CHRISTIAN SOCIAL CONCERNS: The report of the Commission on Christian Social Concerns was presented by Richard C. Stazesky. The report was adopted as printed in the Pre-Conference Journal, including the following resolutions:

RESOLUTION ON VOTING RIGHTS BILL

WHEREAS The Methodist Church believes that the right to vote should be guaranteed to all citizens of legal voting age regardless of race, culture, national origin, social class, or religion, and

WHEREAS the practice of denying voting rights by immoral means and deceptive practices on the basis of race has not yielded in all States of the United States to education and moral persuasion, and

WHEREAS the effective dential of voting rights in some States constitutes a national disgrace;

THEREFORE be it resolved that the Peninsula Annual Conference of The Methodist Church calls upon the members of the Congress from Delaware and Maryland to give all support in their power to the passage of effective voting rights legislation not hampered by crippling amendments; also to passage of legislation that will protect votes and voters against fraud and corruption.

The above resolution was amended by John N. Link and was adopted by the Conference as amended.

FAIR HOUSING RESOLUTION

WHEREAS the evil of discrimination against racial minorities in the rental and sale of residential property is clearly contrary to Christian teaching, and

WHEREAS the Social Creed of The Methodist Church states that "The right to choose a home . . . should be guaranteed to all regardless of race, culture, national origin, social class, or religion" and (1964 Discipline, Page 662, D-1)

WHEREAS this evil has failed thus far to yield to education and moral persuasion.

THEREFORE be it resolved that the Peninsula Annual Conference of The Methodist Church petitions the General Assembly of Delaware and the State Legislature of Maryland for prompt passage of Fair Housing bills which will prohibit such discrimination in the sale and rental of residential property, and

BE IT FURTHER RESOLVED, that this Conference calls upon all members of this Church to comply voluntarily with the spirit of such a law, whether enacted or not, and, when engaged in any real estate transaction as seller, landlord, or broker, to avoid strictly any discrimination on grounds of race, culture, national origin, social class or religion.

RESOLUTION ON STATE LOTTERIES

WHEREAS The Methodist Church stands for the achievement of community and personal standards which make unnecessary the resort to petty, commercial, or state sponsored gambling, as a producer of public or charitable revenue, and

WHEREAS the record of State sponsored lotteries reveals a strong tendency to encourage corruption in political and social life, and to afford moral, financial, and other support to criminal elements by the State itself, and

WHEREAS the victims of State lotteries include compulsive gamblers and entirely too many of people who can least afford the loss of any money, and

WHEREAS the institution of State lotteries as a means of producing revenue puts the State in the despicable business of preying upon the weak;

THEREFORE be it resolved that the Peninsula Annual Conference of The Methodist Church deplores any and all efforts to establish State Lotteries, and

BE IT FURTHER RESOLVED that this Conference calls upon the General Assembly of Delaware and the State Legislature of Maryland to reject any measures looking toward the establishment of State lotteries.

RESOLUTION ON DOG RACING

WHEREAS a high degree of criminal and racket gang involvement in Dog Racing operations is indicated by previous investigations by a respected social agency in Delaware, and

WHEREAS such racketeering involvement or control in Dog racing, as alleged by the Agency afore mentioned, makes such racing a racket not to be compared with Horse racing, and

WHEREAS experience with Dog racing operations in at least two other states has caused these states to ban the operation, after previously legalizing it;

THEREFORE be it resolved that the Peninsula Annual Conference of the Methodist Church calls upon the Senate of the General Assembly of Delaware to conduct public hearings and a full investigation of the extent of racket gang involvement or control of Dog racing prior to voting on the related House Bill now in the Senate;

BE IT FURTHER RESOLVED that such investigation of racket gang involvement in Dog racing should include a full investigation of the interests involved in persistently pushing Dog racing bills in session after session of the Delaware Assembly despite repeated defeat.

RESOLUTION ON THE DEATH PENALTY

WHEREAS The Methodist Church believes that God in Christ is seeking to redeem all men and also society, and

WHEREAS we believe that all persons have supreme value in the sight of God and ought to be so regarded by us, and that all institutions and practices should be tested by their effect upon persons, and

WHEREAS we stand for the redemptive principle in treating law offenders and for study and action directed toward the improvement of laws, correctional facilities and services, and court procedures in order to facilitate rehabilitation, and

WHEREAS the death penalty inflicted by the State in the name of its citizens fails the test in that it denies the redemptive principle, negates rehabilitative criminology, and brutalizes both individuals and social procedures to the detriment of all concerned;

THEREFORE be it resolved that the Peninsula Annual Conference of The Methodist Church, in accord with the Methodist Social Creed, deplores the death penalty, and

BE IT FURTHER RESOLVED that this Conference calls upon the General Assembly of Delaware and the State Legislature of Maryland to rescind the death penalty and to enact adequate rehabilitative procedures to restrain crimes of violence.

CONCERN FOR WORLD PEACE.

WHEREAS all men are members of one human family, and our religious heritage entreats us to love our neighbors, we are appalled by the human tragedy and suffering involved in the struggle in Viet Nam and now in the Dominican Republic.

Being alarmed at the increasing danger that threatens even greater global conflict, we are aware that peace must prevail so that people in the world may work together to relieve poverty and meet human needs. We therefore, the Peninsula Annual Conference of the Methodist Church, weigh upon the President and the government of the United States, to continue to seek peace through unconditional negotiations and to pursue a shift of major policy emphasis from military measures to social and economic reconstruction.

DELAWARE CONFERENCE

COMPOSITE REPORT

Bishop Lord, Members and Friends of the Peninsula Annual Conference:

The simple act of my standing here at this time is a marvelous demonstration of the transforming power of the love of God. This is a new day for christians; and especially so for Methodist living on the peninsula. It is a day when we can not afford to remain static. As Dr. Fosdick said, "It is a great time to be alive."

My standing here, also symbolizes the closing of the curtain on one hundred-one years of glorious history of the Delaware Annual Conference.

Its history is not unlike that of any other great movement. It has had its valleys and its peaks. It has had its high moments and its low ones. Nevertheless, a thread of unbroken faith connected everyone of them. Today we come, realizing that the drama is not finished. We look now toward a larger fellowship of christian service.

So at this time, it is my privilege to present the 1965 composite report for the four District Superintendents of the Delaware Annual Conference whose work was located within the bounds of the Peninsula Conference.

Evangelism

During the past year, we have emphasized that every member of the local church should make a complete dedication of self to Christ and his way of life. To this end, we have urged the pastors and people to employ every method of evangelism. As a result, the following methods were widely used. Namely, visitation evangelism, preaching missions, christian witness missions, personal evangelism, and mass evangelism. Reports indicate that 485 new members have been received this year. The total full membership of the churches on the peninsula is 16,238.

Christian Education

Under the leadership of our Executive Secretary of Christian Education, Reverend Howard A. Bailey, and his staff, this year much of our program has been sponsored on an inter-conference basis.

The scope of the program has consisted of leadership training schools, adult convocations, youth institutes and assemblies, workshops preparatory to introducing the new curriculum materials for children, ministers' retreats and a few other educational adventures.

Our conference also participated with the Peninsula Conference in promoting the Bishop's Conference on the Ministry in December. There were twenty-five pastors and forty-five youth in attendance from the Delaware Conference.

All of these experiences we believe, have been rich and rewarding. The worshipping, working, and fellowshipping together has done much to change attitudes. Appreciations were developed, understandings were enlarged, respect and admiration for one another were shared and expressed. Therefore, much of what we have been able to achieve thus far in the area of human relations, has come about because of the influences of christian teaching.

Today, we bring to the larger conference a church school membership of 11,206 pupils.

Missions

We have come to know that the real meaning of World Service and Advance Giving is not a column of figures; but the liberating, healing, and enlightening ministry that such giving makes possible. It is an expression of love, courage and understanding. Our reports reveal that more churches have paid their World Service budget in full this year than any other year previously. Total paid $31,696.00.

Christian Stewardship and Finance

"Christian Stewardship is a way of life involving our relationship with God. It relates to all of life and makes us responsible to God for what one does with it."

Christian stewardship cultivation in the conference has been a great concern over the years. This year, it has been lifted up at district conferences, and at lay retreats. A one day interboard school was held on each district last October. The pastor and chairman of the local church commission on Stewardship and Finance attended.

Many churches have held prayer vigils, every member visitations and sponsored monthly programs of stewardship cultivation. Hence, the financial support of the church has been strengthened, and a deeper faith in the importance of a greater commitment to the giving of time, talent, gifts, and service has been evidenced.

Pensions

As the economic level of our church membership has risen, and as more of our laymen become concerned about adequate ministerial support, contributions have increased for pensions.

The Ministers' Wives' Associations, supported by the laity, have played a great role in the raising of our pension funds over the years. The sum reported this year by the Ministers' Wives' was more than $14,000.00. We bring to the enlarged Peninsula Conference in cash assets $345,437.00 for pensions.

As I conclude this report, let me on behalf of your district superintendents of the Delaware Conference, express our sincere appreciation to all of

the fine people whom we represent. Our fellow ministers, their gracious wives, and the loyal and faithful laymen gathered here, as well as the unseen multitudes back home; have responded most creatively to our leadership.

And to you, Bishop Lord, we are grateful for the fine leadership you have given us during this transitional period. Your Christ-like spirit has been a stabilizing force in our midst. Mrs. Lord, your presence has also been a blessing to us.

The curtain has fallen on the one hundred years of glorious history of the Delaware Conference. But, the endless line of splendor shall not cease. While one curtain closes another opens. It opens upon a bright and promising future in Methodism. It opens upon a future that belongs to those who dare to dream.

Not only, is this true for people called Methodist; but for christians around the world. For we look toward a future that holds promise of a world in which there will be no more war, no brutality, no injustice, no sorrow and universal brotherhood will hold sway.

Standing upon the threshold of a new world order, we are challenged as we join hands with fellow-Methodist to become channels through which God's love can spread throughout the land. Then the vision granted to the Christian mystic will be realized:

> "The kingdom of the world has become the
> kingdom of our Lord and His Christ,
> and He shall reign forever and ever."
> (Revelation 11:15.)

Respectfully submitted:

JOHN R. SHOCKLEY.

PENINSULA CONFERENCE

COMPOSITE REPORT

In keeping with the precedent established last year, we are again bringing to you a composite report by the District Superintendents of the Peninsula Conference. In as much as individual District Reports have been printed for general distribution, this report will concern itself with the broader aspect of our conference activity.

Inevitably, there are called from our ranks each year, those who enter the church triumphant. The names which constitute this list have been called earlier this morning, at which time we honored the memory of those departed. Likewise at this time we would call the roll of the newcomers who have joined the family circle in our various parsonages. These are: Katherine Ellen Gibson, daughter of the Rev. & Mrs. Richard S. Gibson, born April 30, 1964; Julia Ann Walker, daughter of the Rev. and Mrs. Daniel E. Walker, born May 10, 1964; Brian Lynn Ziegler, son of Rev. & Mrs. Gary Ziegler, born June 3, 1964; Mary Emily Barton, daughter of the Rev. & Mrs. Charles E. Barton, born June 12, 1964; Andrew William Kelly, son of Rev. & Mrs. Robert Kelly, born June 14, 1964; Daniel Boyd Starnes, son of Rev. & Mrs. Ronald Starnes, born August 4, 1964, Denise Dawn Gladden, daughter of the Rev. & Mrs. Herbert H. Gladden, born August 9, 1964; Sandra Lea Pruett, daughter of the Rev. & Mrs. Dale R. Pruett, born September 18, 1964; Peggy Sue Kirk, daughter of the Rev. & Mrs. George Kirk, born October 5, 1964; James Alexander Boda, son of the Rev. & Mrs. Alexander L. Boda, born October 9, 1964; Michael Lawrence Staton, son of Rev. & Mrs. Lawrence E. Staton, born October 29, 1964; David Henry Horney, son of the Rev. & Mrs. Edwin J. Horney, born January 17, 1965; and Pamela Jill Geiger, daughter of Rev. & Mrs. Joseph Geiger, born May 7, 1965.

Two of our conference ministers were married during the past year. The Rev. Charles M. Moyer and Miss Dorothy Anne Pepper were married on June sixth, and the Rev. John A. Buckley and Miss Shirley Benton were married on June twentieth.

At this conference session, the Rev. Harry H. Conner and the Rev. William T. Archer are requesting voluntary location. Also four of our ministers are seeking the retired relation. They are: the Rev. Milton R. Elliott; the Rev. James C. Steen, the Rev. Harold Fordham; and the Rev. D. A. Littleton. We pray God's continued blessing upon these our brethren in their new relationships.

Effective at the conclusion of this conference, the following charge alignments will be made; Immanuel Union Church, formerly of the Delaware Conference will be added to the Cheswold charge; Kirkwood Church will be attached to Delaware City; and Trinity and Brandywine Churches in Wilmington will comprise an inner city parish served by a pastor and an associate pastor.

Approximately a year ago the General Conference presented to us the quadrennial theme, "One Witness in one World." Moved as we were by this great challenge, it was utterly impossible for us then to contemplate the unanticipated turn of events which have so rapidly led to the merger of these two conferences. The unprecedented action of both the Central and North Eastern Jurisdictional Conferences have thus opened the door for this heroic witness. And at every turn, we have been thrilled by these experiences, as God has led us in this new encounter. In a very real sense this is the program of evangelism. And our Conference Board, through its chairman, the Rev. John Edward Jones and the District Secretaries, have helped to keep this message before us.

Early last January I heard Dr. Wallace Hamilton deliver a most inspiring New Year's message to his congregation in St. Petersburg, Florida. He titled it "The Romance of an Idea." His entire thought was centered in the one word "Serendipity". This word suggests the art of finding valuable and agreeable things not necessarily anticipated or sought for. This truth has been brought home to us many times in recent months, as representatives of these two conferences have sat together in working out the details of this great merger. Consistently the result has been the achievement of even greater goals and deeper and more lasting joys than we had ever anticipated. Therefore, in behalf of my colleagues in the cabinet, I am exceedingly happy to welcome these our brothers from the Delaware Conference, who have now joined us in the ranks of service and fellowship of the Peninsula Conference.

It has been a thrilling experience to note the way and manner in which our Conference Boards and Agencies have so effectively carried out their duties this year. The Conference Council has proved to be a coordinating influence in the unification of the whole conference program.

Our Board of Education under the skilled leadership of the Rev. Walter Stone, and in cooperation with the Rev. Howard A. Bailey of the Delaware Conference, has established a rapport with our local Churches which is proving very effective in the work of Christian Education. The New Methodist literature is being accepted and utilized with enthusiasm all across the Conference. We are justly proud of our camp program, as we observe the effectiveness of this influence among our youth. The past year the General Board of Education of the Methodist Church selected Wilmington, Delaware as one of the three cities in the United States for a pilot program. A study action project was established to relate the older youth and young adults in business and professional schools. The Rev. Donald Kauber of Ohio was the project worker. As a result of this study and the many contacts made during the year a "Coffee House" has been developed in facilities donated by Grace Church.

A wide variety of programs, discussion groups, study classes and fellowship activities are now offered. This project will be continued under the auspices of the Wilmington District Extension Society. Many other agencies are cooperating either directly or indirectly in the program of Christian Education. In this connection we think of Wesley College with its far reaching influence; of our Board of Ministerial Training and the guidance and help it provides to our candidates for the ministry; the Committee on Higher Education and its work without Wesley Foundation programs; the Christian Vocation's Committee and its sponsorship of the Bishops Conference or the Ministry; as well as the Television, Radio and Film Commission. All of these are making excellent contributions in their respective fields. Because of the acquisition of the "Drayton Methodist Manor" property, we now anticipate the early development of a conference retreat center near Chestertown, Maryland. At the request of the Conference, the Rev. William F. Dunkle, chairman of this project, has made a detailed study, not only of the facility itself but the way and manner by which such a center can serve and benefit the conference. We are most grateful, both to the original donor for this gift, and to Dr. Dunkle for his time and effective labor in adapting the same to our need. Knowing that the church is "mission," we wish to recognize the work of our Conference Board of Missions. We are indebted to the Rev. O. G. Brewer and his able staff of workers, as these engage themselves in the work of Missionary Education and Cultivation. This Board, together with the Town and Country Commission relates our churches to the vast opportunities and challenges which constantly confront them. A special project for this year has been the survey study which is now being completed and the results of which will be revealed in a special report at this Conference session. We believe that this study will open our eyes to some of the great needs of this Conference. Also we would recognize the devoted service of our Commission on World Service and Finance. Many hours of dedicated effort on the part of the Chairman, Mr. Gilbert S. Scarborough, and the conference treasurer, Mr. John F. Kelso, have made possible this exemplary program of stewardship. We commend our churches for their response in this work and remind ourselves that World Service is the "life blood" of the church, and the avenue through which God is able to act and move.

The board of lay activities is finding open doors for increased activity. The conference lay leader, Mr. Maurice N. Hancock and his associates have assumed the role of "Circuit Riders" and have traveled up and down this peninsula in response to numerous invitations so as to relate this program to the local church. At the present time this agency is cooperating with the Board of Hospitals and Homes, which is now in the making. What a great opportunity confronts us in extending the arm of compassion and help; both through the Board of Child Care and the Board of Hospitals and Homes.

Especially would we recognize the work of the Executive Director of the Methodist Country House, the Rev. George H. Pigueron, for what has been accomplished in Wilmington. It is our prayer that before many months have passed, that equal facilities will be available at Seaford.

Perhaps one of the most active and efficient of all conference agencies is the Woman's Society of Christian Service. Through the many facets of this diversified program, these women of the Methodist Church are alerted to, and participating in the effective outreach of the church across the world. We are deeply impressed and greatly stimulated by the pattern these women have established in setting up their new Conference Organization. We would also express our most sincere appreciation to Mrs. William F. Dunkle, the Conference President; who now concludes her two year term of office. We have admired her charming personality, and the gracious manner in which she has given herself so devotedly and so effectively to this cause.

This report would by no means be completed without a tribute to the work of the Steering Committee and the Board of Social Concerns. To speak of either is to refer to the courageous and aggressive leadership of their chairman, the Rev. Richard G. Stazesky. We sometimes wonder how he found any time at all to serve his local church. For a number of years Mr. Stazesky has devoted himself to the study of many problems of social concern. In a very real sense he has been the "man of the hour". Surely this entire conference would wish to join with the Cabinet in this acknowledgment of praise and appreciation.

One year ago this conference requested that a special committee be set up to study the merits of a Central Business Office for this Conference. The Rev. Mr. William Hemphill, Jr. was appointed Chairman of this group, and he has led the committee in extensive research and study of this project. The facts seem to indicate that such a program is feasible; and that it could facilitate the work of the conference if such a program should be approved.

This is by no means an all-inclusive report. We think of the Board of Pensions under the able leadership of the Chairman, Mr. George P. Chandler, as well as many others. But it is utterly impossible within the confines of these limitations to reveal and acknowledge the many and devoted labors of our faithful pastors and laymen. We are so very grateful to our Heavenly Father for His presence and guidance, without which none of this story could be written.

I would not wish to conclude this report without a word of appreciation for my colleagues on the Cabinet. Throughout the year, each has cooperated to the fullest; and it has been a high privilege to serve in this congenial relationship. There is however a feeling of sadness and concern in recognizing the fact that the senior member of this Cabinet, the Rev. R. Jervis Cooke is now concluding his sixth year in this office; and therefore, according to the law of the church, he can no longer serve in this capacity. Because of his genial personality, his keen insights, his brotherly affection and his exemplary christian character, he will be greatly missed by those who have worked so closely with him. His record speaks for itself, not only on the Wilmington District, but throughout the conference. Neither can I resist the impulse to voice our admiration, pride and affection for Bishop John Wesley Lord. He gives to this Conference and the Washington area a strong and courageous leadership. Too, he serves the general church in various capacities, yet this envolvement has in no sense diminished his

knowledge of, and interest in each local church, and each pastor under his care. To both Bishop and Mrs. Lord we express our affection; and in their behalf we offer our sincere prayers.

No longer are we two conferences—but one, even as our purpose is one. We have no other desire but to serve and glorify God through the work of His church. Let us continue to declare this purpose. The Methodists of the Peninsula Conference are indeed one people.

Respectfully submitted,

ALTON S. MILLER

Thirty-two charges met their full responsibilities at Pecometh. Giving to Advance Specials and other Benevolences amount to $15,356.

Payments on Debt reach the total of $162,967. Easton, Kent Island, St. Paul's and Zion of Cambridge, and Centreville lead the list. Betterton, Galena, and Tilghman have burned "Notes of Debt."

Building and Improvements expenditures are $111,350. Major advances have occurred at Betterton, Burrsville, Church Creek, Church Hill, Christ of Chestertown, Dorchester, Ridgely, Rock Hall, and Zion of Cambridge. Christ of Federalsburg has a new parsonage and plans are complete for the same at St. James.

Communion Breakfasts—five of these were included in the lay activities for Lent, with an attendance of 494 and gifts to the Board of Child Care of $369. Samuel M. Cannon, Jr., Lay Leader, is giving faithful and competent leadership.

REPORT OF THE BOARD OF CHILD CARE

Services to People

On a Friday evening they will be at the Scout meeting, at the bowling alley, in our own auditorium partying, or perhaps in the cottage. Sunday morning finds them at church, some singing in the choir. On Monday they are off to school, eager to return in the afternoon to waiting houseparents. And so it goes, through the week for boys and girls in our Child Care Center.

A total of sixty-six have been in residence this year—coming from broken homes, the children in our Center have known the turmoil and insecurity caused by divorce, alcoholism, death of a parent. Each year it appears to those who know them that the problems are greater and the need for an understanding staff and community is accented.

Of the fifteen children who left the Center during the year, two went to live in foster homes; four were transferred to other institutions offering needed specialized services; seven were able to return to live with members of their own family. The United States Air Corps claimed one of our two June graduates—the other graduate has continued to live at the Center and is now completing his first year of college. For that opportunity, we are all grateful to the Conference Board of Lay Activities and others who made known the need and helped to provide the funds. Another of our young people has used vocational guidance offered by Good Will Industries, and is on her way to live at the Methodist Business Girls' Lodge. We appreciate this opportunity of working with another of our Methodist Homes, for this young person.

A total of fifty-one children have been in Board of Child Care foster homes. This includes thirty-eight infants, born of unwed mothers and received by us from the hospital maternity ward. Awaiting adoption, they are placed with Methodist couples who wish to become permanent adoptive parents.

Our social workers have provided services to forty-two unwed mothers. "How shall I plan for my baby? Is adoption the answer? Where is maternity care available?" These are some of the many problems they present. The support these girls receive during their hour of crisis helps to provide a renewed faith; to maintain a sense of dignity; to bind them to the church.

Twenty-nine infants have been placed with Methodist couples seeking to adopt. Such couples are encouraged to contact their minister who will inform our office.

Work of Board

The many committees of our Board have gone about their work quietly and with dedication to the children whom we serve. Among their accomplishments are:

1. Completion of planning for the development of a playfield for our boys and girls. This includes drainage and grading of one section

of our Rockdale site. Financed in part by a bequest, this work is under way.

2. A study of personnel practices and problems, with recommendations for development. Shortages in houseparent and social work staffs continue to hamper our work.

