in our power to secure a personal subscription from every church member, probationer, Sunday school scholar, member of our Epworth Leagues, and all other friends, that all may enjoy the blessing of giving to so worthy a cause.

Resolved, That we will do all in our power to arrange for education rallies through the Conference, that hearings may be given this cause and the people reached and informed, enthusiasm aroused and success secured.

Resolved, That we recognize the fact that this is the set time to aid our schools to secure a firm financial foundation and we will swing into line with the great Twentieth Century Thank Offering movement, and march into the next century with the pledge of splendid victory in our hands and the shouting of joy in our hearts.

Resolved, That we recommend a special Sunday, to be known as the Twentieth Century Thank Offering Day, to be observed in all our churches for the purpose of receiving special offerings for the objects above mentioned, and that we recommend the use of a special service for that day, to be prepared, subject to the approval of the permanent committee.

For this committee we recommend the Presiding Elders and one pastor from each district to be appointed by the Bishop.

Resolved, That to secure the subscriptions for this offering, we recommend the use of the Twentieth Century Thank Offering Souvenir Card devised by Bro. Wagner for that purpose.

For the Committee,
F. J. WAGNER.

TWENTIETH CENTURY COMMITTEE:

The Presiding Elders, pastors of the following churches, Princess Anne, Preston, Port Deposit, Centreville, Mount Holly.

RESOLUTION OFFERED BY F. H. BUTLER.

Resolved, That we recommend to the Board of Bishops that the annual Conference be held not earlier than the first week in April.

Headache.

Horsford Acid Phosphate.

Headache may arise from a disordered state of the stomach, or it may have a nervous origin. The Acid Phosphate, by its action in promoting digestion and as a nerve food, tends to prevent and alleviate the headache arising from either cause.

Dr. F. A. Roberts, Waterville, Me., says:

"Have found it of great benefit in nervous headache, nervous dyspepsia and neuralgia; and think it is giving great satisfaction when it is thoroughly tried."