3. The planning of our annual Christmas promotion and appeal.

4. A proposed revision of the Charter, Board of Child Care.

Revision of Charter

The following revision of Section 3, Constitution and Charter of the Board of Child Care, is presented:

Section 3. "The Board of Child Care shall consist of thirty-six Directors, who shall be chosen as follows: Five Directors nominated by the Board of Trustees of The Strawbridge Home for Boys who shall serve continuously; five Directors nominated by the Board of Trustees of the Kelso Home for Girls who shall serve continuously; nine Directors nominated by the Peninsula Conference of The Methodist Church; and seventeen Directors nominated by the Board of Child Care, of whom two shall be the presiding Bishop of the Washington area and the President of the Woman's Auxiliary of the Board of Child Care. The Bishop of the Washington area and the President of the Woman's Auxiliary of the Board of Child Care shall serve continuously by virtue of their respective offices. The remaining fifteen Directors who are nominated by the Board of Child Care shall serve for staggered three-year terms as heretofore in effect. None of the said fifteen Directors who shall have served two full consecutive three-year terms shall be eligible for re-election for a period of one year. All nominations shall be submitted to the Baltimore Annual Conference of The Methodist Church for election by the Conference.

In accordance with the Merger Plan Agreement adopted by the Board of Child Care on March 10, 1953, The Kelso Home for Girls on March 17, 1953, and The Strawbridge Home For Boys, March 18, 1953, and approved by the Baltimore Annual Conference, June, 1953, each of the said Homes shall have the right and privilege, at its election, to designate five Trustees to own and hold all real and personal property now owned or hereafter acquired by such Homes. The aforesaid Trustees shall hold office as Trustees and as Directors of the Board of Child Care continuously; provided, however, that any vacancies within either group of Trustees created by death, resignation, or any other cause shall be filled by nomination by the remaining Trustees of such group, and confirmed by the Baltimore Annual Conference.

In the event of a vacancy (or vacancies) in the membership of the Board of Directors which does not result from a vacancy (or vacancies) on the Board of Trustees of The Kelso Home for Girls and/or the Board of Trustees of The Strawbridge Home for Boys, such vacancy (or vacancies) may be filled by the Board of Directors electing a successor Director (or Directors) by majority vote at any regular or special meeting at which a majority of the members then constituting the Board of Directors is present; and the successor Director (or Directors) so elected shall hold office pursuant to such election until the next meeting of the Baltimore Annual Conference.

The District Superintendents of the Baltimore Annual Conference and the Peninsula Annual Conference shall be advisory members of the Board with the privilege of voice at all meetings but not the privilege of vote."

Woman's Auxiliary

A fellowship of men and women, organized to aid the programs of the Board of Child Care however and whenever it can, this group is credited with numerous accomplishments.

In October it welcomed Bishop Lord to our annual open house. Its Christmas party for our children, with the program planned by our boys and girls, was a huge success. The trip it sponsored for fifty boys and girls from the Center to New York was thrilling—our children toured the Fair, climbed the stairs of the Statue of Liberty, and walked the halls of the United Nations. Many small volunteer subscriptions covered the cost of this project: and assured us all of your devotion to this work.

The Auxiliary aims to collect 1,300 books of S & H green trading stamps for a club station wagon. Funds raised through its special projects will be used toward buying needed equipment for the new playfield, and contributing $7,500 to our annual budget. In a more direct way they work as key women in the local church to arouse interest in our work and assist the minister in promoting the annual Christmas Offering.

Christmas Appeal

Over fifty percent of the funds to operate this program come from an offering taken in the local church at Christmas. This Christmas appeal presents an opportunity for each of our members, from the child in Sunday School to the adult, to share what he has with a child who has not. Appropriate materials are provided each minister.

Welcome Extended

A welcome is extended to each minister and each member of the churches merging with the Peninsula Conference this year. We are aware that an expansion of services is indicated and we hope to meet this challenge. Assurance is given that the Board of Child Care shall render its services to any child within the bounds of the Washington area of the Methodist Church and with consideration solely to the scope of the Board of Child Care services, to the child's need for the service rendered by this Board and to our ability to help him.

Conclusion

In conclusion, it has been a busy year for the Board of Child Care. Despite staff shortages we have continued to provide group care and foster homes to increased numbers of children, guidance to the unwed parent, and infants to those seeking to adopt. We regret the necessity of turning away others who sought and needed help. Appreciation is extended to our Staff and to our Board for their loyalty and devotion; and to each of you, who by your support, has said to a child, "we care".

BOARD OF CHRISTIAN SOCIAL CONCERNS

1964-65

Following is a list of some of the goals and accomplishments of the Board of Christian Social Concerns in the year 1964-65.

(1) The district directors have worked to organize and activate local church commissions on Christian Social Concerns. Workshops for the commissions were held on each district in the fall.

(2) The Board helped to make possible the participation of the Rev. Howell O. Wilkins in the Christian Peace Assembly in Prague, Czechoslovakia, June 28 to July 3, 1964.

(3) A kit of materials for World Order Sunday was sent to all pastors of the conference.

(4) Seven members of the Board attended the Quadrennial Convocation on Christian Social Concerns which was held in Washington, D. C. in October.

(5) Local churches were encouraged to sponsor a school of missions on "The Church and the New Nations".

(6) The book "In the Midst of Plenty" by Ben Bagdikian was sent to all pastors of the Peninsula Conference and to Delaware Conference pastors within our boundaries.

(7) A detailed study was made of the gambling laws of Maryland and Delaware.

(8) Support was given to those in the Maryland legislature working for laws requiring the breath test to determine intoxication in the case of motor vehicle accidents and for laws restricting liquor advertisements. Opposition was made to a bill that would extend the hours for serving liquor in Delaware.

(9) A booklet on teenage drinking was sent to all pastors of the Peninsula Conference and to pastors of the Delaware Conference within our boundaries.

(10) A board member attended a national conference on "The Human Rights and Genocide Treaties".

(11) Churches were encouraged to arrange for interracial meetings and other types of interracial contacts, especially with members of the Delaware Conference churches. This was part of the Board's efforts to get churches to prepare their members for the enlargement of the Peninsula Conference when Delaware Conference churches transfer into it.

1965-66

The board will continue to try to get Commissions on Christian Social Concerns organized in every church. District and subdistrict workshops will be set up to train commission members in their work.

The board will continue to work for a truly inclusive church. It must be recognized that the inclusion of Negro churches in the Peninsula conference does not mean that the scandal of racism has ceased to exist within the churches. We cannot be satisfied until every church of the conference manifests a truly inclusive spirit.

Since the conference after May will have abolished structural segregation within itself, it is time that we gave increased attention to the gross injustices that still exist in society. The churches should work for the passing of fair housing laws and should seek to aid in their implementation. Local churches should also concern themselves with the fact that equal opportunity in employment has not yet been achieved.

This year, 1965, is the 20th anniversary of the United Nations. It is ironic that the United Nations, in its 20th year anniversary, is perhaps at this particular point undergoing the severest criticism. It is time for us, as a Church, to register our support of the United Nations as the institution that holds the most realistic prospects for future international cooperation and world peace. In connection with the 20th anniversary of the United Nations, this year, 1965, has been designated as International Cooperation Year, and it is suggested that we not only focus our attention on the many existing problems that involve international cooperation on the level at which the U. N. is able to function, but that we should also be stimulating new and imaginative proposals in which persons of every level of interest and ability may become involved. When we speak of something as large as the U. N., and as broad in its scope and interest as the U. N. finds itself involved in the world, we may very well lose the individual participation, and therefore, we should be concerned to interpret the United Nations as an organization in which each of us can become involved as Christians, in terms of our support.

As a Conference Board, we would encourage local Churches, through their Commission on Christian Social Concerns, to sponsor a distribution of information concerning what the U. N. is, and the role that it plays in our world as we work toward peace and order. We are suggesting that during the month of June, 1965, prayer vigils be held in the local Churches, under the direction of the local Church Commission on Christian Social Concerns; that we urge seminars at the U. N. during this year on the Conference level, and also on the local Church level. There can also be the promotion of the observance of World Order Sunday in October, that can begin in planning stages much earlier than October, as well as participation of Churches in United Nations Day and its observances on a community basis. The local Church can play a strategic part in the development and cultivation and support of the United Nations. The Conference Board of Christian Social Concerns will sponsor a seminar in the fall of 1965, which will include emphasis upon United Nations General Assembly meeting, which will be reconvened in September of 1965. This plan, as the Board is now developing it, will be that such seminars will be held on the District level, with opportunity for Churches to participate on the part of their local Com-

missions being involved in the three major divisions of the Board, namely: World Peace and Order, Human Relations and Economic Affairs, and Alcohol Problems and General Welfare.

When we turn our attention toward disarmament, we find ourselves confronted with the fact that progress seems to be disappointingly slow. Nevertheless, we should emphasize our position as a Church that is strong as ever, and we look forward to agreements supplementing the Test Ban Treaty. Regardless of how much progress is made in disarmament, it is becoming obvious to our political and economic leaders that it is wasteful as well as dangerous to accumulate indefinitely weapons of mass annihilation. Therefore, we should encourage the trend toward the closing of bases and the reduction of the production of fissionable materials. These must precede any basic agreements that are made in the area of disarmament.

We encourage local Churches to take action in the following ways: Support, by corresponding with your Legislators, national legislation in the areas of disarmament. There should be wide distribution among communities of studies on why we are expecting disarmament to be a necessary prelude to World Peace and Order.

ANNUAL REPORT OF WASHINGTON AREA DIRECTOR OF PASTORAL COUNSELING

During the past year all phases of the area program of pastoral counseling have been further expanded in both the Baltimore and Peninsula Annual Conferences as follows

A. The Area Director is available for confidential counseling with clergy and their families. He has counseled with a total of 46 persons for a total of 322 interviews during the past year. Personal appointments may be made by calling (202-332-2131) or by writing Dr. Hathorne at 1500 Sixteenth Street, N. W., Washington, D. C. 20036.

B. The organization of Pastoral Counseling Services as a referral resource which the local pastor may use for helping his people with personal problems. In addition to the Washington P. C. S. and the Wilmington P. C. S. the Baltimore P. C. S. was opened in October with Dr. Carroll A. Wise, Professor of Pastoral Counseling at Garrett Theological Seminary, lecturing at the opening workshop, and the Dover P. C. S. and the Salisbury P. C. S. were launched in April with Dr. Homer Jernigan Danielsen, Professor of Pastoral Counseling at Boston University School of Theology, speaking at the opening workshops. During 1964 these church-related counseling services provided assistance to 301 persons through a total of 2188 interviews. With the recently established services these statistics will nearly double during the present year.

C. An annual pastoral counseling training workshop is held at each Pastoral Counseling Service. In October the Wilmington P. C. S. featured the Rev. Howard J. Clinebell, Jr., Ph.D., Associate Professor of Pastoral Counseling at the Southern California School of Theology, in a one day workshop on "Understanding and Counseling the Alcoholic." The intensive intern training program for pastors is constantly being improved and meets the standards of the American Association of Pastoral Counselors. Plans for additional opportunities for training to assist the local pastor in improving his skills in pastoral counseling have been completed for next year at each of the training centers.

This area program of counseling is an expression of your church's concern for individuals. The concerned and caring Church stands by those persons who are facing difficult days, and our area program seeks to assist the local pastor in his own counseling ministry by providing workshops, seminars, and training to improve his skill and competence, and to provide a referral resource where the local pastor may find help for his people beyond his own limits of time or ability.

BERKELEY C. HATHORNE, Area Director

REPORT of THE COMMISSION ON CHRISTIAN VOCATIONS

Should I consider the ministry? Your Commission on Christian Vocations exists to translate the implications of this question into a program which: (a) promotes among youth and adults a philosophy of christian vocation that recognizes the potential sacredness of all useful work and all opportunities for Christian life service; (b) presents to youth and adults the opportunities and claims of the pastoral ministry and other church vocations. Briefly summarized are the efforts your Commission made toward the realization of these objectives this year.

The Bishop's Conference

A major emphasis was placed on recruitment for the parish ministry this year. Stimulated by the leadership of Bishop John Wesley Lord, the encouragement of Bishop Edgar A. Love, and the diligent work of a joint committee of the Delaware and Peninsula Conferences, a Bishop's Conference on the Ministry was held at the University of Delaware and The Newark Methodist Church in December.

More than one hundred high school youth and forty college students accompanied nearly a hundred ministers to the conference. Twenty-six ministers participated in the leadership of the conference with major addresses being delivered by Bishop Lord, President Norman L. Trott of Wesley Theological Seminary and Dr. Daniel Hill, former dean of Howard University's School of Religion.

The Bishop's Conference had two major objectives: to challenge the young people with the clear claims of the parish ministry and to confront the pastors with their responsibility to raise up those who are to replace them. We feel these objectives were achieved.

Finance

Financing the work of the Commission is a major problem. If an effective program of promotion and guidance in the field of christian vocations is to progress it must be solved.

The Commission is currently financed by donations from the Boards and Commissions which are represented in its membership. We are grateful to them for their maintenance. We would not, however, have found it possible to undertake the Bishop's Conference on the Ministry without the generous financial support of Bishop Lord. We are deeply indebted to him for his backing.

Records

Steps have been taken by your Commission to make a concerted drive in 1965 in compiling an up-to-date list of youth and adults interested in church vocations. Utilizing the recommended cumulative file folder, designed to assist in the vocational counseling process, a Master File of those interested in church vocations is being compiled.

The Board of Education is cooperating in this drive by giving attention to this emphasis in its camping program. Pastors and district officers are being asked to assist in the undertaking.

Implementation of General Conference Legislation

Last year General Conference made two changes in the organization of The Methodist Church which affect Christian vocations. The first concerns the appointment of a district secretary of christian vocations by the district superintendent. The second concerns the election by The Quarterly Conference of a local church secretary or secretaries on christian vocations.

Promoting the rapid and effective implementation of this legislation is a major objective of your Commission. Few churches are now adequately organized to cultivate the cause of christian vocations. Less than ten per cent of our churches have functional committees on christian vocations. Our goal for 1965 is a secretary of christian vocations for every district, in every local church, and a committee on christian vocations in those locations where it appears feasible.

Conclusion

Appreciation is expressed to all those who have helped to make this report possible.

Respectfully submitted,

LELAND B. HALL, Chairman

THE CONFERENCE COUNCIL

A. Background

The Peninsula Annual Conference at its 1963 session voted to authorize the establishment of a Conference Council for "the purpose of correlating the planning and promotion of the program of the church" (page 883, 1963 Journal; this action was taken under paragraph 679 of the 1960 Discipline).

Following that annual conference, the cabinet, as authorized in the above mentioned resolution, established the Conference Council. It is made up of the chairmen of the various boards and agencies of the annual conference, the conference and district lay leaders, the president of the conference Woman's Society of Christian Service, the district superintendents and the resident bishop. The professional staff personnel of the conference agencies serve ex-officio on the council.

At its 1964 session, the annual conference adopted a resolution stating that the Conference Council "be designated as also the Conference Commission on Promotion and Cultivation as outlined in paragraph 755 of the 1960 Discipline and as may have been revised by the 1964 General Conference" (page 69, 1964 Journal).

The council elected officers at its first meeting. They are chairman—the resident bishop, vice-chairman—the chairman of the cabinet, secretary—the Rev. Richard C. Stazesky.

B. Work

The council has served three main functions thus far. First, it has been the means by which the various boards and agencies have coordinated their work, cleared their meeting dates, and worked out their programs. Second, it has been the means by which program promotion has been worked out and executed. Third, it has become a testing ground for ideas and an agency that can study and develop those ideas that have some merit. For instance, the council is now engaging, with the approval of the Steering Committee, in a complete and thorough study of the staff needs of the annual conference and its various boards and agencies. This study will result in a long range strategy and plan by which these needs can be met. The study will be presented to the annual conference when it is completed.

The question of a central conference office was referred by the 1964 annual conference session to the Conference Council "with the request that this matter be studied as to the matter of cost and of its relationship to all of the Boards and agencies of the Conference and that a detailed report with recommendations be presented at the 1965 session of the Annual Conference" (page 69, 1964 Journal). A committee was set up to make this study and its report is as follows:

REPORT TO THE CONFERENCE COUNCIL—February 18, 1965

on the study of

A CENTRAL OFFICE FOR THE PENINSULA ANNUAL CONFERENCE

Introduction: At the October, 1964, meeting of the Conference Council, the Chairman, Bishop John Wesley Lord, appointed the following study committee to investigate the feasibility of a Central Office: William Hemphill, Jr., Otho G. Brewer, Jr., Gilbert S. Scarborough, Jr., Alton S. Miller, and Maurice M. Hancock. At the first meeting of this group it was decided to request that Bishop Lord name a member of the Delaware Conference to also serve with the committee. Subsequently, the Bishop named Walter L. Stanley as the sixth member of the committee. The Committee has held two meetings with full attendance with each of the members involved with the gathering of information between the sessions.

At the conclusion of the last meeting on January 19, 1965, it was unanimously voted to endorse a Central Business Office for the Conference at this time and to make our proposal for such an office in the outline which appears below. We believe that the enlargement of our Conference which will occur in May of this year makes it essential for such an office to be established as soon as possible.

I. FUNCTIONS of a CENTRAL OFFICE: In order to meet the business administration needs of our growing Conference, the Office should have a two-fold function of "Accounting" and "Service".

A. ACCOUNTING:

1. Handle all financial accounts of Conference Boards, Agencies, and subsidiary Corporations with the exception of Wesley College and the Conference Homes for the Aged, Inc. Monies of all of these Conference groups would be handled in one office and accounts maintained on a machine bookkeeping system.
2. Monthly financial statements would be prepared for all accounts handled by the office. Payments of all items would be handled on the basis of vouchers presented to the office by the proper persons designated by each Conference agency.
3. Will be the Office of the Conference Treasurer to receive all monies from the churches of the Conference. It will also compute and mail apportionments to the churches.
4. Would also assist in the tabulation of statistical reports for the Conference Year.

B. SERVICE. (to be available for Conference Boards, Agencies, and District Superintendents).

1. Mimeographing.
2. Folding, addressing, and mailing.
3. Filing and Record Keeping.
4. Secretarial help. (This could be helpful to the District Superintendents if they wished to use it.)
5. Maintenance of a Conference calendar of events.
6. Preparation of a monthly Conference newsletter if such a project seemed advisable to promotional leaders.
7. Assist in the preparation of the Conference Journal and handle its distribution.

C. Auxiliary to the two main functions above should be the provision of a room for Conference Board Meetings, Cabinet meetings, and other committees.

II. PERSONNEL TO OPERATE A CENTRAL OFFICE.

A. The Business Manager. This person who would have the responsibility for the operation of the Office should be a Layman with a Master's Degree in Business Administration or its equivalent. In addition to his business qualifications, the Office Manager should also be a dedicated churchman, personally committed to Jesus Christ so that his moral and social life would reflect credit upon the Peninsula Conference.

The Business Manager would be responsible directly to the Commission on World Service and Finance of the Conference. As Manager of the Business Office, this individual would provide Administrative support for the entire Conference program but WOULD NOT develop or dabble in Conference policy.

B. A stenographer and a file clerk would be needed to complete the staff of such an office.

III. LOCATION.

Since Dover, Delaware, is near the geographic center of the Conference and since the facilities of Wesley College offer many advantages, we recommend that this Office be located on the campus of Wesley College in one of the houses now owned by the college. A first floor apartment with adequate rooms for offices, storage, and a meeting room is available for an annual rental cost of $1,500.

After discussion of the office with Dr. Robert Parker, President of the College, a letter was received from him indicating future plans for a College Chapel. He stated that such a Chapel could include rooms for a Central Office, a District Superintendent's Office, the Conference Board of Education office, and meeting rooms so that it could become truly a Conference Center. The food service provided in the dining hall and other facilities would make this a very practical arrangement. Although such ideas deal with long-range planning, the Committee viewed them favorably and took them into consideration in recommending Dover as the most desirable location for the Office.

IV. FINANCIAL NEEDS TO ESTABLISH AND OPERATE A CENTRAL OFFICE.

A. Capital Outlay. The items listed below would be the essentials needed to equip an efficient business office but would NOT be recurring costs:

1.	Three desks and office chairs	$ 1,090.00
2.	Two 5-drawer files	400.00
3.	1 electric typewriter	450.00
4.	2 work tables	300.00
5.	Stationery and supplies	400.00
6.	Bookkeeping machine and supplies	8,000.00
7.	Calculator	1,000.00
8.	Adding machine	300.00
9.	Folding machine	500.00
10.	Dictation equipment	500.00
11.	30 chairs and 1 Conference table	1,000.00
12.	Miscellaneous	1,060.00
	Total capital outlay	$15,000.00

(A mimeographing machine would probably be available from one of our Conference Boards and is not listed above).

B. Operating Budget.

—The Manager's Salary	$ 8,000.00
—Travel expense for Manager	300.00
—Stenographer's salary	3,640.00
—File clerk's salary	3,120.00
—Rent	1,500.00
—Telephone	600.00
—Postage, stationery, and supplies	500.00
—Electricity	250.00
—Miscellaneous	1,090.00
Total estimated budget needs	$19,000.00

C. Present Expenditures which could be transferred to the budget needs of a Central Office.

1.	Conference Treasurer's salary	$ 3,000.00
2.	Conference Treasurer's expenses	1,200.00
3.	Bd. of Pensions' Treasurer's salary	2,000.00
4.	Bd. of Pensions' Treasurer's expenses	300.00
5.	Mutual Relief Treasurer's salary	50.00
6.	Mutual Relief Treasurer's expenses	80.00
7.	Board of Trustees' Treasurer (salary)	500.00
8.	Board of Trustees' Secretary (salary)	200.00
9.	Board of Education (services)	450.00
10.	Income from services rendered to Boards and Agencies for mimeographing, addressing, and mailing	1,500.00
	Total	$ 9,280.00

Notes on item "C" above.

(1) It is the recommendation of this committee that the salaries of the Conference Treasurer and of the Board of Pensions Treasurer be phased out over a two-year period during which these men should be retained as consultants so that an orderly transition to the new set-up can be effected.

(2) Line #10 is predicated upon the suggestion that the Office Manager establish a cost figure for such services as mimeographing, addressing, and mailing and that these costs be charged against the account of the particular Board, Committee, or District Superintendent for whom the service is performed. Such a system of control will be necessary to avoid abuse of the Office by any one group in the Conference.

(3) The difference between the estimated operating costs of such an office and the monies already being spent each year that could be transferred is $9,720.00. This amount plus a capital outlay of $15,000.00, or a total of $24,720 is the amount which should be requested of the Commission on World Service and Finance for the year 1965-66 if such an office is to be established. The request for the year 1966-67 should be $10,000.

C. Recommendation

It is recommended that the Peninsula Annual Conference authorize the establishment of a central office for the conference and the employment of a business manager and that the Commission on World Service and Finance be directed to carry out this task. (The Steering Committee has approved this recommendation.)

REPORT OF THE COMMITTEE ON COURTESIES

Bishop Lord, Bishop Love, members and friends of the Peninsula Annual Conference:

When God in His eternal providence brings together two great peoples it is like the fusion of atoms in the sun. Intense light and energy are released.

In the fusion of the Peninsula and Delaware Conferences in this twenty-sixth year of the Peninsula Conference, and the one-hundred first year of the Delaware Conference, we believe God has acted again, even as when the eternal Word said, "Let there be light!" ("and there was light.")

To live in these historic times is a cause of thanksgiving for all who have in other days felt the pathetic, frustrating limitations of a restricted Christian brotherhood. Already we begin to feel the great boundlessness of the oft-repeated phrase, "Our Father . . . ."

For the inestimable service rendered by the Steering Committee, and the Board of Christian Social Concerns in providing leadership and direction —down to the most minute details—for the uniting of these two conferences, we express our most thoughtful gratitude.

On Thursday evening Grace Church burst into song as nearly a thousand voices were heard singing together, "O For a Thousand Tongues to Sing My Great Redeemer's Praise," and other hymns of the Christian faith, printed in the sampler of the new Methodist Hymnal. As Methodists we felt once again, under the leadership of Dr. Cecil E. Lapo and Dr. Daniel L. Ridout and his Great Hymns Choir, the unspeakable thrill of mighty

God-centered singing. In the memory of many, this glad sound of many voices lifted in praise of God will stand as the abiding symbol of this session of the Peninsula Annual Conference.

Under the leadership of Bishop John Wesley Lord, the business sessions have been guided like a good ship under the command of an able captain through strange and sometimes uncertain waters. For his courageous hand upon the helm, and his words of inspiration and encouragement, we are all deeply grateful.

As brothers in Christ, the pastors of Grace Church have welcomed us and provided for our needs. Other members of the church staff have been likewise helpful—down to feeding dimes to hungry parking meters for overparked conference members, and even on one occasion providing sympathetic first-aid to an injured clergyman.

Altar flowers presented by the Ministers' Wives Association, to the glory of God and in memory of deceased members of conference families, together with flowers provided by the Woman's Society of Christian Service of this church, have made their gentle contribution to our worship and quiet moments of meditation.

For fellowship times over many a cup of coffee provided by the women of this church, we express our appreciation.

Our thanks for acquainting the wider community with the activities of this conference session go to the Rev. Kenneth Jones, director of the Washington Area Methodist Information Service.

We were inspired and challenged by the Rev. Edward W. Bauman, pastor of Foundry Methodist Church, Washington, D. C., in his Hour of Inspiration at high noon on Friday. We rejoiced with him at the signs of renewal within the church, and gratefully acknowledged that, under God, we of the new Peninsula Conference have made, and shall continue to make, our contribution.

"We Are One—Under God," the dramatic production written by Lewis Wells of Wesley College, Dover, and presented by the Wesley Players and Wesley Singers on Friday evening before approximately 800 persons, dramatized the "divine discontent" of Methodism through the years, and established our Methodist union in this year of our Lord, 1965, in a historic context beginning with Pentecost and running through Aldersgate. To the large cast of young people of Wesley College and their leaders, we express our thanks for reminding us once again what spirit we are of, and showing us once more the rock from which we were hewn, the pit from which we were dug.

Under the auspices of our Board of Missions, the Rev. James Davis of the General Board of National Missions, presented the results of his survey of the Peninsula Conference, and thereby helped us to appreciate the vast and intricate pattern of our growing Methodism in this area.

Seminary days were re-lived briefly with old schoolmates, and older and younger alumni by the men and women of Drew, Conwell-Temple, and Wesley at dinner on Friday evening. We are grateful to the YMCA, St. Paul's Methodist Church, and the Methodist Country House, for providing for these seminary fellowship hours.

Our retired ministers and their wives, together with our ministerial widows, were entertained by the Board of Pensions at dinner in Harrison Street Methodist Church on Thursday evening.

Our Chaplains were entertained at luncheon in the YMCA on Friday.

The wives of our ministers will meet at noon today at St. Paul's and enjoy this annual fellowship experience.

This evening a banquet, sponsored by the Board of Ministerial Training and Qualifications, to which all chairmen of conference boards have been invited, will introduce our ministerial candidates who are in various stages of their theological preparation.

Displays of various boards and agencies of the Church have presented graphically the growing ministry of Peninsula Methodism. We have heard the voices of our missionaries and our Methodist Country House residents. We have seen pictures showing the ministry of our Boards of Christian Social Concerns, Education, Evangelism, Hospitals and Homes, Child Care, the Wilmington District Church Extension Society and others.

To our ushers who have served us well; to the press, radio and television services; to the Wilmington Police; to our Conference Secretary and Statistician; to our District Superintendents; to the Committee on Conference Program and Entertainment; to our Conference Treasurer; to Mary C. Anderson, our Bishop's secretary; go our sincere appreciation.

To all the churches, individuals, boards, and committees, who have helped to make this twenty-sixth session of the Peninsula Annual Conference one of its most significant, we express our deep and heartfelt gratitude.

We are living in a great and mighty time. We pray God may give us the courage and understanding and brotherly love to match the greatness of these days.

"Lead on, O King Eternal;
The day of march has come;
Henceforth in fields of conquest
Thy tents shall be our home.
For not with swords loud clashing,
Nor roll of stirring drums,
But with deeds of love and mercy
The heavenly kingdom comes."

CONFERENCE DEACONESS BOARD

In accordance with paragraph 1253 of the Discipline a Conference Deaconess Board was organized on March 15th. The purpose of this Board will be to create and maintain interest in deaconess work, to establish and interpret deaconess relationships to the Annual Conference, and to coop-

erate with the National Division through the Commission on Deaconess Work in forming policies and making recommendations regarding deaconess work.

Members of the Board are: all active deaconesses serving within the Conference; the Cabinet; pastors of local Churches employing deaconesses; four representatives of the Conference Woman's Society of Christian Service; one representative from the Commission on Christian Vocations; and one representative, not a deaconess, from the local board of managers or committee of each project within the conference where deaconesses live or are employed.

At the organizational meeting two officers were elected to serve until following the Annual Conference sessions when permanent officers will be elected. Those offices filled were: Chairman, Willard L. Robinson, Jr.; Secretary, Cornelia V. Mylrea.

Deaconesses serving in our Conference are: Mrs. Daisy M. Cabean, Assistant Director and Club Worker at the Neighborhood House, 1218 B. Street, Wilmington, Delaware. Miss Olive A. Cook, Director of Christian Education, Aldersgate Church, Wilmington, Delaware. Miss H. Elizabeth Dalbey, Supervisor of Inner City Work, Wilmington District Church Extension Society, and Parish Worker, Brandywine-Trinity Churches, Wilmington, Delaware.

Miss Louise Whitsett, Parish Worker, Asbury Church, New Castle, Delaware.

Miss Myrtle Zicafoose, Club Worker at the Neighborhood House, 1218 B Street, Wilmington, Delaware.

The Board sent Mrs. Cabean as delegate and Miss Zicafoose as alternate to the Fourth National Methodist Deaconess Convocation, held in Cincinnati, Ohio, March 24-27, 1965. Miss Dalbey attended as Northeastern Jurisdictional Representative on the Commission on Deaconess work. This Convocation proved to be very inspiring, as well as practical for those in attendance. "To Serve Right Gloriously" was the theme for the Convocation.

The Rev. Dr. J. Edward Crothers, Associate General Secretary, National Division made the following statements in an address to the Convocation on Thursday A.M.:

"We can become victors only if we are willing to be trouble makers. When the Deaconesses first came into existence they were a nuisance to a lot of important people. They went off into places that others thought should be left alone and there they got into situations that were not nice. We need a revival of trouble making and I can't see any reason why the Deaconesses shouldn't lead the way. You have economic security that others don't have. You are Commissioned and many other career workers in the Methodist Church are not. You have a voice on the Conference floor and other lay workers lack that. You either have a special training or you can get it. We need a committed order of loving trouble-makers in The Methodist Church. You know the kind of trouble I mean. I do not mean the sort that is centered around organizational bickering, professional pyramid climbing and all that sort of childish sin. What I have in mind is the committed order that can trouble the complacent, hard and self-indulgent

people of a crass, cheap and miserable society of Church people mired in a bog of meaninglessness.

It takes a lot of skill to live a life. It takes more skill to help other people live in the Christian way. The need for new skills in helping others is the most pressing urgency of our time and our Deaconesses should break into new fields of service to bring new skills to the whole ministry of the church."

The Prayer of Consecration for the Methodist Deaconess.

To Serve Right Gloriously we pray for—

Such understanding of Thy holy gospel,
Such firmness of Christian purpose,
Such diligence in service and
Such beauty of life in Christ that we may be to all whom we teach or serve
A worthy revelation of the meaning and power of the Christian life.

The film "Living Response" which describes areas of opportunity of work in the church, including that related to the deaconess movement, is recommended for your use in your church. Information concerning the availability of this film can be obtained from your Conference Woman's Society president. April issue of TOGETHER announced one new Methodist deaconess from each Annual Conference Woman's Society of Christian Service will be sought between now and May 1966. Your Conference Deaconess Board urges local Societies to encourage eligible prospects in their Churches to give serious consideration to this Christian Vocation of high calling. A Deaconess is a woman who has been led by the Holy Spirit to devote herself to Christlike service under the direction of the Church, and who, having met the requirements prescribed by the Joint Committee on Missionary Personnel, including a period of not less than one year of probation, has been duly licensed, consecrated, and commissioned by a bishop. This office entitles a woman to serve the Methodist Church through any of its agencies in any capacity not requiring full clergy rights. Indeed those who serve within our Annual Conference bounds fulfill the proportion "To Serve Right Gloriously."

DRAYTON METHODIST CENTER

Last year a donor who prefers to remain anonymous generously offered to purchase the estate of Mr. Frank LaMotte near Worton, Maryland, and to give it to the Peninsula Conference. Representatives of the Cabinet, World Service & Finance Commission, and Conference Trustees carefully evaluated the offer, inspected the properties thoroughly, and recommended acceptance. The Conference Trustees entered into a contract for the purchase of the property, beautifully situated along the shoreline of Still Pond Creek, consisting of about 47 acres. In addition to large and landscaped lawns, rolling pastures and wooded areas, the holdings include the authentic colonial manor house, a manager's home, large barns, garages and other

buildings. Recreational facilities include tennis courts, a swimming pool, and a bowling alley. Splendid opportunity for boating and waterfront activities exists. The replacement value of the entire estate is estimated by Conference leaders as approaching a half-million dollars.

In May, 1964 the Peninsula Conference appointed a management committee to put Drayton Methodist Center into operation and to develop its program. The Committee took possession of the property February 1, 1965 and is faced with many complications. At present the Committee is concentrating on furnishing and equipping the main building, manager's home, and one annex, to offer sleeping and food service to approximately fifty people at any one time. In the future this number may be expanded when funds are available to convert several other buildings to usefulness.

Drayton Methodist Center can be operated on a year-round basis. Presently a tentative daily cost, including meals, has been set at a maximum figure of eight dollars per person. It may prove possible to offer some accommodations at a lower figure or to develop group rates. Only actual management experience can provide answers to many questions still pending. Higher rates may prove necessary.

The World Service & Finance Commission has authorized the management committee to proceed with furnishing the principal buildings, and a contract has been made to secure expert guidance. It is expected that guests at Drayton Methodist Center will be offered comfortable and attractive facilities comparable to those of better hotels. Several commodious meeting rooms are available as well as dining areas. It is hoped, but not certain, that Drayton Methodist Center will be open for use by mid-June, 1965. A staff for the care of the grounds and maintenance of property has been employed, and a household and kitchen staff is being recruited. While it is hoped that Drayton Methodist Center can be largely self-supporting, only operating experience will indicate to what extent this may prove true.

Drayton Methodist Center will take the place of the year-round lodge which was included in the long-range plans of the Board of Education for the development of PeCoMeth at a probable cost of a quarter-million dollars. The need for a retreat and study center with comfortable and adequate accommodations for adults has long been recognized by leaders of several Peninsula Conference agencies. The Drayton Methodist Center will seek to serve all of the boards and agencies of the Conference, as well as the official boards and other groups in local churches. While wholesome recreation and a charm of rural situation are important contributions which Drayton Methodist Center can offer to all who come, the Center should not be thought of as merely a vacation spot. Strengthening the spiritual and intellectual life of Christians is the real and central purpose of the Drayton Methodist Center enterprise.

The use of Drayton Methodist Center need not be retricted to Methodists alone, for Methodism is never narrowly denominational in its orientation. However, Drayton Methodist Center can be made a great blessing for the Peninsula Conference. Here spiritual life can be deepened, intellectual and study opportunities afforded, and intensive planning accomplished. Churches and agencies desiring to use the Center are cordially

invited to communicate with the Drayton Methodist Center Committee as soon as possible so that a year's schedule can be organized.

As quickly as the furnishing program can be completed, a series of open house inspections will be announced. Methodists and their friends will be invited most cordially to visit this wonderful addition to Methodism's service equipment.

Respectfully submitted,

Drayton Methodist Center Committee:
W. F. DUNKLE, JR., Chairman,
GEORGE B. RASIN, Treasurer,
HOWARD M. AMOSS,
JOSEPH W. BROSIUS,
GEORGE W. GOODLEY.

THE BOARD OF EDUCATION

"A New Day In Christian Teaching"

Perhaps the most important event taking place within the church schools of Methodism at the present time is the introduction of the new resources for teaching. Dr. Henry Bullock, General Secretary of the Board of Education, reports the high enthusiasm from across the nation expressed in the fact that out of every 100 children in the Methodist Church 90 are enrolled in the new teaching—**Christian Studies for Methodist Children.**

The planning of the new design is viewed as "A New Day in Christian Teaching" with a new depth in biblical and theological foundations, a new recognition of the findings of psychology and the social sciences, a new relevance to world culture, and above all, a new dedication to Christ and His gospel, the nature and meaning of the church, and its ministry in the world.

Children's Work

(Mrs. G. Steele Phillips—Director)

For more than three years preparation for this "New Day in Christian Teaching" has been going forward within the Peninsula Conference.

1. A part of that preparation took place at the beginning of the present year in the form of a **Coaching Conference** which had as its purpose the training of district teams of instructors.

   A. The Coaching Conference was held in the following places: Peniel Church, Newport, Del.; St. Mark's Church, Easton, Maryland; and Wesley College, Dover, Del.
   B. Dates .....March 16, April 13, May 7, June 29
   C. Attendance 65

D. Resource persons .....Mr. Richardson Cookson, Dr. Lowell Hazzard, Miss Vera Zimmerman, Miss Mary White, Miss Doris Hoover, The Reverend Gordon Stapleton and others.

2. The Coaching Conference was followed by **19 workshops** designed to give initial assistance to local church teachers in **Christian Studies for Methodist Children.** The workshops were held in the following locations:

Easton District	**Salisbury District**
Christ—Chestertown	Bethesda—Salisbury
St. Mark's—Easton	Whatcoat—Snow Hill
Zion—Cambridge	Asbury—Crisfield
	Salem—Selbyville

Wilmington District	**Dover District**
Aldersgate	Wesley—Dover
Brookside	Christ—Laurel
North East	St. John's—Seaford
Richardson Park	Epworth—Rehoboth
Elkton	Calvary—Milford
Hillcrest	
Silverbrook	

Total attendance for 19 workshops—1,136

3. **Special Service from General Board of Education**

By arrangement with The General Board of Education, Mrs. Walter E. Shore of California spent 3 weeks in the Peninsula Conference as a children's worker.

A. 1st week—Trinity, Harrington, Del.
B. 2nd week—Immanuel and Mt. Pleasant, Crisfield, Md.
C. 3rd week—Ayres and cooperating churches near Pittsville, Md.

Reports from all three of these efforts have been so full of appreciation by the people of these churches that our only wish would be that we had the services of this splendid worker on a permanent basis. The good results obtained in this and similar efforts in previous years lead us to hope that in the future we may have the wisdom to secure a full-time children's worker for our Conference.

4. **Vacation Church School Workshops**

As a part of the "New Day in Christian Teaching" the Methodist Church will now provide a unit of study for each year's Vacation Church Schools. In preparation for this year's work, the following plans will have been completed:

1. District Vacation Church School Teams Training Session

a) Place .....Wesley Church, Dover, Del.
b) Date .....March 1

c) Resource persons .....The Reverend Edwin J. Horney, Mrs. Virginia L. Scott, Mr. Ralph Lewis, Miss Doris Hoover, Miss Olive Cook, Mrs. Steele Phillips

Easton District:	Zion Church, Cambridge—April 20
	First Church, Chestertown—April 21

	Asbury Church, Salisbury—April 21
Wilmington District:	St. Paul's Church, Wilmington—April 21
	McCabe Church, Wilmington—March 29
	Newark Church—April 27

On November 1, Miss Doris Hoover's request to be relieved of the responsibility of the Children's Director was received. For some years this faithful worker, who has served on a voluntary basis, has asked for relief from this heavy responsibility which she has carried in addition to her assignment as Director of Christian Education at Newark. With great loyalty, however, she consented to remain at this important post until the new children's curriculum was launched. The Board of Education wishes to express its appreciation to this faithful worker for the splendid services she has so consistently rendered for eight years.

Mrs. G. Steele Phillips of Vienna has been appointed Director of Children's Work and entered upon her duties in the fall of 1964. Mrs. Phillips is a graduate of Washington College, Chestertown, Maryland, has taught in the church school of her home church at Vienna, served as Children's Director of the Easton District, and has participated in many Christian education schools and programs of the Conference. In addition to her present responsibilities, she is enrolled in graduate studies, Department of Christian Education, Wesley Seminary, Washington, D. C.

Youth Work

E. Peninsula registration 29

Of first importance in the future for adults, however, are the plans now being made for all new resources for teaching to be ready for use in the fall of 1967 as part of "The New Day in Christian Teaching." The idea of wholeness as the curriculum relates to children, youth, and adults is one that is important to ponder and study. In the months ahead every available opportunity should be taken to prepare our people for a recovery of study and instruction on the part of adults within the congregations of Methodism. A review of the FOUNDATIONS document and a thorough study of DESIGN, which explores the scope of the new curriculum, will deepen our understanding for the good things to come. Once again our Methodist people must be encouraged to include both worship and study as a sound foundation for Christian witness and service.

C. Local Church Training Session in Church School Evangelism
Date ..... January 10

Much preparation by way of planning and provision of resources went into this important effort made by two of the principal agencies of the conference. The inspiration which came to those working in the undertaking gives further incentive for a more united approach to the local church in such future endeavors.

8. **Workers' Conferences**

The workers' conference brings together the Commission on Education and the church school staff of teachers and administrators of the local church. It is also understood that a general invitation is extended to all persons of the congregation to share in these enterprises.

A number of goals are attempted:

1. Relate the Conference Board to the local church as an agency ready to render assistance and service.
2. Furnish information on matters of mutual concern.
3. Discuss subjects related to Christian education which the persons in the church wish to consider.
4. Introduce approved teaching resources provided by The General Board of Education.
5. Encourage participation in conference training sessions and provide personal help to teachers in planning units of study and methods of teaching.

During the year, 51 workers' conferences were conducted by the Executive Secretary. In a number of these sessions, he was assisted by Mrs. G. Steele Phillips, Mrs. John A. Buckley, Mrs. E. L. Fallwell, Miss Jessie Stevens, Mrs. Norman Hopkins, The Reverend Richard D. Bailey, Mrs. G. Ray Breeding, and Mr. and Mrs. Noble Jarrell in the following churches or charges:

11. During the year the Executive Secretary has delivered 65 sermons or addresses in the interest of the teaching ministry. While it is of paramount interest to plan especially for those who have teaching responsibilities in the local church, it is also of the very greatest importance that the congregation as a whole understands its part in the teaching of our faith in God as we have encountered Him in Jesus Christ our Lord. It has been under this conviction that the effort has been made in the following opportunities reported:

PE CO METH

(Wallace P. Smith, Jr., Camp Director)

In its 17th season, the Peninsula Conference Methodist Camp, PeCoMeth, is "bursting at the seams". During 1964, active programs were taking place on the property 201 days. From 2 to 6 different types of camping were taking place at the same time on 85 days. Altogether, 7,056 children youth, and adults made use of PeCoMeth as an extension of the local church effort in Christian education. This total is an increase of almost 3,000 over 1963, and 5,000 more than in 1962. Weekend groups are now reserving the camp, from one to two years in advance. If the winterized facilities were tripled, the demand would still not be met.

During the "regular" camping season, 81% of the Peninsula Conference charges were represented at camp. This is slightly less than the previous year; but the problem is not a lack of campers, but an inability to accommodate all those who wish to come.

A few years ago, the camping set-up had one basic institutional-type program at the main camp. We now have a varied and growing program which progresses with the age of the camper; the main camp with its conference-type activities, then the semi-rustic camping at the Barn area, on to real outdoor living at the Pioneer site, then "tripping" (canoe, trip-trailer, college bus tour), and eventually the family vacation camps, In 1965 the program will be enlarged to include sailboat cruises; and in '66, Appalachian trail hiking, and a Canadian canoe trip. Unfortunately, programs cannot be developed fast enough to meet the increasing demand.

The year-round staff employment at PeCoMeth includes the full-time services of Wallace Smith as Camp Director, and the part-time assistance of three new persons: a secretary, a maintenance man, and a groundskeeper. In the summer, 32 full-time people were on the payroll along with 100 volunteer cabin counselors. The largest single problem at PeCoMeth has been the obtaining of the necessary volunteers. To find dedicated Christian adults who can and will serve for a week or two is becoming more and more difficult. Unless another answer is found, full-time cabin counselors may have to be employed, and the volunteers dropped from the program.

The new facilities are proving most satisfactory. In fact, the camp director wonders, "How did we ever operate without the swimming pool, picnic shelter, and new dining hall?" The pool was in use on many days from 6:00 a. m. to 10:00 p. m. (Operation cost of the pool is approximately $30 per day.) The picnic area, shelter, and bath house were in frequent use throughout the warm weather by local church groups, etc., A minimum charge of 25¢ per person covers the cost of insurance, life guard, and use of the facilities. Groups have already reserved this area as far ahead as 1967.

In 1965, we look forward to an even greater year as more and more persons and churches are discovering that "Christian Education Out-of-Doors" is an excellent way for our people to come into a meaningful relationship to God.

COMMITTEE ON HIGHER EDUCATION

(William H. Revelle, Jr.—Chairman)

The Peninsula Conference Committee on Higher Education has had a varied history over the last several years. At one time it was divorced from the Board of Education only to find that the bill of divorcement was illegally granted according to the Discipline of the Methodist Church. So now once again the prodigal has been received back into the fold and the arms of the Conference Board of Education.

The program of higher education throughout the Methodist Church has been going through a period of study and self-examination. The Conference Committee likewise had to initiate its organization by learning its purpose; reviewing the program, the accomplishment, and the economic status of the Foundations as presently constituted; and determining what direction future efforts would seek to follow.

The sum of the duties of this committee are: To cooperate with the Division of Higher Education in the achievement of its objectives, to make provisions for study groups and programs that will strengthen our Conference, to report annually on said programs, to recommend minimum support for the ensuing year for educational institutions and Wesley Foundation, and to promote a sense of concern for Negro institutions of higher education.

In relationship to Wesley Foundations in the Peninsula Conference, we recommend the following:

1. A continuing study on all Wesley Foundations by the Committee on Higher Education:

2. The services of a full-time campus minister for students at the University of Delaware for the year 1965-66 (we favor this minister relating his program to the Newark Methodist Church as well as using the Wesley Foundation facilities adjacent to the campus):

3. We recommend that each of the following churches provide a ministry to college students,

   a) Christ Methodist Church at Chestertown serving the students at Washington College,
   b) Metropolitan Methodist Church at Princess Anne serving the students at Maryland State College.
   c) Whatcoat Methodist Church at Dover serving the students at Delaware State College.

This will continue a ministry already begun at the first two institutions and will initiate a new program at the last named institution;

4. We recommend the fullest cooperation possible with student groups of other denominations and councils of churches.

The reports of Wesley Foundation work as presently constituted in the Peninsula Conference are as follows:

OLDER YOUTH—YOUNG ADULT PROJECT

(Lawrence H. Stookey, Chairman)

A study-action project in the area of young adult work has been conducted in the city of Wilmington during the past conference year. The project has been carried out under the direction of The General Board of Education in co-operation with a local steering committee. In this pilot study particular interest has been placed upon the needs and interests of the vocational school student and ways in which the church can minister in this area.

The Reverend Donald Kauber has been employed as full-time project worker since August, 1964. He has sought to discover the general outlook of the young adult as well as his social and spiritual problems. As a result of this study, a coffee house known as "The Ankh" (from the name of an ancient symbol of life) was established in downtown Wilmington this past winter. It provides an informal meeting place for young adults and a setting for discussions, programs and study. The coffee house itself is operated by a "core" group of interested young adults in the Wilmington area, most of whom are already employed and many of whom were previously vocational students themselves.

In cooperation with the Goldey-Beacom School of Business, Mr. Kauber has also planned and taught courses in contemporary literature to interested students. This activity has opened new areas of thought and serious concern among persons who might not ordinarily be exposed to this type of liberal arts curriculum.

As a study project of the General Board of Education, the program will be terminated at the end of May, 1965. Because of its success, however, and because of the prospect of an important ministry, provision has been made through the Wilmington District to continue this work during the coming year.

Other Events and Interests

1. **Ministers' Day at PeCoMeth** was held on June 17 with approximately an attendance of 170 under perfect weather conditions. A memorial stone with a bronze plaque "in remembrance of The Reverend Richard M. Green who led PeCoMeth into being" was dedicated with an appropriate ceremony conducted by Dr. William F. Dunkle, Jr. A brief program followed the luncheon in the new dining hall at which time Bishop John Wesley Lord spoke in appreciation of the new facilities and led the gathering in a prayer of consecration. Words of appreciation were expressed to those of our people who have contributed to the growth and development of PeCoMeth and especially the financial support given during the year for the capital improvements which—in addition to the dining hall—include a swimming pool, a picnic area and many other minor but important, additions.

2. **Directors of Christian Education Fellowship**
   A. Place ..... Board of Education Office, Dover
   B. Date ..... February 23
   C. Program leader ..... The Reverend C. Jackson Robinson, Minister of Education, Atonement Church, Wilmington, Del.
   D. Attendance 12
3. **Special Days**
   A. Student Day, observed on the second Sunday of June, recognizes the place of the student in the life of the church. Of great importance is Student Day Offering which supports The Student Loan Fund and the National Methodist Scholarships. Of the amount received, 75% is retained within the conference and is distributed by the Conference Education Society. The remaining 25% goes to the General Board of Education for national use.

   There are few interests so important as the need for greater support for this offering. Throughout the year one of the most frequent requests which come to the attention of the Executive Secretary are inquiries by young people seeking financial means to assist them in securing a college education. However, last year's contributions revealed less support than the previous year. At this writing it is not possible to know what this year's return will be but it is hoped that as Student Day is observed again this year that very special concern will be given not only in public recognition of students but also financial support for their future.

   B. **Christian Education Sunday** is now the day formerly designated as Rally Day. Each year The Peninsula Conference Board of Education provides resources to help the local church in its planning for this important emphasis upon the teaching ministry. Now more than ever we urge full use of the day for emphasis not alone in the church school hour but also in the worship services of the sanctuary. It is our hope that more and more it will be clearly recognized that the teaching responsibility rests not upon the few directly involved but also upon the entire congregation. As our people are informed, we may be sure that they will respond when the offering for Christian Education Sunday is received. Many churches include this interest in the congregation's budget and use the offering as an educational means to inform the people of the work being done by the Conference Board of Education.
4. **Film Library**

One of the most widely used services of the Board of Education is the Film Library. A new catalogue was prepared by our Librarian, Mrs. Francis Holden, and released to the churches during January. Some interesting figures give some indication of the scope of this interest over the past year.

Total films in library at the Board of Education 450
Total films loaned from April 10, '64 to April 10, '65 2,256

A moment of reflection on the extent of the work involved in these arrangements is enough to indicate not only the responsibility entailed but more important the deep interest of our teachers in the wide use of this teaching resource.

5. **Record System**

Upon the request of the Annual Conference of 1964, the Methodist plan for keeping church school records was sent to the churches during the summer. However, following the General Conference of a year ago, a new record system has been created. Copies of this were received in March of this year and sent to the churches in expectation that by the first Sunday of May, 1965, church schools in the Peninsula Conference will be using the new system with the results that more accurate records will be kept.

6. **Spring Meeting-Board of Education**

A. Place .....Board of Education Office and Wesley College, Dover, Delaware

B. Date .....April 29

C. Speaker .....The Reverend David J. Randolph, Jr., Associate Professor in Preaching, Drew University—Member—Peninsula Conference

D. Expected to attend .....Members of the Board of Education, District Superintendents, District and sub-district Directors of Children's, Youth, Adult and General Church School Work.

"HONOR TO WHOM HONOR IS DUE"

As the annual report of The Board of Education is prepared, the reporter is always deeply moved with gratitude as he recalls the occasions almost without number when the responsibility for Christian teaching was helped here and assisted there. A multitude of people have given dedicated service, very often without what they did becoming general knowledge, in order that the good cause might go forward. Words are very often inadequate to express the deep appreciation of the heart as we endeavor to say thank you to all who have supported the effort for better Christian teaching.

Yet a special word of appreciation should be expressed to Mrs. Francis Holden, Office Administrator, Film Librarian and Secretary. After three years of service with the highest excellence in the performance of her duties, Mrs. Holden is moving from Dover to Georgia where her husband has been appointed manager of an International Latex Plant. We rejoice in the significant advancement for the Holden family and will remember with gratitude the outstanding contribution made to the interests of our Board by this dedicated member of our staff.

"AND NOW VOYAGER"

A new day has not only come for Christian teaching but a new epoch for the Delaware and Peninsula Conferences. The eyes of Methodism, as well as many others, are upon us in the crucial moment of our history. Yet, "as we break new seas" we need not face the future as though all will not be well. Though the days ahead may bring their challenge, He who has led us thus far will lead us on and we shall know that "the best is yet to be."

WALTER H. STONE, Executive Secretary

REPORT OF PENINSULA CONFERENCE EDUCATION SOCIETY

The Society had $2,292.00 available for scholarships last year. This represents a decrease of $2,024.25 from the amount available the previous year. However, during the 63-64 conference year, the directors voted to allocate money for scholarships received from that year's student day offering as well as that received the previous year. Formerly, scholarships were awarded only from each previous year's receipts.

As a result of last year's aforesaid action, we are now operating on a current year's basis. We received 36 applications for financial aid during the year, but because of our decreased resources, the Society was able to award only 15 individual scholarships, ranging from $50 to $150 each. The latter amount was given to ministerial students.

The scholarship committee would prefer to give not less than $100 to each successful applicant, but to have done this would have meant so few would have been helped.

Wesley College was given $800 to be allocated by the administration to deserving Peninsula Conference students. This was $200 less than Wesley had been receiving each year for several years.

One $600 grant was made to a student at Drew Theological School from the Riddle Domestic Fund. The Riddle trust fund specifies that only students attending Drew are eligible for scholarship aid therefrom.

Each year the Society has been receiving increased requests for scholarship aid. As a result of our enlarged conference, it is only reasonable to expect that this year will show an even more marked increase. The only satisfactory answer to this situation is for greater support of the student day offering. Unfortunately, the recent trend in that offering has been downward. Our hopes are that this trend will be reversed. It must be if we are to help those young people of our conference who sincerely need help to further their education, especially those preparing for full time Christian vocations.

April 30, 1965

Respectfully submitted,

THOMAS S. LODGE,
President.

REPORT OF THE CONFERENCE BOARD OF EVANGELISM

This is an age of taking a new look at ourselves, of re-evaluation and renewal in all departments of the Church. This attempt to make an honest appraisal of our program and purpose has been part of the concern of your Board of Evangelism this year. What is evangelism? What frontiers ought we be exploring? How can we reach people with the good news? How may the Boards of Education, Missions and Social Concerns share with us and us with them the task that is ours in proclaiming the Christ? These and other questions we need to ask in order to see more clearly how we may do and be what God is calling us to do and be as The Methodist Church in our time.

Three-Step Plan

It was suggested in last year's report that the Boards of Education and Evangelism work together in developing a program to increase church school attendance and enrollment. Such a program was developed with the two Boards working cooperatively. This endeavor became known as the "Three-Step Plan". The plan was as follows:

Step I. Training of Conference Leaders.

—One team for each district.
—Those who made up the district teams:

1. District Secretary of Evangelism, plus one layman within the district who is on the Conference Board of Evangelism.
2. District lay leaders, plus one district associate.
3. District Secretary of Education, plus one church school worker.

Training of these teams took place on October 18 at which time we attempted to answer the question, "Where are you?" for each district. Resource materials were presented and discussed Each district team had an opportunity to consider how they would proceed on their district.

Step II. Training of District Leaders.

—One team for each charge.
—Those who made up the team for the local church:

1. Chairman of the Commission on Education.
2. Chairman of the Commission on Membership and Evangelism.
3. General Superintendent of the Church School.
4. Divisional Superintendents.
5. Superintendent of Cultivation.
6. Pastor.

This training took place on November 1. Those who had been involved on October 18 followed a similar procedure in presenting the picture of our church school discussing the materials available and giving each local church team an opportunity to formulate plans.

Step III. Training of Local Church Leaders.

—For church school teachers and officers.

This step took place on January 10 in the local church. Those who had been trained on November 1 were responsible for presenting the materials and information to their church. To help them see more clearly their individual situation, a graph was prepared for each church of the Conference showing their past ten years trend of enrollment in the various departments of their church school. This graph, along with other materials, was sent to each pastor to be used in his training program.

The two Boards feel this "Three-Step Plan" was a good plan. Whether or not your church school benefited from it depends on whether or not you

took the third step and followed through with it. A sincere effort has been made, tools have been provided. Only time will tell if these three steps now taken will help us continue to march toward our purpose in the church school of teaching the Christian faith and bringing others into a meaningful relationship to the Christ.

Seminar in Spiritual Depth

The Director of Local Church Evangelism of the National Board, Dr. Leslie J. Ross, spent four days conducting a seminar in spiritual depth in our Conference this past fall. He spent one day on each district. We were called upon as ministers to examine our faith and spiritual lives. Many have expressed appreciation for such an opportunity as the seminar gave. The laymen shared each evening in worship and inspiration.

Conferences

Ministers and laymen alike have attended several conferences during the course of the year under the direction of the Board. Walter H. Beckwith and Everett Isaacs were delegates to the Mission to El Paso, Texas; Hartwell Chandler and Roy Phillips attended the Jurisdictional Conference on Evangelism held at Drew; ten ministers and laymen attended The National Council on Evangelism in Chicago January 4-7; Olin Shockley and James Hughes went to a conference on Unconventional Evangelism in Chicago; and Harry Guyer was in attendance at a Supply Pastors School of Evangelism held in Nashville. New ideas are shared, up-to-date materials are presented and workable methods are received at these conferences. Those attending have brought back to our Conference a stronger ministry.

Special Ministries

There are several special ministries being conducted in our Conference that are worthy of mention. The ministry to vacationers continues to grow with the work at St. Matthew's By-The-Sea and Elk Neck State Park reaching large numbers each week during the summer months.

The inner city work under the direction of The Wilmington District Church Extension Society has staff personnel in five locations developing meaningful programs. Our effort to minister to the Spanish-speaking people in the City of Wilmington remains a challenge. Contact is difficult, but efforts are still being made and the Spanish edition of "The Upper Room" is being distributed.

Ministry to young adults attending business schools was a pilot program developed by The Reverend Donald Kauber under the direction of the General Board of Education. The "Aukh" (which is Egyptian for "key of life"), a coffee house type of operation located in Temple Hall of Grace Church, is an outgrowth of this study.

A literature rack containing books and pamphlets for evangelistic resources has been placed in the hall of the Board of Education building in Dover. Most of these materials are free. Others are sold at cost. We trust you will find this a useful service.

All Saints Chapel

All Saints Chapel, which is located directly behind the sanctuary at Grace Church, will be open each day during the Annual Conference sessions. A directed prayer service will be conducted at 8:15 until 8:45 a.m. During the remainder of the day the Chapel may be used for individual prayer and meditation.

Quadrennium Emphasis

Dr. Harry Denman, who has served as General Secretary and Head Administrative Officer of the General Board of Evangelism, has retired. Dr. Kermit Long, Pastor of Central Methodist Church, Phoenix, Arizona, has been elected to succeed Dr. Denman. As a Conference Board and as local churches, we will want to give Dr. Long our wholehearted support.

"One Witness in One World" is already the recognizable theme for this quadrennium. Your Board of Evangelism urges all churches to make a study of the book of Ephesians. As we move into these years immediately ahead, we here in our own Conference have a great opportunity to demonstrate Christian love in action.

Spiritual Life Retreat—Fall 1965

The Spiritual Life Retreat, as projected by the Board last year, is being brought into final planning. Dr. Lawrence Lacour of the General Board of Evangelism and his wife will lead us in this retreat. The retreat will be held in Ocean City, Maryland and conducted on the following schedule:

Dover and Wilmington Districts
September 27 and 28
Chestertown and Easton Districts
September 29 and 30
Seaford and Salisbury Districts
October 1 and 2.

Reserve these dates now and make the necessary arrangements in order to attend this retreat which will mean so much to us as a Conference, as well as individuals.

Summer Evangelists Program

Plans are being made to conduct a specialized program under the direction of the General Board of Evangelism. Under this plan, seminarians and young ministers and their wives in their first appointment out of seminary would come to a designated center for training and experience. The seminarians would form a permanent traveling seminar for the summer which would enable us to provide training along with an all-out evangelistic endeavor for our Conference. Special care would be given in helping each church to have a well organized and functioning Commission on Membership and Evangelism. This program is projected for the summer of 1966 or 1967.

"Your Church"

If you have not already used the new film strip and handbook for the Commission on Membership and Evangelism, you will want to do so at the earliest possible date. Your Board would also urge you to take advantage of the seasons of Advent and Lent as times of the church year which lend themselves well to evangelistic emphasis. Your Conference Board stands ready to assist any local church whenever need arises.

Our sincere thanks goes to all the pastors and laymen of the Conference who have shown interest and cooperation in what we have tried to do; to the members of the Board who have worked so hard; to the Cabinet and Bishop who have given us guidance and help; and to Almighty God for His love and patience. As we enter into a new relationship with our brothers and sisters of the former Delaware Conference, we pledge ourselves anew to God and his Kingdom through Jesus Christ our Lord.

Respectfully submitted,

WILLARD L. ROBINSON, JR.

REPORT OF THE MARYLAND COUNCIL OF CHURCHES

The year of 1964 was the first year for full operation of the Maryland Council of Churches with a Constitution clearly based on the evangelical and representative principles. There are now nineteen member bodies and four others will formally file their request for membership at the next General Assembly.

The climate of ecumenical relationship in Maryland continues to improve. Union within various denominations is underway. Unity in program and emphasis has been experienced not only by the Protestant, Anglican and Orthodox bodies, but is also evidenced in interfaith efforts. The "Faith to Faith" television program, the Conference on Race and Religion, the Conference on Poverty, discussion on religious education and the schools, interfaith membership in local ministerial associations, as well as interfaith dialogue groups are among a few of the many concrete examples of this growing spirit of cooperation.

Encouragement has been given this ecumenical development by six area meetings of clergymen and lay persons which were addressed by teams from the State Council including the President, Dean John N. Peabody, the Chairman of Business and Finance, Mr. Walter C. Houck and the Executive Secretary, Rev. Donzel C. Wildey. Also during the year, the Executive Secretary visited and represented the Council before the annual meetings of 16 denominational judicatories.

The services of the Council are many and relate to every area of the state. A few of these services included the Churchmen's Legislative Seminar, action against slot machines and lotteries, religious programs on radio and television, two child care centers for migrant children, the migrant ministry chaplaincy, the expansion of church research and planning, United Church Women programs, Christian vocation packets to high school guidance teachers and the follow-up of career choice conferences, conference on poverty, creative art workshops for church school leaders, training for church camp personnel, lending library of audio-visual materials, action related to race and religion, Blue Cross Group Plan for over 1,000 church employees, consultation for adult workers with youth and the interdenominational services and programs of pastoral visitation and counseling in hospitals, homes and institutions. These are a few of the many and varied ways the Maryland Council of Churches serves in the ecumenical field of endeavor. It is to be remembered that serving on each division, department and board of the Council are the loyal representatives from the Peninsula Conference. It is their counsel and involvement that relates all that is done to this judicatory and its churches and assures the Conference a voice in all deliberations.

Special mention should be made regarding the calling of a Director of the Department of Research and Planning for the Council. The Rev. Robert D. Ball will join the staff in 1965 after completing four years in a similar position with the Southern California Council of Churches. Relationship to the proposed Columbia Community in Howard County will also expand the opportunities for this growing department.

Major studies are being undertaken by committees of the Council regarding areas of poverty, education and federal funds, leisure-recreation and inner-city ministries. The results of these studies will assist the churches in planning for more effective ministries to the total community.

A word of commendation is extended to all members of the Peninsula Conference who served on committees of the divisions and departments and to the people in the local churches who shared so much in the work of the Council. May God continue to bless each of us and keep us ever mindful of the needs of others through Jesus Christ our Lord.

DONZEL C. WILDEY,
Executive Secretary.

GOODWILL INDUSTRIES, INC.

17th and Spruce Streets, Wilmington, Delaware

Bishop Lord and Members of the Peninsula Conference:

1964 was a significant year in the growth of Goodwill Industries. With a larger, more adequately equipped building more jobs were provided; more handicapped people were employed; more wages were paid; and more services were rendered than in any other previous year in the agency's 44 year history.

The year was significant too, with regard to the progress made in improving the quality of our program. More attention was focused on filling other needs, than those of a purely economic nature. Through the activities of our Medical team (a consulting physician and a part-time nurse) better physical controls were effected for the benefit of our handicapped workers. Our personnel department using a newly developed evaluation procedure added much to the personal growth of our workers. In many instances eye glasses, dentures, hearing aids were provided. Where circum-

stances warranted, our program reached into the homes of our workers to provide counselling in time of need. On many occasions during the year handicapped workers were referred to other cooperating agencies for needed therapy and medical treatment.

Goodwill Industries continued in 1964 to concern itself with trying to serve the "whole man": Serving not only his economic, physical, and social needs, but also his spiritual needs as well. Chapel services were held daily throughout the year from 8:00 until 8:30 a.m. each morning. Workers attended voluntarily. The aim of our religious program was to develop basic spiritual resources, and to encourage active participation in an established church of the workers own choice and preference.

While 1964 was in many ways the most productive year in our agency's history as far as growth is concerned, we look forward to 1965 as a period of even greater development. We want to provide the best possible services for an ever increasing number of handicapped people, and to provide the type of program that a dynamic growing community such as ours has every right to expect. With the continued help and encouragement of a dedicated Board of Directors and Staff, we are confident that our goals for the ensuing year will, in a large measure, be achieved.

Goodwill Industries is especially grateful to members of the Peninsula Conference, ministerial and lay members alike, and for their splendid help and support during the past year.

Respectfully submitted,

J. CARLYLE SIMMONS,
Executive Director.

HISTORICAL SOCIETY

In the history of the Peninsula Conference of the Methodist Church two significant events occurred in the year 1957. The first was the approval by the Conference of the incorporation of the Historical Society of the Peninsula Annual Conference. The second was the election of the Rev. William O. Hackett to the Presidency of that Corporation.

Under the stimulus of Mr. Hackett's patient and dedicated leadership things have been accomplished that otherwise might have taken much longer and perhaps not have been accomplished at all.

We are pleased to report that, although Mr. Hackett's term has expired he has been, by wise action of our Bishop and Cabinet, appointed a special adviser to the Society for completioh of the Barratt's Chapel Project.

Barratt's Chapel

Immediately after our Anniversary Service held in the Chapel October 25, 1964, the Museum and Curator's Residence were consecrated by our Bishop John Wesley Lord. We have every reason to believe that at our Anniversary Service November 13, 1966 which is during the Methodist Bicentenary Year, we will be able to dedicate the Museum and Curator's Residence debt free. To this end the Conference Commission on World's

Service and Finance has given us permission to seek contributions from the Churches of the Conference.

Bishop Lord has appointed Rev. Paul E. Reynolds to be Curator of the Museum.

Historical items are now being accumulated for permanent preservation and display.

The Chapel itself is being reverently cared for as a sacred Methodist Shrine.

We suggest that every Methodist and others who may be interested visit the Chapel and Museum from time to time to find inspiration for the present from sacred things of the past. The Chapel is open at all times. The Museum is open every week day, except Monday, from 9:30 A. M. to 4:30 P. M., and on Sundays from 1 P. M. to 4 P. M.

Since the Museum was opened October 25, 1964 about 500 people have visited it and during this period there have been, in the Chapel, one wedding, one funeral, the closing revival service of one of our nearby churches, and many visits by ministers with membership classes. More and more files and equipment are being installed in the Museum. Send in your historical items. We especially desire historical records of churches that have closed. Colored postcards of the Chapel both inside and out and of the group of buildings will be for sale soon.

We are grateful to Mr. Leon DeValinger, Archivist of the State of Delaware, for his interest and valuable advice and also for caring for many records prior to the opening of the Museum.

Old Bethel Church Near Chesapeake City

Our 1964 report mentioned that this old Church, which has been closed for several years, and which was by conference action turned over to the Historical Society, might be bought by the U. S. Engineers because of the C & D Canal widening project. We are happy to report that this has happened and on April 7, 1965 in return for the Deeds for this old Church and Parsonage we were handed a check in the amount of $43,749.00. We appreciate the generosity of the Engineers in this matter and especially do we thank Mr. James D. Shepherd of the U. S. Engineers Office for his interest and efforts without which we might not have fared so well.

The Society has set aside $40,000.00 of the amount received from this sale to pay off the major portion of the $50,000.00 Barratt's Chapel indebtedness.

A Committee was appointed to recommend a suitable memorial to be placed near the site of the old Church.

It should be recorded that this Church was built in 1790, and in 1799 the first altar call in America was given in this old Church.

The Annual Meeting of the Northeastern Jurisdictional Historical Association was held at Barratt's Chapel April 27th to 29th, 1965. About 70 delegates attended. One of the highlights was a five hour tour of nearby Methodist Historical Sites. Mr. William O. Hackett is vice-president for the Washington Area of this Association.

We want to register our thanks to Mr. Thomas S. Lodge, the Treasurer of our Society. Not only is he an excellent Treasurer but he has given,

without charge, his services in legal matters which have been exceptionally valuable in our transactions concerning Bethel Church.

We also thank Dr. and Mrs. Howard B. Warren of Newark, N. J. for the gift of a lot in Fenwick's Island valued at $5000.00.

We request the interest of every member of the Conference and indeed of every Methodist, in the work of our Society.

Respectfully submitted,

CLINTON H. BROWN, President

BOARD OF HOSPITALS AND HOMES

The Board of Hospitals and Homes of the Peninsula Annual Conference in its promotional activities during the conference year 1964-65, has been mainly occupied with the coming of the proposed Methodist Manor House to Seaford, Delaware.

In this connection, the Board has assisted the project through numerous news releases, assisting in preparations for the Ground Breaking Ceremony which was held on October 9, 1964, and in cooperating with the Rev. George Pigueron in setting up a temporary office for the Methodist Manor House in Mount Olivet Methodist Church in Seaford.

On November 24, 1964, members of the Boards of Hospitals and Homes of the Peninsula Conference and of the Delaware Conference met in the office of Bishop John Wesley Lord in Washington to discuss questions relative to a proposed Home for the Aged in Dover, under the auspices of the Delaware Conference. The consensus of the meeting was that this matter be referred to the Homes for the Aged of the Peninsula Conference, Incorporated, with the recommendation that the project be carried through, pending approval of the Peninsula Annual Conference.

Under new General Conference legislation, the Board of Hospitals and Homes is charged with responsibility for direct services to persons in need.

Local churches are appealed to to take a dedicated interest in the health and welfare needs of their own community, and to undertake to minister to these needs in the name of Christ. A few suggestions as to activities which a local congregation might enter into are:

1. Home-maker service for aged people in the church and community.
2. A day school for mildly retarded children.
3. Local church program on preparation for retirement.
4. Employment by the church of a part-time visiting nurse.
5. Local church dietary service for nearby older persons.
6. A Big Brother project for teen agers in trouble.
7. A foster home recruitment plan.
8. A counseling service for troubled individuals and families.

Churches are urged to study their own communities to discover unmet needs, and then to take steps to meet them.

The Board urges churches to seek to establish a closer relationship between themselves and the hospitals and homes of the Methodist Church within the borders of the annual conference, and in neighboring conferences.

One of the best ways to effect this closer relationship is to engage in a special project for the hospital or home concerned. Administrators are always prepared to suggest such projects.

Through Volunteer Services departments of non-Methodist hospitals and other institutions, interested churches can be of help, and so render needed services in the name of Christ.

Churches are urged to seek to encourage their young people—perhaps through an annual Career Day—to consider a career in one of the several fields of health and welfare.

We further urge continued—and where possible—increased support of the Christmas offering for the Board of Child Care of the Peninsula and Baltimore Conferences, and of the Mother's Day offering for the Methodist Country House.

The Board of Hospitals and Homes will continue to seek opportunities to promote interest in our existing and proposed hospitals and homes; and upon all such undertakings we invoke God's blessing.

MILTON H. KEENE, Chairman of the Board

THE METHODIST COUNTRY HOUSE

As one strolls the corridors of The Methodist Country House, it is evident that the residents living within its walls are happy, contented and "very much alive." The fear of loneliness has been removed. A sense of Christian security, love and fellowship has become a part of their daily living.

We are happy to report that the building and grounds are maintained in excellent condition at all times. Many favorable compliments have been made by visitors from other organizations regarding our excellent maintenance policy.

By the grace of God and the kindness of people, we are able to pay our bills each month.

Our scholarship program (adjustments of costs for those unable to meet their full financial responsibility) continues substantially the same, namely, we give in excess of $8,000 each month. The funds received from the Mother's Day offering and The Methodist Country House Auxiliary are a real help in our benevolent program. We hope as people become better acquainted with our ministry of compassion, the Mother's Day giving will increase. We wish to take this opportunity of thanking the Executive Committee and the various members of The Country House Auxiliary for their faithful work in promoting the cause of the Country House and especially for the very remarkable Fall Festival held last October, 1964.

The Junior Board of The Country House continues to operate the Gift Shop in a very fine manner and contributes the profits to the benevolent program.

During the current conference year, May 1, 1964, to April 12, 1965, we have received in cash gifts—$445,445.32. The mortgage has been reduced to $399,500. This amazing record has been made possible only because people believe in our ministry and trust the manner in which we handle finances.

The Methodist Manor House is now under construction on our very lovely site in Seaford. The land has been paid for in full and the building is being constructed by J. Roland Dashiell & Sons, Inc.

The Board of Lay Activities under the chairmanship of Mr. Maurice Hancock, Conference Lay Leader, is currently promoting a campaign to raise $1,000,000 for The Methodist Manor House. This money is desperately needed to make another dream become another reality. Frankly, the campaign is going slowly. We called upon every pastor and every official of our local churches to get behind this project in a very practical manner. The Board of Lay Activities is especially interested in securing small gifts—gifts from individuals, Sunday School classes, Bible Classes, Methodist Men's groups, women's circles, etc.

For further information we suggest you contact Mrs. Jason Blundon at our temporary office in Mount Olivet Methodist Church, Seaford.

PAUL E. McCOY,
President of the Board of Trustees

BOARD OF LAY ACTIVITIES

As I contemplate the preparation of this report, my mind goes back to a Saturday morning in May, 1964. It was at this time that I had conferred upon me one of the greatest honors and privileges my Church could bestow upon one of its laymen. I would like to say that more than once have I sensed the tremendous impact of this responsibility and my inadequacy concerning it, but with the aid and assistance of able and dedicated men who have shared these responsibilities of our lay program, all laboring together toward the fulfillment and ultimate realization of those goals and high purposes to which we believe we have been called.

I would like in the beginning to give thanks to my predecessor whose shoes have not been easy to fill. Without his capable and generous assistance on many occasions, my task would have been even more complex and perplexing.

Our quadrennial theme, "One Witness In One World", brings us to the realization that the world is no longer a place where nations or individuals or societies can seclude or isolate themselves. That the world is a society made up of peoples whose Creator and Maker is God, regardless whether he be rich or poor, prominent or of no consequence, potentate or pauper. That we are one people whose responsibility it is to make our Christian witness a personal one. That this witness must have a decided impact and influence upon the society in which we live, else our professed belief in the Fatherhood of God and the Brotherhood of man be grossly misunderstood.

The Sixteenth Annual Methodist Men's Retreat was held at Camp PeCoMeth on September 12 and 13. Our theme "The Witness We Bear", was centered in an evangelistic atmosphere. Our guest speaker for two of the Saturday sessions was Mr. Harold Rogers from the General Board of Evangelism. The Saturday evening session was most inspiring and an experience which I believe those in attendance will not soon forget. The Sunday morning message was brought by a layman. Rev. Alton S. Miller, distinguished member of the Cabinet, from the Salisbury District, brought the closing message of rededication. This Retreat was truly a mountain-top experience.

We believe that our concentrated efforts toward the goal of no vacant pulpits are being steadily rewarded as we observe the increasing interest among laymen and clergy in their observance of Laymen's Day. Laymen's Day was observed this year on October 11. Our theme was, "Able to Stand."

Another highlight in our Conference program is the Assembly of the Northeastern Jurisdictional Board of Lay Activities. This year marked the thirteenth year that laymen from all over the Northeastern Jurisdiction have assembled themselves to promote and further the great program and purposes for which our church stands, and to enjoy an atmosphere of fellowship rarely equaled. The Assembly met this year in Atlantic City at the Ambassador Hotel. Our plans are already in progress to return there for our 1965 Retreat which will be held on October 23-25. Our Peninsula Conference was represented by seventeen of its laymen.

I have had the privilege of being the guest of each of our District Lay Leaders at their annual Laymen's Banquet. The tremendous interest and spirit evidenced by the attendance of our laymen at these affairs is very gratifying, especially when we realize the effort and sacrifice our laymen make in behalf of these activities. I am grateful that our conference is made up of men of such dedication and sincerity.

Our Lenten Communion Breakfasts are no less important in the activities of our spring program. These Lenten Services are held simultaneously across the Peninsula Conference, each District beginning its first service on that Sunday which enables them to have held one service in each sub-district before Palm Sunday. It is at these services that our laymen are privileged to fellowship and break bread together at the Communion table after which they are served breakfast by the host church. A free will offering is taken at each service, the entire offering being contributed to the Board of Child Care.

We are ever mindful of the important role our Methodist Men's groups play in the ever-broadening scope of the lay activity of our Methodist Church. It is because of this vital importance that we seek to render them whatever assistance we can in the promoting of the local church activities . Our Annual Conference confirmed the appointment of a Director of Methodist Men at its session last year. This action has been an invaluable contribution to the Conference Board of Lay Activities in that it has enabled us to make a more concentrated effort in determining the needs of our local groups and the promotion of the most current programs and ideas handed down from our General Board. I personally thank Lowell Mercer who has done such a magnificent job. Also to Vernon Downes, our Director of Stewardship, and Associate District Lay Leader, and to John North who was named Director of Lay Speaking.

Presently we are looking forward to the Fourth National Conference of Methodist Men to be held on July 9-11, 1965. It will be held at Purdue University, Lafayette, Indiana. It is hoped that a record number from our Conference may attend. Plans are under way to provide travel facilities that will meet the needs of all those who plan to attend. It is hoped that

groups can be formed and proper travel arrangements can be made to accommodate them. We urge all Methodist Men and interested men to do what they can do to publicize this Convocation and to be present themselves if possible. We urge all who plan to attend to get their reservation in early, as only five thousand reservations can be accepted.

Another of the projects which has helped to make our year the busy and eventful year that it has been, is the part that our Conference Board has assumed in the planned erection of the New Methodist Manor House at Seaford, Delaware. Progress is being made. The land has been purchased, plans drawn, and the contract awarded. We of the Conference Board of Lay Activities whole-heartedly support this ministry provided for our senior citizens. Encouraged by the leadership and faith of its director, Rev George H. Pigueron, whose untiring efforts have been so instrumental in the realization of the tremendous facilities provided by the Methodist Country House, we go forth undaunted and unafraid. We shall face problems. We expect to, but with God's help we shall reap the victory.

I think that the year 1964-65 will go down in the history of the Peninsula Conference as one of great significance and unprecedented achievement. The coming together of the Delaware and Peninsula Conferences as one people marks a milestone in the history of the Methodist Church. What once was considered an impossibility has become a reality. Patience, perseverance, understanding and brotherly affection have been the undergirding factors so instrumental to the successful conclusion of this great undertaking. We believe that these virtues and the divine guidance of Almighty God must continue to guide us in the days to come as we go forth together, striving to carry out his purposes and will through our individual Christian witnesses.

In conclusion, I would like to express on behalf of the Peninsula Board of Lay Activities our most sincere gratitude for the many considerations and gestures of understanding accorded us by Bishop Lord and each member of his Cabinet. For their patience and leadership, we give thanks. To all others with whom we have been privileged to work, we extend our heartiest appreciation. Especially are we grateful to our Church and its people who have entrusted to us a charge to represent them in the work of the Kingdom. But most of all, we thank our Heavenly Father for what He has done in us and through us.

As we look to the future, we shall not concern ourselves with the things which we should have done that we did not do, or with the things which we did that were wrong. But, rather, we shall press on in whatever capacity we are privileged to serve, seeking to bring all men into a saving knowledge of our Lord and Saviour Jesus Christ, through our own personal Christian witness.

We do not know what the future holds for us, but we do know who holds the future.

Respectfully submitted,

MAURICE M. HANCOCK, Lay Leader,
Peninsula Conference.

THE BOARD OF MINISTERIAL TRAINING AND QUALIFICATIONS

We deal with who, how many and what quality shall be the ordained leadership of the local churches of Methodism. We need the prayers and solicit the suggestions of all Methodists, lay and clergy, of the Peninsula Conference.

Officers elected for the quadrennium include: Ralph L. Minker, Jr., chairman; Harold M. Davis, vice chairman; C. Edwin Lasbury, registrar; Edward R. Wilkins, secretary-treasurer. William P. Kesmodel is chairman for loans and scholarships.

Wilkins and David W. Baker have prepared the new edition of the basic handbook, "Steps into the Ministry." In addition, J. Gordon Stapleton was asked to serve as chairman of a committee to survey the need for ministers in the racially inclusive Peninsula Conference for the decade 1965-1975. An evaluation of guidance for men under the supervision of this board resulted in four board members working with the four district superintendents to arrange for individual helpers or sponsors. (Charles I. Carpenter, Dover District; William Dore, Easton District; Harold M. Davis, Salisbury District; Paul E. McCoy, Wilmington District).

The registrar will present a report dealing with the status of all men who are under the supervision of the Board of Ministerial Training and Qualifications. This will incorporate elements of the report of the old Delaware Conference Board of Ministerial Training and Qualifications. There will be specific recommendations as to ordination and conference membership.

For further thought: This board is very interested in recruitment. Primary responsibility in this area of concern rests with the Commission on Christian Vocations. We have received mixed reaction to the Bishop's Conference on the Ministry, held last December. There is a feeling, a consensus really, that this "all out effort" only opened the door for a quick glimpse at a tremendous responsibility.

For further thought: This board is very interested in adequate salaries. There has been no increase in the minimum salary schedule of the Peninsula Conference for several years. Is it time to move up? Should there be an automatic adjustment each year pegged to the cost of living index? And what about the middle years of life? It is suggested that an ordained minister of 10, 20 and 30 years service should receive the support and protection of a minimum salary schedule which takes into account one decade, two decades or three decades of seniority.

For further thought: This board is very interested in what is called continuing education. It is recognized that professionals in medicine and education are required to take advanced education at regular intervals to maintain professional standing. It is not enough to require certain educational standards for entrance into the ordained ministry and then to let slide both the need to dig deeper and the need to keep current in professional scholarship. It might be possible to develop Drayton Manor as an important center for ministerial study. There is a danger of conflict of interest, however, between those who would develop Drayton Manor as a center for meetings and those who are interested in something stronger. Drew Theological Seminary has pioneered significantly in a program of

continuing education for local, bread-and-butter ministers. We have requested funds of the Commission on World Service and Finance to make it possible to subsidize two Peninsula Conference ministers to enroll at Drew each year, one for a four week session in January, the other for a two week session post-Easter.

Do we need to be told again, as I am sure that we will be told a dozen times at the 26th Session of the Peninsula Annual Conference, that this is an historic hour? Yes, we do. We must not allow ourselves to forget the challenge of today. Our presiding bishop marches in Selma, Alabama, and we all take heart, purpose and stamina for him. We are stirred, or should be stirred, by the goodness, long hours and sincerity of a whole host of men and women who are ordained by God. A priest is a minor character, an occasion for laughs, in the play "A Lady's Not for Burning." (Christopher Fry) Typically, he rushes on stage. Rather obviously, he is late and confused. In words which have no relevance to the action on stage he blurts out, "Am I late for prayers?" This is a sobering reminder that although we may orate about the glory of the Christian Church and ministry, the image of the Christian Church and ministry is of weakness and irrelevance to perhaps a majority of the outside world. So we all must be reminded again and again that this is our "shining hour." Soren Kierkegaard wrote of the challenge in our lives of "endless approximation." Bishop G. Bromley Oxnam gave the Washington Area a gruff farewell benediction five years ago,—"God deny you peace. God grant you glory."

Respectfully submitted,

RALPH L. MINKER, JR., Chairman

REPORT OF THE PENINSULA CONFERENCE BOARD OF MISSIONS

This has been an unusual but highly productive year for your Conference Board of Missions. It has been unusual in that in the year in which we have worked for the orderly transition into an enlarged Conference, a complete new set of officers has been at the helm. These are:

President—The Rev. Otho G. Brewer, Jr.
Vice-President—Mr. Otis F. Figgs
Secretary—The Rev. David W. Baker
Treasurer—Mr. R. Byron Palmer

An Executive Committee was established consisting of the elected officers, the Conference Missionary Secretary, the four District Superintendents, and three elected members at large. These three are: The Rev. Paul E. McCoy, Mr. Milton L. Pope, and Mr. C. Harlan Pyle.

We invited the members of the Board of Missions of the Delaware Conference residing within our area to attend all our meetings this year and this they have done. We also invited the District Superintendents, and the Missionary Secretaries to meet with our Executive Committee. This step has proven very fruitful in fellowship and in the growing of understanding and appreciation for each other even before we are officially one. The wisdom of this step is seen in the fact that our period of adjustment is already

behind us and the new Board of Missions will not miss a step as it marches forward in the cause of Missions.

A summary of our year is as follows:

1—SURVEY OF METHODISM:

Immediately after the meeting of the Annual Conference, your Board of Missions acted to carry out the wishes of the Conference as adopted in the Standards Effective In Merger, under Part III, Section A, Number 1. This recommended that as soon as possible a survey be made of Methodism within the bounds of the state of Delaware and the nine counties of the Eastern Shore of Maryland. We requested the Department of Research and Survey of the Division of National Missions of the Board of Missions of the Methodist Church to conduct this survey for us. Your President cannot be too lavish in his praise of the Department of Research and Survey for their willingness to give this survey the highest of priorities. Dr. Robert L. Wilson and Dr. James H. Davis have been most cooperative and helpful. The first phase of the survey is complete and a report will be given at the Annual Conference by Dr. James H. Davis.

2—CULTIVATION:

An outstanding piece of work has been accomplished by our new Conference Missionary Secretary, The Rev Richard D. Bailey. A part of the report follows:

"Our cultivation team works in the area of missionary education and motivation. We plan and work as a team. The District Missionary Secretaries promote the work of our Board of Missions on their Districts. They are: The Rev. Edward Blevins, Dover District; The Rev. Edwin L. Johns, Easton District; The Rev. Howard Evans, Salisbury District; and The Rev. Alvin Willink, Wilmington District. These men have done excellent work. They have traveled many miles, held training sessions, worked with local churches, assisted the WSCS and Delaware Conference when asked, set-up Church-wide schools of Mission, served as instructors, and have given many hours of their time. A summary of their work follows:

District	Miles Traveled	Money Raised	Money Spent	Attendance Cultiv. Wk.	Guides
Dover	838	$132.00	$138.70	473	3,500
Easton	800	139.21	126.56	400	5,050
Salisbury	250	107.55	169.21	500	1,000
Wilmington	265	128.64	174.42	618	3,200
Total	2,153	$507.40	$608.99	1,991	12,750

This year our ministry included:

1. New Audio-Visual Guide prepared for the Quadrennium.
2. "Sense and Nonsense About Race" sent to all ministers.
3. Represented the Board of Missions at the dedication of the Neighborhood House.
4. Prepared and distributed Conference Advance Special Guide.
5. Held training sessions for chairmen of Commissions on Missions.
6. Helped WSCS itinerate a missionary.

7. Itinerated two missionaries, The Rev. Lee Palmore, Japan; The Rev. Edwin Hackney, India.
8. Helped in planning Youth School of Christian Mission.

World Service—the basic support of all benevolences is World Service. It means "service to the world". The new film AND ON THE 8TH DAY has been produced by the Methodist Church to promote World Service. This along with other materials will help local churches personalize this great need. The World Service dollar is the lifeblood of the entire out-reach of the Methodist Church beyond the local parish. As a cultivation team one of our main concerns is the promotion of World Service.

Advance Specials—the Advance supports a little better than one half of missionary work of our church. In our Conference the Advance continues to grow. More churches become interested each year. We have seen an increase in Annual Conference Advance Special giving. Our Conference Advance Specials are—Migrant Work; the Goodwill Industries; Church Extension; and the Neighborhood House.

Audio-Visual Library—we have an excellent audio-visual library with every major film produced by, or recommended by, the General Board of Missions. Its use is heavy. To date we have scheduled during this Conference Year 225 16mm, 227 filmstrips, and 8 LP records. We will again pass the 500 mark by April 30.

Training Programs—the Joint Commission on Education and Cultivation and the Woman's Division of Christian Service have taken joint action authorizing experimentation with training programs involving both men and women in the field of missionary education. They want us to use our imaginations. Our Conference has already started. Both the youth and adult schools of Mission will be open to both boys and girls, and, men and women."

3—CHURCH EXTENSION:

Very early in the year, we established a Church Extension Committee with the primary goal of ascertaining our church extension needs for the next five years. The chairman of this committee was The Rev. David W. Baker. They received the recommendations from the Superintendents and then personally visited the various sites. The long hours of work and study by this committee proved invaluable in presenting our requests for our future budgets.

Our work this year has been in three major areas. The first is in providing Missionary Aid or salary help for 21 different churches. These include new churches, inner-city work, and rural charges.

The second is our Incentive Grants or Loans. We have helped the following this year: Camden; Christ—Salisbury; Hockessin; Hollyoak; Kent Island; Lincoln; Meadowview Mission; Neighborhood House; Ocean City; St. Matthew by the Sea; and Wyoming.

The third is Parsonage Aid where we follow the practice of making available a very limited amount of aid as an incentive fund to help in the remodeling of parsonages. We believe that these grants have done much to provide better parsonages where the need is the greatest.

4—FUTURE:

We plan this coming year to study very carefully the policy of our Board as it relates to Church Extension. We wish to continue our survey of Methodism by seeking to find ways to better serve the needs of the inner-City and also to serve the isolated rural charge. We are considering the possibility of providing a scholarship fund for Asian and African students to study in our area. Our Conference Missionary Secretary will have more information about this at Conference.

5—RECOMMENDATIONS:

1. That the month of February be designated as Missionary Cultivation Month.
2. That the Rev. Richard D. Bailey be appointed Conference Missionary Secretary.

Respectfully submitted,

OTHO G. BREWER, JR., President

THE BOARD OF PENSIONS

Your Board of Pensions submits the following report for the year ending April 30, 1965 for your consideration and action.

It is with sorrow and deep appreciation for his services that we record the death in August, 1964 of Wilbur M. Rounds, a member of our Board, and suitable expressions of our Board have been conveyed to his family.

All communications from our Pensioners have been carefully considered, most of which have been taken care of by personal contact. The necessitous cases have been cared for satisfactorily.

Lionel D. Edie & Company have been retained as our investment counselors and our portfolio is well balanced.

Our charter has been updated and the new address of the resident agent is The Methodist Wilmington District Office, 1213 Delaware Avenue, Wilmington, Delaware. The corporate name is "Board of Pensions of the Peninsula Annual Conference of the Methodist Church, Inc."

The market value of our securities has materially increased during the year and our investments including bonds and mortgages in the Endowment Fund now total slightly in excess of $2,000,000.00

For the first time in many years the Board of Pensions has not been the recipient of any new legacy.

During the conference year we have paid to Retired Ministers in full connections $180,678.00; to Widows $113,757.00; to Retired Supply Ministers $13,708.00; to Supply Widows $10,141.00; to Children $1,562.00; and to General Board for Claimants paid by other conferences $25,341.41 for a total of $345,187.41.

It was brought to the attention of our board that in other conferences a shelter allowance has been claimed by retired men as an expense deduction on their Internal Revenue Return, and we therefore request that the Conference approve a recommendation to Retired Ministers that they deduct

on their revenue return: fuel, rent, and utilities costs not to exceed $1,200.00 or one-third of their annuity. It is understood, however, that this has not been officially approved by the Internal Revenue Service, but it will probably be allowed.

We recommend that the rate for the ministers' contributions to the Endowment Fund be set at 1½ % of all monies received as salary.

We requested the Commission on World Service and Finance to appropriate for our Board $293,000.00 for the year 1965-66 and also that this amount be set as a minimum for the year 1966-67 which we estimate will be needed because of the expanded membership of our Conference, also $10,000.00 for the Necessitous Fund. On the basis of this request we recommend for the year 1965-66 that the rate for annuity payment be $85.00 per year of service for retired conference members; that 75% of the full rate be paid to retired approved supplies; 75% of the appropriate rate be paid to the widows of conference members and approved supplies; and 25% of their fathers' rate be paid to children.

During the conference year we have had members of the Delaware Conference Board of Pensions meet with us, and they are aware of the recommendations herein.

We want to record a word of appreciation for the splendid cooperation we have had from the General Board of Pensions, particularly in the assistance rendered in supplying information in connection with the incoming members from the Delaware Conference. We wish to recognize the devoted service rendered continuously by our Treasurer, Ira S. Pruitt. He has a background of knowledge of the service records which is invaluable.

PUBLISHING INTERESTS

The year 1964 marks the 175th Anniversary of the Methodist Publishing House and its long record of service. The story of the Publishing House—one of America's oldest continuous book publishers—has been told in anniversary projects including a brief history, a color film strip, and a series of historical dioramas, all prepared in time for 1964 General Conference. Copies of the film strip entitled "The Methodist Publishing House, What Is Is? Where Is It?" are available for use in local church training classes, men's clubs, woman's society meetings, as well as Conference and District meetings. Your committee urges use of this film strip as an interesting and comprehensive medium to carry the story of the Publishing House to the churches. It is available on a free-loan basis from the Board of Education, Dover, Delaware; our Cokesbury Regional Service Center, Richmond, Virginia; or through the committee of the Conference Publishing Interests, Robert E. Green, Chestertown, Maryland.

The future appears increasingly bright in view of the unusual reception accorded the new children's curriculum materials and the authorization by General Conference of a new **Book of Worship** and **Hymnal.** Initial print order for the new **Hymnal,** scheduled for delivery in the Spring 1966, calls for one million copies. In line with its duties as specified in the Discipline, your Publishing Interests Committee is responsible for coordination of plans and arrangements appropriate for introducing the uew **Hymnal** to this Annual Conference. It is believed to be the finest, most usable Hymnal the Methodist Church has ever produced. This presentation will be made by Dr. Cecil Lapo, Exec. Sec. NAFOMM., of Nashville, Tenn. at 8:00 P. M. Thursday, May 13, Grace Methodist Church, Wilmington, Delaware. Samplers of the new **Hymnal** will be presented to the congregation by Methodist Publishing House, Thursday evening. Dr. Daniel Ridout will bring his Great Hymns' Choir from Baltimore, Md. to sing.

The new **Book of Worship** and revised Methodist **Discipline** have been produced and are now available in our Cokesbury Regional Service Center and Cokesbury stores. Church officials will find the **Discipline** to be a valuable source of information concerning the rules of the Church and the administration of its affairs. The new **Book of Worship** is designed for congregations and individual church members in a development of deeper devotional life.

Dr. George Curry, Associate Editor of the Methodist Publishing House, Nashville, Tenn., met with the Conference Publishing Interests Committee in Dover, Delaware, October 1964 to discuss ways and means this committee can assist the local churches to make greater use of the Publishing House materials.

The Conference Committee arranged to promote the new plan of Together at each of the District Conferences. The new church plan subscription note virtually puts this colorful and timely periodical within reach of every Methodist family. Together is available at $2.52 per year when subscribed through the local church. We suggest that each local church which has not adopted the Together Church Plan make this plan as one of its goals for the Conference Year 1965-66. The Christian Advocate and Religion in Life are also important parts of our Church's periodical program and are deserving of our fullest support.

The following achievements of the past year are illustrative of the services given by the Publishing House:

Abingdon Press Church Music operations experienced growth beyond expectations. Forty-eight new church music titles were produced.

In the field of religious books the **International Lesson Annual** continues to enjoy a high annual sale—51,706 copies sold during the year.

The number of Abingdon Bulletins used by Methodist Churches increased by 55,997 per Sunday during the year and now stands 1,618,979 per Sunday.

Registered Church Libraries now number over 10,500, increase over 1,000 during the year.

Orders for a completely new Young Readers Bible, to be ready August 1, 1965, are being received daily. Cokesbury Bibles sold to date are approximately 225,000.

Installation of a new 10-color web offset press has become operational at this time. The giant press is being used to print new children's curriculum and other publications requiring extensive color work.

The Publishing House again set aside $700,000 in 1964 to be applied toward the support of the Conference claimants, bringing total appropria-

tions since Unification to $11,165,000. We must be ever mindful of the fact that the Publishing House is dependent upon the use of its services by the churches and individuals in order to make this appropriation from year to year and to continue to offer the services which we have come to expect.

REPORT OF THE COMMITTEE ON RELATIONSHIP WITH CHAPLAINS

Every generation presents a challenge to the church and the forces of right, this present generation is no exception. One of the greatest challenges to the church today is two fold; to bring the church and its message to the people where they are and to present that message in such a way as to make those same people accept it. The church is endeavoring to meet this challenge in many ways, but none stands more on the forefront of this battleline than the minister, known as Chaplain.

The Chaplain is always where the people are, whether it be in the armed services, a veterans hospital, a mental hospital, a juvenile school, or a jail, he is there. Often without the refinements of stained glass windows, pipe organ or other physical appurtenances that help create the atmosphere of worship, he brings the word of God to men, women, boys and girls. He is the confessor to the lonely, the bereaved, the bewildered, the troubled, in the field or in the institution where he serves.

The Chaplain spends much of his time in group and individual counseling where he must speak the simple direct language of the people in order to be able to communicate the Love of God to those he serves.

The Chaplain, wherever he serves, is the church meeting the needs of people. He is your conference representative to many who would never come to the sanctuary of the church of their own free choice until first challenged where they live by the love and glory of God. He is an evangelist seeking the lost, and leading them patiently into the fellowship with God.

The Methodist Church recognizes the importance of this ministry, calling its well-trained young ministers to serve God in this growing phase of the ministry. New opportunities from institutions and industry are opening up constantly in this challenging ministry. Our minister should give full and serious consideration to meeting this challenge.

The Peninsula Conference has helped to meet this challenge with eight of its ministers serving as full time chaplains, six in the armed services, one in the veterans administration, and one in institutions for juvenile delinquents.

All Chaplains were sent copies of the official Journal of the Conference as approved at our last Conference.

The annual meeting of Committee on Chaplains, Chaplains on active duty, auxiliary chaplains, and former chaplains was held during the last session of the Annual Conference with Reverend Fred Heather of the General Commission on Chaplains as the guest speaker.

The Annual Meeting this year will be a luncheon on Friday, May 14, 1965 at 1:00 P. M. at the Wilmington Y.M.C.A.

THE STEERING COMMITTEE

A. Introduction

At their respective 1964 annual conference sessions the Delaware and Peninsula Annual Conferences adopted "A statement of Standards to be effective in the Event of the Merger of the Peninsula Annual Conference and the Delaware Annual Conference." Following these conferences, the Northeastern Jurisdictional Conference—meeting in June, voted to receive the Delaware Annual Conference into the Northeastern Jurisdiction and ordered that by July, 1965, the Delaware Annual Conference should be dissolved and its churches transferred into the various geographical conferences which it overlay. As a result of these three actions, Bishop John Wesley Lord appointed a Steering Committee to prepare for this dissolution and the transfer of its churches in Delaware and on the Eastern Shore of Maryland into the Peninsula Annual Conference. The Bishop stated that his committee would have authority over all matters pertaining to this transfer.

The Steering Committee thus appointed was made up of the following persons: the eight district superintendents of the Delaware and Peninsula Conferences who serve districts on the Delmarva Peninsula; the chairmen of the following boards of the Delaware and Peninsula Conferences— Education, Christian Social Concerns, Evangelism, Hospital and Homes, Lay Activities, Ministerial Training and Qualifications, Missions, Pensions, Trustees; the chairmen of the Commissions on World Service and Finance, Committees on Minimum Salary and Television-Radio-and Film Commissions of both conferences; the secretaries of the two conferences; the presidents of the Woman's Societies of Christian Service of the two conferences; the resident bishop; a legal counselor; and the executive secretaries of Christian Education of the conferences.

At its first meeting the following officers were elected: Richard C. Stazesky, chairman; James C. Hardcastle, vice-chairman; Wayne G. Cuff, secretary.

B. Work and Organization

The committee understood from the beginning that its basic task was to implement the policies set forth in the "Statement of Standards" and to study other pertinent matters not covered in that document.

The first meeting was held October 31, 1964; other meetings were held in January and March. After electing officers the group set forth all the questions and problems that it could think of relative to the issue at hand. Seventeen sub-committees were then set up and the questions and problems listed assigned to the proper sub-committees. The sub-committees were charged to work on these matters and report back at the following meetings.

The following sub-committees were established: Board of Trustees (legal matters), campus Ministry, Conference Program—Delaware, Conference Program—Peninsula, District Boundaries, Finances, Hospital and Homes, Intergroup Relations, Journal, Lay Activities, Ministry, Pensions, Public Relations, Reorganization, Spiritual Preparation, Woman's Society of Christian Service work, Worship Practices. Inasmuch as possible, these sub-committees were made up not only of persons on the Steering Committee but also of the boards, committees, or commissions which they represented.

A brief summary of the work of each of the sub-committees is as follows:

(1) Board of Trustees—prepared a listing of all assets of both conferences, worked out with representatives of other conferences involved a formula for the division of assets of the Delaware Conference, drew up resolution for the dissolving of the Delaware Conference, arranged for the Merger or dissolution of legal corporations of the Delaware Conference, arranged with the Peninsula Conference District Parsonage Committee for the purchase of two new district parsonages and the sale of former district parsonages that will no longer be needed.

(2) Campus Ministry—worked out a recommendation for financial support to certain institutions of higher learning regularly supported by the Delaware Conference; studied needs for campus ministry of all institutions of higher learning within boundaries of the Peninsula Conference.

(3) Conference Program—Delaware—program left up to the regular program committee of the Delaware Conference; dates of the Delaware Annual Conference session set for April 27-28.

(4) Conference Program—Peninsula—recommended the enlargement of the regular Peninsula Conference program committee to include representatives of the Delaware Conference; opening date of Peninsula Conference set for May 13.

(5) District Boundaries—worked out boundaries for six districts, following the "Statement of Standards" policy that no district have more than 50 charges.

(6) Finances—revised the 1965-66 Peninsula Annual Conference budget, arranged for briefing conferences for Delaware Conference pastors and claimants in order to explain to them the financial workings of the Peninsula Conference, recommended that no Peninsula Conference apportionments for 1965-66 would be recalled, recommended that 1965-66 apportionments be sent to the Delaware Conference charges, based upon the Peninsula Conference formula, made various recommendations pursuant to ministers' benefits.

(7) Hospitals and Homes—recommended that no work be done to develop any project on the home site of the Delaware Conference at Dover until after May, 1965.

(8) Intergroup Relations—revealed plans for the encouragement of various types of interaction between groups and persons of the two conferences.

(9) Journal—the Delaware Conference Journal will be published as usual and the Peninsula Conference Journal will contain certain summary reports of Delaware Conference church activities.

(10) Lay Activities—worked out joint meeting between lay leaders of both conferences.

(11) Ministry—studied number of ministers and their status of both conferences, recommended that all ministers will enjoy after May, 1965, the status recognized in the respective conferences before that date, recommended that a period of two years be allowed for adjustments to be made to bring those up to the disciplinary standard who do not measure up at the present time.

(12) Pensions—made plans to implement the policies set forth in the "Statement of Standards".

(13) Public Relations—recommended the publication of three explanatory flyers on this whole question for general distribution in the churches, recommended newspaper, TV and radio media as a means of educating the public in regard to what is happening.

(14) Reorganization—recommended that all Peninsula Annual Conference boards and agencies be reorganized after May, 1965 session and that at this session additional nominations be made to the various groups in order that they might include former Delaware Conference people.

(15) Spiritual Preparation—recommended prayer vigil at conference and prayer in public and private for this enlargement of the Peninsula Conference.

(16) Woman's Society of Christian Service—completed nominations for district and conference offices based upon the six district arrangement and the inclusion in the Peninsula Conference after May, 1965 of former Delaware Conference churches.

(17) Worship Practices—reviewed the various practices of the churches and drew up some suggested recommendations in regard to worship that could be distributed to the churches, recommended the establishment of a Conference commission on worship.

The above listing does not describe completely all the subjects dealt with or decisions made by the Steering Committee. Various groups of the conferences made additional reports also, such as, the Board of Missions on the survey being made by the Division of National Mission churches within the boundaries of the Peninsula Conference.

All of the above mentioned recommendations were adopted by the Steering Committee.

Throughout this period of planning and preparation the Steering Committee has sought to involve as many pastors and laymen as possible. After each meeting of the Steering Committee a summary report on its work was sent to all pastors in the Peninsula Conference and to those in the Delaware Conference serving on the Delmarva Peninsula. Each of these reports urged the pastors to submit their ideas, suggestions, criticisms. Several communications were received and were referred to the appropriate sub-committee for consideration. The explanatory flyers were sent to every local church involved in this matter; over 55,000 copies of each flyer were sent out. In each flyer was a statement directing that inquiries concerning this enlargement of the Peninsula Conference should be sent to the chairman of the Steering Committee. Several letters were received and were promptly answered. The series of three flyers was also printed in full in many papers published within the boundaries of the Peninsula Conference. Radio programs and TV programs on WHYY-TV in Wilmington and WBOAC-TV in Salisbury also dealt with this historic event. It can be seen then that every conceivable effort has been made to educate the general public and the church constituency in regard to the transfer of Delaware Conference churches into the Peninsula Conference. But this has been more than an educational effort, it has been a dialogue into which many persons have entered.

C. Conclusion

Throughout all the work and deliberations of the Steering Committee and its sub-committees, there has always been an excellent spirit of brotherhood and cooperation, and a unity of mind has prevailed in terms of the goals and methods of this whole enterprise. These factors have characterized not only the work of the past year but of all Delaware-Peninsula Conference relationships, which began in earnest in 1960. One can not overestimate the good will and mutual trust that have undergirded all the interconference activities and discussions that have taken place. This portends well for the future of the conference.

It should be realized that the Peninsula and Baltimore Conferences, which are receiving the greatest numbers of former Central Jurisdiction churches of all the annual conferences of the Northeastern Jurisdiction, are, nevertheless, being supported financially as well as morally by the other conference of the Jurisdiction and also the General Conference. This good will and interest of the other conferences is a result of their Christian sensitivity and conscience, but they have been led to rally to the support of the Baltimore and Peninsula Conferences largely through the efforts and interest of the leader of the Peninsula Annual Conference 1964 General and Jurisdictional Conference delegations, the Rev. Dr. William F. Dunkle, Jr.

The transfer of Delaware Conference churches into the Peninsula Conference in May, 1965 is the result of four years of careful study and preparation. This work was initially begun and now reaches its climax because of the firm support, wise guidance, and courageous leadership of Bishop John Wesley Lord in behalf of a truly inclusive church and social justice.

D. Recommendations

The Steering Committee submits the following recommendations for approval by the Peninsula Annual Conference.

(1) That the conference reaffirm the number of districts as six.

(2) That the conference direct all boards and agencies of the annual conference to reorganize themselves after the May, 1965 session, such officers to be elected for the remainder of the quadrennium.

(3) That the conference affirm that the General and Jurisdictional Conference delegates elected for the 1964 General and Jurisdictional Conferences shall serve for the remainder of the quadrennium.

(4) That the conference approve the establishment of an annual conference Commission on worship.

(5) That the conference accept the "Plan of Merger of the Delaware Annual Conference with the New York Annual Conference, the Peninsula Annual Conference, the Philadelphia Annual Conference, the Northern New Jersey Annual Conference, the Southern New Jersey Annual Conference".

(6) That the conference direct the secretary to include in the Annual Conference Journal the "Directory of Churches of the Peninsula Annual Conference" prepared by the Steering Committee.

(7) That the conference recommend to the Homes for the Aged of the Peninsula Annual Conference of The Methodist Church, Inc., that it, in conjunction with the Annual Conference Board of Hospital and Homes and the General Board of Hospital and Homes, make a study of the assets, liabilities and possible use for an additional home for the aged of the tract of land held in Dover by the Delaware Conference Homes for the Aged, Inc., and that it report its findings to the 1966 annual conference session.

(8) That the conference designate the Conference Council as the agency of the conference to deal with all matters not yet fully settled that have to do with the merger of the Delaware Conference with the Peninsula Conference until such matters have been properly settled in terms of the "Plan of Merger".

THE TELEVISION, RADIO, AND FILM COMMISSION

The Television, Radio, and Film Commission, TRAFCO, in sincere appreciation, both of the opportunity and responsibility, brings to you our annual report:

During the year we have met regularly and jointly with the Delaware Conference TRAFCO and are grateful for the fellowship and inspiration experienced. Together we have shared in leadership experiences, training opportunities and tentatively have made many plans for service to the united conference of 1965-66.

Four of our members attended the National TRAFCO Meeting at the CBS Studios in December in New York City and learned that the new major thrust in Methodism regarding the mass media is radio. The reasons for this change-over from TV are that radio is cheaper to operate, the programs are easier to put together and yet it is rapidly building large audiences across the country and regaining much of its former appeal and prestige. This is especially true regarding the programs with audience participation. It was also pointed out that our church intends to produce fewer TV programs and films and increase our support and interest in good secular TV programs and movies that stress sound principles and practices of the church. It was strongly felt by the Convocation and executives in the TV industry that most of our audio-visuals and films were entirely too "churchy", unsophisticated, with very little audience appeal. Based on our experience with surveys we strongly recommend to all our ministers with radio and TV commitments that you speak in language that the public understands. For example: many of the religious terms that may have some meaning to some of us as ministers in all probability have little or no meaning to a secular audience and their continued use will drive audiences away rather than build them.

TRAFCO has attempted to serve the steering committee this year by helping to document the merger and inform the general public. This has been done with informative articles, news releases to radio and TV stations, and TV programs over WHYY in Wilmington on April 25 at 3 p. m. and WBOC in Salisbury, May 7, at 7:30 p. m. We will attempt to serve this Annual Conference by taping the total sessions for the sake of posterity and in cooperation with Grace Church arrange for closed circuit TV to allow a greater number of people to view and hear the Conference. Commitments are made to the Maryland Council of Churches and the Wilmington and New Castle County Council of Churches to participate in audio-visual seminars to be held next fall on the Eastern Shore of Maryland and in the city of Wilmington. Wherever requested, we will teach a course on the proper use of audio-visuals in the local church in any of the leadership training schools.

REPORT OF THE TOWN AND COUNTRY COMMISSION

The Commission on Town and Country Work launched its program this year by sending two representatives to the Jurisdictional Conference held in Penn Brook, New Hampshire. Those representing our conference were: the Commission Chairman, Charles Barton; and the Executive Secretary for Town and Country Work, Thomas C. Short. Reports concerning this conference were presented to our commission.

The first meeting of this Quadreniam was held in the Dinner Bell Inn in Dover, Delaware, and Dr. John Howes of Wesley Theological Seminary was our discussion leader. Members of the Delaware Conference Town and Country Commission were present at this and all following meetings. At this meeting an Advisory Committee on co-operative ministries was appointed.

During the year, we have been very interested in forming some kind of a ministry to the scouts who will be camping in the new Nanticoke Scout Reservation, near the town of Sharptown, Maryland. We are working cooperatively with the Maryland Council of Churches on this project. At the present time it appears that there will be a ministry in this camp. This ministry will be under the guidance of an ordained clergyman. There is a Protestant Committee on Scouting handling this responsibility, and our Town and Country Commission has two representatives on this committee.

Current studies include; the Merit System, the Migrant Ministry, Rural Life Sunday, and the Resort Ministry.

Recommendation I

STANDARDS for the
FURNISHINGS and UPKEEP of PARSONAGES

I. HOUSE ARRANGEMENTS and EQUIPMENT

A. Minimum number of rooms should include: Four bedrooms with ample closet space in each, living room, dining room, kitchen, 1½ baths, utility room, and pastor's study.

B. Suggestions for additional room and facilities: Extra bedroom, recreation or family room, an outside entrance to pastor's study, a garage or car-port.

C. Utilities: Central heating plant that provides even heat for all rooms; combination storm windows and doors; automatic water heater. (sufficient electrical outlets.)

D. Furnishings provided by the Church:

1. Heavy furniture for each of the rooms, and porch; window blinds, curtains, and or drapes; rugs.
2. The Pastor's Study-Office is preferably located in the church building, but where it is in the Parsonage we suggest that it be on the first floor. V. GENERAL SUGGESTIONS

A. We recommend "open house" observances.
B. The parsonage is the home of the minister and his family during their occupancy and their rights and privacy should always be observed by members of the congregation. However, the minister and his family should take good care of all parsonage property, observing the rule of leaving the parsonage and furnishings in better condition than they found them.
C. Rotate the members of the Parsonage Committee.
D. The Parsonage Committee should keep an up-to-date inventory of all church property in the parsonage.
E. The Parsonage Committee is responsible for the acceptance of all furniture or furnishings given to the parsonage as church property.

Memo: Members of the committee making these recommendations were of the Delaware and Peninsula Annual Conference.

Thomas Short be elected Executive Secretary of Town and Country Commission.

REPORT OF BOARD OF TRUSTEES

PENINSULA CONFERENCE

May 1965

Your Board of Trustees has placed our principal funds in an Agency Account with the Bank of Delaware Trust Department. In this way your funds are given professional supervision and we believe will receive the highest safe return and appreciation in value.

Our auditor has set up a new bookkeeping system for us which separates our principal and income accounts. It will also provide a permanent record of costs of properties, furnishings and equipment for Drayton Manor, the district parsonages and any other property placed with us.

We hold $16613.65 of trust funds for twenty one accounts in amounts from $145.00 to $2670.43 on which we have been paying 4½%. It is expected this rate will continue but cannot be assured until the final audit each year.

Several abandoned churches have been sold this year and there will be more in the future. We feel great embarrassment when we find a building that has been abandoned to weeds and deterioration. We know of some but there are others no doubt and we will appreciate being advised if you know of any.

There has been considerable work and study of the legal and financial complications involved in the merger with the Delaware Conference. These are being worked out most agreeably and should be well in hand by Conference.

JOSEPH W. BROSIUS

WESLEY COLLEGE

"Behold, I make all things new" would be an appropriate scripture quotation in reference to Wesley College. The "little college" we have known for some time really isn't a "little college" any more—at least not in the sense in which we used the term a decade ago. Things have been stirring on the campus for some time. Let us look at some of the present developments.

In September of last year, we enrolled the largest number of students in the history of the college—786. Of this number 306 were Methodists. We have students from 10 states and 3 foreign countries. But this is not the only change, in size or otherwise. A year ago, the first night school was started. The first summer school was started, with 113 students in this first venture of its kind for us. The development of new buildings on the campus which began a number of years ago continues. Construction is

moving along very well for the Science Building. It is intended that we shall use it in the fall of 1966. Plans are now being developed for the second residence hall for women. We hope to begin construction within the next year. When it is possible to add an additional 100 women students, we will then turn to the building of a new library as the present space will then be insufficient. In order to make these developments, numerous neighboring properties are being purchased and added to the campus area.

None of these activities would be possible without support of the members and churches of the Peninsula Conference. The growing interest and support is evidenced in many ways. However, we should not forget that many of the people who have contributed and contributed largely are not Methodists at all. We are grateful for all the support which has developed. Naturally with the increase in the number of students, there must be a larger staff to give them adequate instruction. Happily we have the smallest turnover in faculty of any time in our recent history. It is our conviction that a major factor must be the confidence in President Parker and Dean Douglas. This is shown in ways other than the internal operation of the school. In the last few months, we have been able to develop a program of direct transfer with the following institutions:

Bucknell University	American University
Simpson College	Union College, Barbourville, Ka.
Southwestern College	Drew University
New York University	Lycoming College
University of Richmond	Western Maryland

This makes it possible for a student who is recommended by the Dean of Wesley College and who meets the requirements set forth in the agreement to be automatically received into the senior institution. This has obvious benefits. The student who worries and frets about getting into college from high school often has the same experience when planning to transfer from a junior college to a senior college. Now that the academic program of Wesley College is of a satisfactory nature, it is possible for students to transfer without this inconvenience and annoyance. Other academic programs are being considered for the future, and it will be possible to report on these in future years.

While all of these activities have considerable importance and are pleasing for us to look back upon them, we must, at the same time, look constantly to our educational and religious task. If we look to the early history of the development of colleges in the colonies and then later in the United States, we discover that many of them were established primarily for the education of clergy. This certainly was true in the beginning of many of our Methodist institutions. This educational need is rather adequately met in our present society, but there is growing interest in the place of the laity in the church. Now we are beginning to recognize that the church which established colleges in order to train its clergy now has the oppportunity to turn to the college to look for more adequate leadership in the church, and that primarily from laymen. While the clergy of the church are being trained, many of our laity are growing up not only in a secular milieu and a secular training, but with a secular point of view. The church college has an opportunity to develop people of leadership ability who have an appreciation as well as an understanding of the church and people who have a definite Christian commitment. This means that we are not only interested in the courses that are offered in the school and in having a church-related faculty and in offering a chapel program, but we become interested in the student developing a philosophy of life. This comes not only in the classroom but is developed in the whole campus experience. Wesley College turns its attention to this aspect of Christian higher education. We are becoming convinced that the college has an opportunity to help the church chart its future in a changing society. Everywhere we hear of dismay, disagreement and uncertainty in the life of the church. Surely the church which has established a series of colleges and universities across the country ought to be able to turn to these institutions to find people with a Christian point of view who will help the church discover its place in the new and changing social order. To do this will require imagination, to do this will require experimentation. I believe Wesley College is one institution that is now prepared for this new and vital thrust.

HOWELL O. WILKINS, Chairman, Board of Trustees

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

At the conclusion of its first quarter-century of life and service, the Woman's Society confronts the future realizing that its current theme "Summoned to a New Age" is an actuality, not just a slogan. Change has been the constant theme of this year and undoubtedly will remain so throughout this quadrennium. So much change all at one time taxes the patience and challenges the flexibility of your conference leaders, but also has renewed our faith in the leadership of the Holy Spirit as He guides His Church.

Early in this conference year one of the largest meetings ever held in Peninsula Methodism took place at Salisbury where nearly all our pastors and Woman's Society leaders counselled with Bishop Lord and Mrs. H. Porter Brown, who then was Executive Secretary of the Woman's Division of The Methodist Church and soon afterward was named General Secretary of our denomination's whole Board of Missions. The new structure of the Woman's Division as a more integral part of the Board of Missions nationally, and the extension of this new unity between women's work and the total life of Methodism at annual conference and local parish levels was explored seriously on this occasion. We called the meeting "Bridging the Gap", and here we started building new understandings and relationships between the Woman's Society and all the agencies of Methodism.

Meanwhile, the Woman's Society has been working out its own new Official Purpose. ". . . to help women grow in the knowledge and experience of God as revealed in Jesus Christ and to challenge them to respond to God's redemptive purpose in the world." Obviously this has meant a considerable increase in our prayer groups, Bible study classes, and Spiritual Life program. Our "Day Apart" meeting at PeCoMeth in the fall was very largely attended and similar opportunities have been well supported in all our districts. Re-

ports still coming in indicate that many local churches have developed prayer and study groups among women.

The involvement of Methodist women as members of annual conference and local church boards, commissions, and committees has been developing steadily during the year and undoubtedly will continue this quadrennium. Particularly, closer relationships between the Woman's Society and the Annual Conference Board of Missions and the Commissions on Missions of official boards are being established. This is calling for adjustments not yet fully understood. For example, mission study courses in local churches are now the responsibility of Commissions on Missions, though each Woman's Society is expected to participate fully. Another example is the opening of the Summer School of Missions and the Youth Missions Camp, previously sponsored exclusively by the Woman's Society, to joint operation by the Annual Conference Board of Missions. Little by little the work of Methodist women is moving into the main streams of the Church at all echelons. Again we call upon all our pastors and leaders to understand and help implement this major shift in policy.

As has been true of all components of Peninsula Methodism, the Woman's Society has been very deeply engaged in preparing for the merger of the Delaware Conference. This calls for an increased budget of nearly $80,000 for the 1965-66 conference year and an all-out effort in every church to subscribe it. Perhaps this is the point in this report to mention that the 1964-65 budget was increased to $63,050 from the 1963-64 figure of $61,550.00. It now seems assured that we shall reach our objective of giving $100,000 for missions in this quadrennium. Another aspect of the merger of the Delaware and Peninsula Conferences which has required a great deal of administrative attention is the nominating of officers in six districts instead of four and the staffing of a full complement of officers for the enlarged annual conference.

Early last fall Methodists from throughout the Peninsula gathered at the new Neighborhood House to celebrate the completion of a $50,000 debt. The old premises of Madeley Church had been purchased and attractively renovated and will serve now as the center for a growing program of community service. Miss Mary Graham White has succeeded Miss Elizabeth Dalbey as director. In addition to raising the funds to liquidate the indebtedness and to match a generous grant of $6,000 by the Woman's Division in New York, the Peninsula Conference Woman's Society has raised another $6,000 for a new furnace and other improvements. The Peninsula Conference Board of Missions has designated the Neighborhood House as an official Conference Advance Special which may receive gifts from individuals and local churches hereafter for such credit.

In order to meet the quadrennial goal of a 25% increase in membership our Woman's Society Conference has relieved one of its officers from a heavy load of clerical work in order that she may give much more time to membership cultivation and development. More than 80% of the local church societies have fewer than 100 members. As our Methodist women are challenged by the world-wide mission of Christ and His Church, rather than being absorbed with church suppers and parsonage maintenance, their lives are being enriched and enlarged. This will attract more and more women who

hunger for spiritual meaning in their existence. The continued help of pastors in making this important transition is greatly needed.

A Conference Deaconess Board has been officially constituted, with the Rev. Willard Robinson as the first president. Two new Deaconesses have been added to the three previously serving within the Peninsula Conference. Miss Judith Kerr, also of our Conference, was consecrated a Deaconess in 1964 and is soon to complete her professional studies. Her future assignment is as yet unknown.

In addition to the increased Spiritual Life studies at annual conference, district, zone, and local church levels, three mission study courses have been offered widely. It still needs to be clarified in some churches that Commissions on Missions are expected to take initiative in developing mission study opportunities. However, the Secretary of Missionary Education of the Woman's Society who is a member of the Commission on Missions may be the person who assumes this responsibility.

Especially fine leadership has been given this year by district officers. The Dover District increased its giving 25% in 30 societies and 56 societies increased their missions pledges. The Easton District has given strong emphasis to reaching the goal of a 25% increase in membership. The Salisbury District arranged a visitation by district officers in every local Woman's Society which markedly enhanced interest in the work of Methodist women throughout the area. The Wilmington District organized two new societies in local churches so that all its churches now have a woman's society. All districts cooperated with the annual conference in scheduling the itineration of a missionary among the churches. Peninsula Conference women's work is to be greatly helped by the assignment to our territory of Miss Ruth Nickels as a Field Worker from the national Women's Division. A full schedule for officers' training has been developing for the late spring under her leadership.

As I come to the close of my presidency, words fail to express the deep appreciation I feel toward all who have helped our Woman's Society in so many, many ways. Their number is beyond counting and their names far too numerous to list. Most of all, I am grateful for the spiritual experience this leadership opportunity has brought to my own life. Thanks be to God for all His providence in the lives and service of us all.

Respectfully submitted,

(MRS. WILLIAM F.) CAROLYN DUNKLE,
President, Woman's Society of
Christian Service.

COMMISSION ON WORLD SERVICE AND FINANCE

This past year has been quite active for this Commission because of the intensified planning necessitated by the coming enlargement of the Peninsula Conference.

Some of the noteworthy actions of this Commission are as follows:

1. Approved supplements to the 1965/66 budget totaling $172,058 so that the Steering Committee could properly plan for the enlargement of the Peninsula Conference.

2. Approved a supplement to the 1965/66 budget for $23,800 to provide the funds necessary to equip and operate for one year a Conference Business Office. For convenience, this supplement is included in live item "Treasurers Expense".

3. Authorized Homes for the Aged, Inc., to proceed with construction of the Manor House at Seaford. After very careful study, this Commission determined that the financing procedures were sound.

4. After studying the proposed programs and the need for furnishing and refurnishing Drayton Methodist Center, this Commission authorized the Conference Board of Trustees to arrange for a $150,000 line of credit to provide the necessary funds. It is the intention of this Commission to recommended in future budgets that when the Camp PeCoMeth asking has liquidated the indebtedness on the capital improvements at PeCoMeth, that the $50,000 annual asking be continued and applied toward the liquidation of the indebtedness of Drayton Methodist Center.

5. Authorized the Conference Board of Trustees to arrange a $100,000 line of credit to provide the District Parsonage Committee with necessary funds to purchase District Parsonages in Chestertown, Maryland and Seaford, Delaware and to furnish and equip both dwellings. Proceeds realized from the sale of the Delaware Conference District Parsonages and any other capital assets will be applied to the purchase and furnishing of the two new parsonages. Any indebtedness remaining will be considered by this Commission when the amount is determined.

The District Parsonage Committee was unable to find any suitable rental properties available in either location.

6. Computed and mailed to each Delaware Conference charge an apportionment for 1965/66. The non-uniformity of procedures in reporting, budgeting, etc., resulted in a lower than normal apportionment being sent to most Delaware Conference charges. The total apportioned was $177,931 whereas if uniform procedures had been used by both Conferences, the total amount apportioned would have been approximately $210,000.

Rather than make arbitrary adjustments in the figures and columns contained in the 1964 Delaware Conference Journal, it was felt that the apportionments should remain at the lower figure but with the hope that all Delaware Conference charges would accept and pay their apportionments in full and that many would pay in excess of the apportioned figure.

The following recommendations are made for your consideration and adoption:

1. The apportionments to the local charges for the 1966/67 budget shall be based on the statistics appearing in the 1965 Conference Journals and applied to the following formula:

⅓—Based on Membership of each Charge.

⅓—Based on Total Giving of each charge, less amounts paid on the following: Debt, Interest on Debt, Building and Improvements, Conference Administration and Benevolence apportionment, Advance Specials, Wesley College Capital Improvement Asking, and Camp PeCoMeth Asking.

⅓—Based on amount apportioned in previous year for Conference Administration and Benevolences.

Every effort shall be made to equitably adjust the Delaware Conference statistics to conform to the Peninsula Conference standard.

2. The salaries of the District Superintendents shall be the average of the highest ten pastoral salaries in the Peninsula Conference and shall be adjusted during the year, if necessary, to conform to this average. District Superintendents' salaries as heretofore provided, travel and administrative allowances as determined by this Commission, and District Parsonage utilities shall be provided by the District Superintendents' Fund.

3. In order to relieve the pressure on the Conference bank balance, and since it is easier to make small periodic remittances, all churches are urged to remit their apportionments to the Conference Treasurer on a monthly basis.

4. If any surplus is realized, it shall be proportionally divided between Administration and Benevolences. The amount of surplus accruing to Administration shall be placed in an Operating Reserve to be used only for emergencies and to allow the Conference Treasurer to move toward a definite schedule of payments to our various boards. Surplus accruing to Benevolences shall, after adjusting for World Service, be used by the Conference Board of Missions for Church Extension.

5. If the full budget is not realized, priority of payment shall be given in the following order: Board of Pensions, Episcopal Fund, General Church Administration (balance), Conference Administration (balance), and Conference Benevolences.

6. Benevolences for 1966/67 shall be divided as follows:

World Service	$189,348	27.8%
Conference Benevolences	490,885	72.2%
Total	$680,233	100.0%

7. The 1966/67 Unified Budget is a part of this report and its adoption is recommended.

Respectfully submitted,

Accounts Payable—$47,541.31

The above consisted of unpaid invoices for April, 1965, from Progressive Cafeteria, Inc. and others.

Mortgages Payable—$29,000.00

The Wilmington Savings Fund Society holds a mortgage on the Methodist Country House property as of April 20, 1959. The unpaid principal on April 30, 1965 was $396,900.00, of which approximately $29,000.00 is payable each year plus interest at 5% per annum.

The mortgage balance at year-end was confirmed directly with the mortgagee.

Accrued Payroll Taxes—$2,306.10

These included:

Federal Withholding Taxes	$ 1,606.21
State Withholding Taxes	208.64
Social Security Taxes	491.25

During the current year ten annuities were sold varying in amounts from $500.00 to $22,000.00. Four life agreements totaling $47,000.00 were also made.

Rates paid to annuitants are somewhat higher than those of insurance companies. It is anticipated that 42% of principal received in annuity contracts will revert to the Methodist Country House. During the current year two contracts totaling $6,279.10 reverted to the "House."

All new life agreements and annuity contract were inspected by us.

Deferred Income—$1,608.45

This amount was held for Mary Simpson for payment of guest fees and Blue Cross premiums.

Operating expenses exceeded operating income by $112,587.78, an increase of $16,125.21 over the preceding fiscal year.

Amounts shown in Schedule B-2 (Dietary Expenses) and Schedule B-3 (Household and Property Expenses) are generally expenses billed to the Methodist Country House by Progressive Cafeteria, Inc., the contractor engaged for food and housekeeping services.

Replacement of fixed assets totaled about $3,500.00 for the current year as against $1,000.00 for the prior year. Future years will require larger replacements of such assets which are charged to current expense. Such replacements point up to the desirability of setting up a fund for replacement of assets (in lieu of depreciation).

Life insurance premiums ($13,610.00) were paid on a policy on the life of Ernest duPont, Jr. The Country House is the beneficiary.

Respectfully submitted,

VII
MEMOIRS

RALPH HALL COLLIS

Ralph Hall Collis, son of Fred Lee and Mary Adella Collis, was born in Triumph, Illinois on October 1, 1889. He moved with his parents to Iowa Falls, Iowa where he graduated from Ellsworth College and where he met Emma Olsen whom he married in 1911. He graduated from Garrett Theological Seminary in 1914 and received his Master of Theology degree from Northwestern University in 1915 followed by a year at Harvard Divinity School.

During these years Mr. Collis served student charges and spent one year teaching in Upper Iowa University. From 1918 to 1936 he served charges in the Upper Iowa Conference. In 1936 he transferred to the Rock River Conference with churches in Chicago. For six years he was Executive Secretary of the Conference Board of Education and Mrs. Collis was the Office Secretary. The two daughters, having married, lived in the East and became Directors of Music. When an invitation came in 1951 to join the Peninsula Conference Mr. Collis accepted it and became pastor of the Mt. Salem Church in Wilmington and subsequently he was Associate Pastor at Grace Church, Wilmington; Asbury Church, Salisbury and Asbury Church, Wilmington. Mr. Collis was a member of the DuPont Masonic Lodge #29, AF and AM, Wilmington, Delaware.

Florida vacations led to eventual retirement at Memorial Home Community, Penney Farms, Florida in 1957. During that year Mr. Collis served as Minister of Visitation at St. James Methodist Church, Palatka, Florida. May 1, 1964 Mr. and Mrs. Collis were the first people to take up residence at the newly completed Wesley Manor Retirement Village near Jacksonville, Florida. Mr. Collis' transition to the Heavenly Home came November 27, 1964.

The Memorial Service was held at Wesley Manor with the Executive Director, the Reverend Thomas D. Ryan Jr., presiding, assisted by the Reverend John Simon, Associate Pastor of First Methodist Church, Tampa, Florida and four minister friends from Penney Farms: Charles Cole, Clarence Miller, Basil Truscott and Alfred Hempstead.

As part of the service the Choir of the Penney Memorial Church sang the "One Hundredth Psalm" which Mr. Collis had used with children and youth groups throughout his ministry. Friends in these retirement villages remember Ralph Hall Collis as one who made the Golden Rule his philosophy of life and religion.

Surviving are Mrs. Collis and the two daughters and their families: Mr. and Mrs. H. Graham Hayman, Jr., Harry Graham III and John Collis of Salisbury, Maryland and Mr. and Mrs. William F. Jackson, Karen Lael, Kent William and Collis James of South Weymouth, Massachusetts and three brothers. Mr. Collis loved to fly and his ashes were scattered by plane on the Julington River in front of Wesley Manor.

Part of the Memorial Service included the following: "Our brother stands before us in memory today complete: a dutiful son, a good brother, a

faithful student, an aggressive athlete, a good husband, a loving father, a dedicated minister of the Gospel of Jesus Christ. He committed his life to God in youth and we can see God's guidance in all his life. Surely goodness and mercy followed him all the days of his life and he will dwell in the house of the Lord forever."

"Servant of God well done,
Thy noble labors past,
Thy service given, the race is run,
And thou art crowned at last."

SAMUEL J. HORSEY

Samuel J. Horsey was born in Marion, Md., December 11, 1880, the eleventh child of the late Samuel and Joanah Miles Horsey, all of whom are now deceased.

He attended the public schools, and early in life became a soldier of Christ. After he completed his studies at Morgan College, he graduated with A.B. and D.D. degrees. He entered Drew Theological Seminary in Madison, New Jersey, graduating from there in 1911 with a B.D. degree. He was ordained in 1911 as a minister with only one thought and desire—to serve.

Rev. Horsey enjoyed the confidence and esteem of his colleagues. He was quiet, courteous, unassuming, and possessed those qualities of human sympathy which made friends. His greatest reward was the consciousness of duty well done, and his greatest monument, the love that lingers in the hearts of our friends. He gave the best that he could to any service to which he was called.

He married Mrs. Mayme E. Henderson on September 26, 1940. He was a most devoted and loving husband. He deserves to be remembered as a kindly and faithful Christian public servant. After his retirement, he was an Associate to Rev. Peters of Ebenezer Church and Rev. Wilson of Falls Church, Virginia.

He knew that his body, worn and torn, was about to be dissolved and he looked into the future, beyond the mist and its mysteries with hope and with confidence and without fear. He knew also that the Shepherd of Souls would lead him through the green valley and beside the still waters until he joined the goodly company of the loved but not the lost. He fought his last battle against disease and the end of all things earthly, with Spartan fortitude.

In deepest humility, I give the heartfelt thanks that is due to you, dear friends, for your kindness to him and to all who in any manner, whatsoever, helped to make significant and meaningful his efforts.

O death we know when moons shall wane
When summer birds from far shall cross the sea,
When autumn's hue shall tinge the golden grain,
But what shall teach us when to look for Thee—
Thou hast all seasons for thine own—O Death.

To you whose love failed me never, on whose love I could always depend in joy and sorrow right to the end—rest—rest—till time shall cease.

His wife,

MRS. MAYME HORSEY

MARION EUGENE HUNGERFORD

Marion Eugene Hungerford was born April 14, 1880. He married Miss Mary Jane Pennington who preceded him in death. He received license to preach in the Maryland Conference of the Methodist Protestant Church in 1906.

He served 37 years in the Methodist ministry serving the Wallace Memorial Church, Mariners, New Market, Chincoteague, Milton, Conquest, Union, Georgetown, and Sharptown in the Maryland Conference. He also served the Milford Calvary Church from 1939 to 1944 in the Peninsula Conference and retired to his home on the Sassafras River at Fredericktown, Maryland in 1945.

Rev. Hungerford suffered a heart attack and died August 20, 1964. He is buried in the Galena Cemetery at Galena, Maryland.

"There is a land of pure delight,
Where saints immortal reign;
Infinite day excludes the night,
And pleasures banish pain.
There, everlasting spring abides,
And never-withering flowers;
Death, like a narrow sea, divides,
This heavenly land from ours."

CHARLES C. HUFFMAN

HAMPTON TURNER JOHNSON

Hampton Turner Johnson had the distinction of holding one of the longest service records in Methodist History. Born at Princess Anne, Maryland, on September 13, 1865, he died in Philadelphia, Pa., on December 26, 1964, in his 100th year. His life spanned nearly the entire life of the Delaware Conference (1864-1965).

He was the son of the late Charles Elzie and Emily Gertrude Turner Johnson. Educated at Princess Anne Academy, Princess Anne (now Maryland State College) he was licensed to preach by the father of the writer—the late Rev. Daniel Archie Ridout, then pastor at Metropolitan Church, Princess Anne. Brother Johnson was admitted to the Delaware Conference the year of its silver anniversary, in 1889, and did not miss a single roll call in 75 years. Though confined to a wheel chair, he was present at the roll call of the 100th anniversary session in May, 1964.

For 43 years he was registrar of the Board of Ministerial Training, a position he held with great faithfulness and high distinction. On October 27, 1897, he was maried to Miss Mattie Medley Kennedy. Three children were born to this union, Cornelius Lee, Clarence Aquila, and Dorothy Virginia (Mrs. Elmer W. Dean, widow of a late Delaware Conference pastor).

Brother Johnson served churches at Fair Oak, Va., Salisbury Circuit, Ridgely; Greenwich, N. J., Union, Md. Mt. Holly, N. J., Orange, N. J.; Mt. Joy, Wilmington, Del., Jamestown, Md., East New Market, Oxford; Newport, Del., Hudson, N. Y., Cape May, N. J.; Newman, Brooklyn, N. Y., Pleasantville, N. J., White Plains, N. Y. After his retirement in 1942, he served as supply pastor at New Castle, Del., five years, and Elkton, Md., four years.

At the Delaware Conference session of 1959, he was honored on the occasion of having reached the 70th year of Conference membership. He responded with clear mind and firm voice: "I have loved the Church and have given myself for it. If I never more meet you here, I will meet you in heaven." He was destined to meet us there five more years!

Blest with a phenomenal memory, he was considered as Delaware Conference History in the flesh. Until within two or three years of his death, he could relate Conference history for hour upon hour. He practically knew all of it, never writing it down, but retaining it in his memory divine.

He is survived by his three children, three grandchildren and one great grandchild.

Funeral services were held at Haven Memorial Church, Philadelphia, on December 30, the Rev. W. C. Strother, Jr., superintendent of the Philadelphia District, presiding. The writer delivered the eulogy. Others assisting in the the service were: The Rev. Sercy L. Jones, pastor and the Revs. Dennis R. Fletcher, O'Connel Milbourne, Walter R. Hazzard, and Marion O. Ballard. Interment was in Bridgeton, N. J.

"For all the saints who from their labors rest,
Who Thee, by faith, before the world confessed,
Thy Name, O Jesus, be forever blest. Alleluia!
"Thou wast their Rock, their Fortress, and their Might,
Thou, Lord, their Captain in the well-fought fight;
Thou in the darkness drear their one true Light. Alleluia!"

DANIEL LYMAN RIDOUT

RALPH C. JONES

A committed crusader for Christ's Kingdom is no longer with us. Mourning would be a fallacy for one who spoke of death as life's metamorphosis with such unsevering confidence and served his Lord with such enthusiastic devotion.

He was consecrated to the task of bringing the Kingdom to the people and the people to the Kingdom. Side diversions and loyalties had no room.

One mountain-top experience along the journey was the short visit to the Holy Land in 1927. It was then he could witness that "today I walked where Jesus walked." Several Easters afterwards he produced the resurrection story as a stirring dawn service in the setting of a replica of the Garden Tomb.

He despised the crass and redundant with a passion. Everything related to the church had to reflect a community pride in the building and the institution. He delighted in fulfilling the needs of the church be it ministering or mending the screens. Typical of this feeling was his aversion to weeds. He insisted on pulling them wherever they were—even on public property. On vacation the family joked that he was in the secret employ of the Park Service.

He was assigned to pastorates at Vienna, Mardela and Bishopville. On April 9, 1918 the following telegram was received. "You have been appointed to Mt. Freedom, N. J. Eight hundred and fifty dollars and parsonage. Can you be here April 14th? You will need automobile probably."

Signed—HALFRED E. LUCCOCK

This writing of Dr. Luccock was most warmly received despite its restricted circulation for this represented the cherished opportunity to attend Drew Theological Seminary.

Upon graduation, he returned to home shores and was assigned to Kent Island, Wilmington—Silverbrook, Lewes, Delmar, and Wilmington—Brandywine. In 1941 he was appointed Superintendent of Salisbury District. Wartime restrictions limited the itinerate schedule but allowed more leisurely fellowship with the brethren. On completion of the term, he was assigned to Laurel—Centenary, Milford—Calvary, Federalsburg and Ridgely. In retirement he served as he could—of recent years, he was church visitor at Seaford—St. John.

He was born on January 8, 1892 in Gumboro, Delaware, son of Elijah and Priscilla Jones. He graduated from Wilmington Conference Academy in 1914 and was admitted to the conference in 1915. He married Inez Watson fifty years ago. Ralph Junior and Rebecca became parsonage dwellers in time.

On March 6, he fell from a ladder and struck his head with apparently no ill effect. An operation to relieve the blood clot was performed at Memorial Hospital, Wilmington, on March 16, and he died March 19. Services were conducted at St. John's, Seaford, by Rev. Howell Wilkins, pastor, and Dr. Hartwell Chandler, District Superintendent. Many brethren of the cloth attended.

RALPH C. JONES, JR.

ABRAHAM ALEXANDER McDOWELL

The Reverend Abraham Alexander McDowell, son of the late Henry and Roseanne McDowell, born in Adamsville, South Carolina, passed to eternal reward Saturday, November 7, 1964, at 9:30 A. M. After a long illness, at a local hospital in Salisbury, Maryland, he peacefully slept away.

In October, 1913 he was united in Holy Wedlock with Miss Ida E. Lankford of New Church, Virginia. She was a devoted and helpful companion, sharing with him the joys and sorrows of life. Throughout his extended ministry, it could be said that she was like the faithful woman who anointed the feet of Jesus with a precious ointment . . . "She has done what she could."

He was converted at an early age and remained a loyal and faithful lay Christian until he was called to the ministry.

The Reverend A. A. McDowell was a graduate of Clafin College of Orangeburg, South Carolina. He furthered his ministerial training at Princess Anne Academy and Hampton Institute. The earliest part of his career was spent as a public school teacher. The first part of the ministry was combined with teaching. In these capacities, he was able to encourage young people to take advantage of educational opportunities. Many times he provided the means for them to start on their educational journey.

He was a Christian, minister, brother, father, and friend. He seized every opportunity to serve to the best of his ability in all of these capacities. During his illness, he remained one of God's untiring servants. Never once did he forget the loyal and faithful members of the McDaniel Charge—all of whom he loved and called his children.

He was truly missionary minded. God had called him to a mission and this mission he fulfilled. For example, during the struggles of the ministers' wives of the Easton District, he would always go to the president and ask if they had reached their financial goal; if they had not, he would give his personal check, whatever the amount, to reach that goal. Located in an area where job opportunities are few, he worked hard to secure jobs for the unemployed and then, furnish them transportation to their jobs. He sometimes exhausted all of his resources trying to help other people meet their needs.

The writer feels very keenly her inability to do justice to this great personality of many talents and interests. To know him was to love him. The Delaware Conference, which he served for forty-six years, has lost a loyal and faithful friend. His unselfish spirit and humble life needs to be emulated.

Besides his wife, he is survived by a daughter, Miss Ruth A. McDowell of Tennessee A & I State University, Nashville, Tenn.; two sons, John A. McDowell, Snow Hill, Md., and James H. McDowell, Vienna, Md.; two grandsons, Larry and Rodney, and other relatives and friends.

THE FAMILY

GEORGE FRANCIS NEWTON

George Francis Newton was born near East New Market, Maryland on October 27, 1885. After graduating from Washington College, Chestertown, Maryland he was married to Loretto Marie Gaule in 1906. He served with marked ability in Claremont, Virginia; Cherry Hill, Maryland; Ebenezer; Newark, Delaware; Fairmount, Maryland; Fruitland, Maryland; Millington, Maryland; Roxanna, Delaware; Westover, Maryland; and Newark, Maryland.

The children of the Newton family are: The Reverend Sherman Newton, rector of the Church Of The Holy Nativity, Chicago, Ill.; George Francis Newton of Easton, Maryland; Mrs. Irma Graham of West Hampton Beach, Long Island, N. Y. and Ralph Thomas Newton of Alexandria, Virginia.

He died in Easton, Maryland, July 10, 1963. The funeral services were held in Secretary, Maryland conducted by the pastor, Reverend C. E. Barton, Jr.

He was an able man of God who cheerfully moved forward in obedience to his Christian convictions. Those of us who knew him best are aware of the power of his mind and the depth of his faith. He was a valiant soldier of the Cross and we do now honor his name and bless his memory.

ESSELL P. THOMAS

TILGHMAN SMITH

Tilghman Smith, the son of J. Matthew and Frances Hackett Smith, was born near Federalsburg, Maryland, on May 28, 1878. As a young man he taught school for several years in lower Delaware, and the Eastern Shore of Maryland. After attending the Wilmington Conference Academy in Dover (now Wesley College) he became a member of the Wilmington Annual Conference in 1907.

He married Miss Clara Murray on May 14, 1908, who shared his ministry as a close companion, and faithful worker. Their marriage was blessed with one son, J. Henry, who now resides in Maplewood, New Jersey.

During his ministry of more than forty years he served fifteen charges. In Delaware he was pastor at Canterbury, Christian, Bethel, Marshallton, Clayton, and Townsend; in Maryland, Pomona, Girdletree, East New Market, Still Pond, Marion, St. Michaels, Port Deposit, Greensboro, and Princess Anne. He retired at age seventy, but still having good health, and a zeal to serve, supplied the Churches of Warwick and Sassafras for five years. In 1953 he took full retirement and moved to Middletown, Delaware, where for the next eight and one-half years he and his wife lived, enjoying the fellowship of home and friends. Following a serious fall in October 1961, Clara was taken to a nursing home and soon thereafter was called to her heavenly rest. Tilghman moved to the Methodist Country House where he spent his last years with Christian friends and in warm fellowship. He entered the Church Triumphant on September 20, 1964. The funeral was conducted by his nephew, the Reverend Dr. William E. Smith, and Willard L. Robinson, Jr., at the Immanuel Methodist Church, Townsend, Delaware. He was buried beside his wife at Lakeside Cemetery, Dover, Delaware.

Tilghman Smith was a good preacher, a kind pastor and a cherished friend. One of his flock once said of him "He walked down the middle of the road and had friends on both sides." His quiet attitude and steady manner gained their source of strength from the depths that are expressed in this prayer by J. H. Newman:

O Lord, support us all the day long
Of this troublous life,
Until the shadows lengthen

And the evening comes,
And the busy world is hushed,
And the fever of life is over,
And our work is done.
Then, of Thy great mercy,
Grant us a safe lodging
And a holy rest,
And peace at the last;
Through Jesus Christ our Lord. Amen.

WILLARD L. ROBINSON, JR.

LAWRENCE E. WIMBROW

Lawrence Ernest Wimbrow, son of Samuel H. and Martha E. Wimbrow, was born on April 13, 1889 at Wango, Wicomico County, Maryland. He received his early education in the local school and at the age of 9 was employed with his father in the lumber business. Larry, as he became known to all of his friends, was not very happy in the lumber business. He had a love for people that compelled him to draw himself closer to them. He, therefore, became a pullman car conductor with the Pennsylvania Railroad and later was associated with the Chesapeake and Potomac Telephone Company.

While these services afforded this young man an opportunity to work with people, he felt a higher compulsion to give himself to the church as a minister where he could help people find life's rich fulfillment in Jesus Christ.

In order to prepare himself for what became his life's work, it was necessary for him to seek further education. Accordingly, he entered the former Wilmington Conference Academy, now Wesley College at Dover, Delaware, graduating in 1917. From there he went to Wesleyan University, Middletown, Connecticut, where he earned the B. A. degree. And in 1923 was graduated from Garrett Theological Seminary with the B. D. degree.

On June 21, 1921 he was married to Miss Audrey Brown of Clayton, Delaware. Two sons were born into the home, Lawrence, Jr., and Charles. Charles is district sales manager for the Nationwide Insurance Company, Manchester, New Hampshire. Lawrence, Jr., is Pastor of Lodge Forest Methodist Church, Baltimore, Maryland. While the writer of this memoir never had the privilege of visiting in this home in its early years, he has every reason to believe that a wholesome homey, Christian atmosphere prevailed creating a spirit of love that spilled over into the life of the communities where the family served.

Larry's first assignment as a minister was at the Vermillion Heights Methodist Church in Danville, Illinois. Within a short time he came to Grace Church, Wilmington, Delaware, then to White Temple, Miami, Florida and back to Grace again, in each case as an associate. He then became minister in charge where he served with notable success in Millsboro and Bridgeville, Delaware and Pocomoke City, Denton, and Snow Hill, Maryland.

He had the honor of serving the Peninsula Conference as its registrar for eleven years and was chairman of the Board of Ministerial Training and Qualification for thirteen years.

In 1952, his fellow ministers gave him a further honor by electing him as a delegate to the General Conference of the Methodist Church.

For forty years this servant of God enjoyed his work as a Methodist Minister. He never grew weary in the tasks to which he had committed himself. He was ever reaching out to help some member of his parish or a fellow minister in need, and always with no thought of personal gain except the joy of service. One of the local newspapers described him as "the happy pastor" and that he was. We can truly say he lived not for what he had, but rather for what he was in heart and mind. He possessed a warm and understanding spirit, a heart of laughter, mind of wit, deep and abiding love for his fellowman and his God. This is his legacy which is twice blessed. blessing the giver and the receiver.

In 1957 while serving the Whatcoat Methodist Church in Snow Hill, Maryland, Larry felt the need to retire and asked for this relationship at the Annual Conference of that year. A brief period of illness followed his retirement. Then with renewed strength this soldier felt the need for further service. He then became associated with Bethesda Methodist Church, Salisbury, Maryland where he remained until the spring of 1963.

In the spring of the next year, while the roll was being taken at the Annual Conference, Larry was answering another roll call. God called him home and he obediently responded.

The funeral service was held in Bethesda Church, Salisbury, Maryland in charge of the Reverend Alton Miller, assisted by the Reverends Howard Amoss, William Kesmodel and the writer of this memoir. Interment was at the Grace Lawn Memorial Cemetery, Wilmington, Delaware.

"Die When I may, I want it said by those who knew me best, that I always plucked a thistle and planted a flower where I thought a flower would grow." Abraham Lincoln. This was Larry's life.

MILDRED MARIE ELLIOTT

Mildred Marie Elliott was born in Mardela, Maryland on June 19, 1903. Her parents were Jackson and Martha Bennett. Until her marriage she was a member of Immanuel Methodist Church in Mardela.

It was the writers happy privilege to unite Mildred Bennett and Lee Elliott in Holy Matrimony, March 12, 1929. in the Mardela parsonage. At that time Lee was serving as "bachelor" pastor of the Laurel Circuit. This was his first appointment. He took his bride to the parsonage in Laurel and there they lived happily together for thirty-six years, this being their only home as husband and wife. However, the homes of the members of the four country churches were almost as much their homes as was the parsonage.

There were no children, thus Mildred was free to serve the four communities with her husband. She faithfully served in every capacity except

to preach in the pulpit. She was held in high regard by the people of the Circuit churches until the day of her death, which was August 23, 1964.

Mildred was very friendly and therefore a good mixer with the parishioners. Her Christian character was beyond reproach. She was a good housekeeper and a wonderful cook. The writer of these lines has enjoyed more than a few chicken and dumpling dinners in her dining room.

Until illness overtook Mildred a few years ago she walked the path of Christian service, year after year, and remained a faithful servant of her Lord and a good wife to her devoted husband. During the last several months of her life, physical and nervous disorders prevented her from being as active as formerly she had been. Her untimely death brought grief to a great host of people who knew and loved her. We know, however, that our loss is her gain. As long as health permitted she served her Lord faithfully and well.

Funeral services were held on Wednesday, August 26 in the Windsor and Disharoon Funeral Home, Laurel, Delaware, at which time all of the available space was completely filled with those who knew and loved her. The Reverend Docter Hartwell Chandler, Superintendent of the Dover District, conducted the service and he was assisted by the writer of this memoir. Burial was in Mardela cemetery, Mardela, Maryland.

For all the saints, who from their labors rest,
Who Thee by faith before the world confessed,
Thy name, O Jesus, be forever blessed.
Thou wast their Rock, their Fortress, and their Might;
Thou, Lord, their Captain in the well fought fight;
Thou, in the darkness drear, their one true light.
O may Thy soldiers, faithful, true, and bold,
Fight as the saints who nobly fought of old,
And win with them the victor's crown of gold.
O blest communion, fellowship divine!
We feebly struggle, they in glory shine;
Yet all are one in Thee, for all are Thine.

MARY DAVIS HUNDLEY

The Rev. Mrs. Mary D. Hundley, daughter of Mrs. Mary E. Davis, Camden, New Jersey, and the late Rev. J. L. Davis, died January 20th, at the National Institute of Health, Bethesda, Maryland. She was pastor of the Aireys Charge, Cambridge, Maryland.

Mrs. Hundley was converted at an early age. Later she became a local preacher and in 1960 was placed on the accepted supply pastors list. She served Wittman-Sherwood for three fruitful years, and the Aireys Charge for two years where she did an excellent job. Mrs. Hundley possessed a burning passion for the Lord's work and continued to pastor even after her doctor and family advised against it.

She is survived by her husband, John, and three children, Mrs. Mary E. Hill, of Mantua, N. J.; Mrs. Irene Wilcox, of Woodbury, N. J.; and Mrs. Edward R. Robinson, of Baltimore, Maryland; sixteen (16) grandchildren, two (2) great-grandchildren and four sisters, Mrs. Viola Johnson, of Roselle, New Jersey; Mrs. Beatrice Haynes, of Philadelphia, Penna.; Mrs. Dorothy Estrada, of Camden, New Jersey, and Mrs. Barbara Judah, of Linden, New Jersey; four brothers, R. Leroy Davis, of Philadelphia, Penna.; S. Edward and Earl C. M. Davis, of Woodbury, New Jersey, and George L. Davis, of Winnepeg, Canada; and her faithful friend and companion, "Aunt Ella" Poulson of Woodbury, New Jersey.

Now the laborer's task is o'er;
Calmly now the words we say;
Left behind, we wait in trust,
For the resurrection day.
Father, in Thy gracious keeping
Leave we now Thy servant sleeping.

THE FAMILY

LAVINIA BAILEY JEWETT

Lavinia B. Jewett, daughter of the late John and Mary Jane Bailey, was born on May 1, 1883, at St. Michaels, Md., and went to her eternal reward in Philadelphia, Pa., on March 11, 1965.

She was educated in the public schools of Talbot County and Baltimore City. On Thanksgiving Day, 1905, she was united in wedlock to the Rev. James W. Jewett, who was destined to become one of the leaders of the Delaware Conference, and who joined the Church triumphant in May, 1944. Two children were born to this union: Thelma Louise and Hamilton Sherman.

Richly endowed with qualities of leadership, Mrs. Jewett was highly honored among Methodist women. She served as president of the former Woman's Home Missionary Society of the Delaware Conference and of the Woman's Society of Christian Service. She was later treasurer of this organization for eight years, and for a like period was a member of the board of the Woman's Division of our General Board of Missions.

Mrs. Jewett was in wide demand as a speaker before women's groups and as a teacher in schools of missions and ministers' wives' retreats throughout the Central Jurisdiction. In the midst of busy schedules incident to the holding of public offices, she exhibited rare courage and fortitude in losing her husband, mother, daughter and a brother in a comparatively brief period of time. She was, by all standards, a great woman.

Surviving are her son, Hamilton; a sister, Mrs. Helen B. Parker of St. Michaels, and her foster sister, Mrs. Helen B. Jones of Baltimore.

"She is not dead, the one of our affection
But gone unto that school
Where she no longer needs our poor protection,
And Christ Himself doth rule."

ANNIE REBECCA TURNER

Annie Rebecca Turner, daughter of the late Sarah Pinkett, was born in Middlesex County, Virginia, July 22, 1874 and died at Wittman, Maryland, October 28th, 1964, at the age of ninety (90). She was the oldest of five children.

She was married three times. Her late husbands were Joseph Hynson, Rev. G. T. Townsend, and Rev. W. O. Turner.

She was converted at the age of fourteen and remained a faithful Christian until her death. She was a member of the choir, Ministers' Wives Association, Women's Society of Christian Service, and other organizations. She has served as class leader, Sunday School teacher and Sunday School Superintendent. She remained active until her death.

Servant of God well done!
Thy glorious warfare's past;
The battle fought the race is run
And thou art crowned at last.

MARY LOUISE VAN BLUNK

Mary Louise van Blunk was born on May 25, 1866, and died "full of years" on September 8, 1964. Her next birthday, she would have been 99 years of age. The end came in the Masonic Home of Maryland at Cockeysville, where she had lived since December 4, 1939.

Her father, Samuel Wesley Burnite, was a native of Elkton, Md., and her mother, Mary Ann Porter Burnite, was a native of Phoenixville, Pa. Before her marriage to the Rev. Joseph M. C. van Blunk, she was a member of the State Street M. E. Church in Camden, N. J.

She spent three years with her husband as a missionary to Africa. After their return to this country, the Rev. Mr. van Blunk lectured widely throughout the United States on Africa. After his death, Mrs. van Blunk became a resident in the Cockeysville home where she lived 35 years.

Up to the end, she wrote a poem a day. She was a radiant, joy-filled person whose life was an inspiration to all who met her. She died in full triumph of the faith. Greatly beloved by the residents of the Masonic Home, her remains lie buried in a choice section of the Grand Lodge lots.

Rest comes at length, though life be long and dreary—
The day must dawn, and darksome might be past;
All journeys end in welcome to the weary,
And heaven, the heart's true home, will come at last."

HAZEL BELLE RAKESTRAW WATERS

Hazel Belle Rakestraw Waters was born in 1894 in Atlanta, Georgia. She was the fourth girl of seven children born to Mr. and Mrs. T. R. Rakestraw.

At a very early age she moved with her family to the South Atlanta Community. Her earliest education was under the tutorship of the late Miss Clara White. Later she attended the old Clark University Elementary, High and Normal Schools. After completing her education, she taught in several schools of Georgia.

Hazel Belle Rakestraw was united in holy matrimony to the Rev. James Elbert Waters whom she met while he was studying for the ministry at Gammon Theological Seminary. To this union were born two girls, Rosa Fleda and Mary Lena. For seventeen years she lived in the Methodist parsonage of the Delaware Conference where her late husband served until his passing in 1935. She then returned to Atlanta, where she lived until her passing.

Mrs. Waters spent all of her church life in the South Atlanta Methodist Church except during the period that she was in the Delaware Conference. She was an active member of the Woman's Society of Christian Service.

Mrs. Waters leaves to mourn her passing, two daughters, Mrs. Rosa Fleda Nicholas of Philadelphia and Mrs. Mary Lena Banks of Atlanta, two sons-in-law, Lt. Col. George Nicholas and Mr. Inman Ruthford Banks, one brother, Dr. E. W. Rakestraw, one sister, Mrs. Ocie Little, both of Los Angeles, California, five grandchildren and a host of relatives and friends.

DEBORAH LAWRY WOODELL

Deborah L. Woodell, age 93, passed to her reward on August 8, 1964. She was the widow of Rev. William R. Woodell. She was born June 20, 1871 at Florence, South Carolina. She was married to Mr. Woodell December 14, 1892. In 1905 Rev. Woodell joined the Blue Ridge Conference and served there until March, 1922 when he transferred to the former Wilmington Conference. They served the following charges: Pocomoke Circuit, Fruitland, Stockton, Fairmount, Roxana, Williamsburg and Laurel Circuit.

After Rev. Woodells death in 1944 Mrs. Woodell made her home with her daughter, Mrs. H. L. Sterling, in Delmar, Maryland. For several years she had been in ill health and had lost her eye sight. She was one of the most cheerful persons I have known. She loved the services of the church and was a regular attendant at the First Methodist Church in Delmar.

Mrs. Woodell left a goodly heritage in a fine family—four daughters: Mrs. John T. Medham of Elizabeth City, North Carolina, Mrs. H. L. Sterling of Delmar, Mrs. Dewey Bozman of Salisbury, Maryland and Mrs. Simmons of Baltimore, Maryland; two sons, E. C. Woodell of Atlanta, Georgia and John H. Woodell of Audubon, New Jersey; 15 grandchildren and 16 great-grandchildren.

Funeral services were held August 10, at 8 o'clock P. M. in Delmar conducted by the Pastor of St. Stephens Methodist Church, Rev. Robert Whitlock, assisted by Rev. J. W. Townsend. Interment was in Elizabeth City, North Carolina.

"Servant of God well done
Thy glorious warfare past,
The battle fought, the victory won
And thou art crowned at last."
